Ari Davies
Global Head of Corporate Analytics, IHS Markit

Ari Davies is the Global Head of Corporate Analytics at IHS Markit and specializes in providing clients with strategic counsel on investor relations strategy, M&A, capital allocation, shareholder activism, and situational analytics.

IHS Markit is a global leader in providing market intelligence, data, and technology solutions to all participants in the global capital markets, including sell-side banks, publicly traded companies, and buy-side institutions.

At present, over 800 global companies use IHS Markit for their investor targeting advisory and workflow needs. Ari joined Ipreo in 2006, and was part of the initial team that launched Ipreo's Global Markets Intelligence practice.

Holders of the NIRI IRC® credential can earn 1 professional development unit (PDU) per meeting/webinar. IRC-credentialed speakers may also earn PDUs. More information is available at www.niri.org/certification.
