Supplemental Financial Information

Second Quarter 2014

July 23, 2014

Forward-looking Statements

This presentation contains forward-looking statements that describe our future plans, strategies and expectations. You can identify these forward-looking statements by the use of words such as “believe,” “expect,” “anticipate,” “intend,” “plan,” “estimate” or future or conditional verbs such as “will,” “would,” “should,” “could” or “may.” All forward-looking statements are based on assumptions and involve risks and uncertainties, many of which are beyond our control and which may cause our actual results, performance or achievements to differ materially from the results, performance or achievements contemplated by the forward-looking statements. These risks and uncertainties include, among other things:

- *Risks associated with the conversion of First Commonwealth’s core information technology systems.*
- *Deteriorating economic conditions.*
- *The costs and effects of legal and regulatory developments including litigation or regulatory or other governmental inquiries and the results of regulatory examinations or reviews.*
- *Fluctuations in interest rates and market prices.*
- *Increases in delinquencies and defaults by borrowers.*
- *Changes in banking regulations and other regulatory or legislative requirements affecting First Commonwealth’s businesses, including laws and regulations concerning taxes, accounting, banking, securities and other aspects of the financial services industry.*
- *The effects of competition, including industry consolidation and development of competing financial products and services.*
- *Changes in consumer or business spending, borrowing, saving and investment behaviors.*
- *Any acquisitions or mergers that might be considered or consummated by First commonwealth and the associated costs and risks, including differences in actual financial results of the acquisition or merger compared to expectations and the realization of anticipated cost savings and revenue enhancements.*
- *Other risks and uncertainties described in this presentation and the other reports that First Commonwealth files with the Securities and Exchange Commission, including its most recent Annual Report on Form 10-K.*

In light of these risks, uncertainties and assumptions, you should not place undue reliance on any forward-looking statements in this presentation. We undertake no obligation to publicly update or otherwise revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Quarterly Income Statement

	2Q14	1Q14	2Q13	Favorable/ (Unfavorable) Linked Quarter	Favorable/ (Unfavorable) Year-over-Year

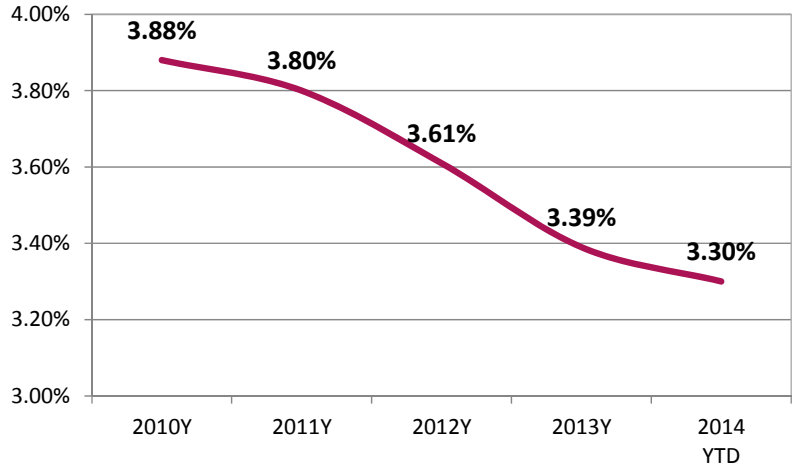
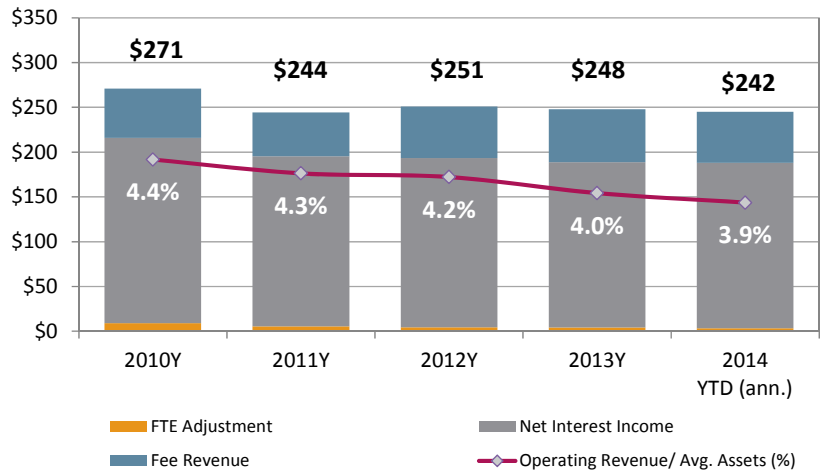
Key Performance Metrics

Net Interest Margin(1)



Operating Revenue(2)



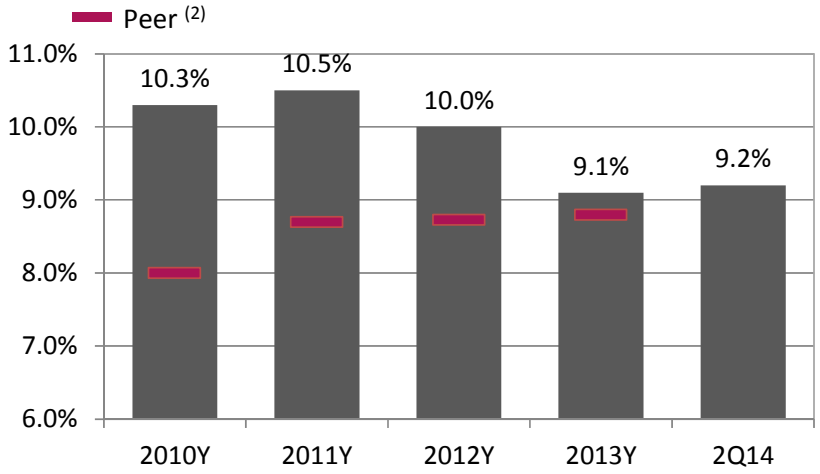
- Net interest margin compression has been partially mitigated year-over-year by:
  - $60 million in average loan growth
  - $79 million in average investment growth
  - $71 million in average noninterest bearing DDA growth

(1) Taxable equivalent
(2) Please refer to page 18 for disclosures on "Non-GAAP Measures"

$ millions; as of June 30, 2014

Regulatory Capital Position

Tangible Common Equity Ratio(1)



- Recent capital management activities include:
  - Increased quarterly dividend from $0.06 to $0.07 in 1Q 2014
  - Repurchased 11.7 million or approximately 11% shares outstanding since June 2012
