NEWS RELEASE

Signet Joins Business Coalition for the Equality Act

4/27/2021

We're proud to announce that we have joined the Human Rights Campaign's Business Coalition for the Equality Act.

We're using our voice for good -- along with other leading U.S. employers -- in full support of federal legislation that would provide the same basic protections to LGBTQ employees as provided to other protected groups under law.

Learn more about the Business Coalition for the Equality Act.
