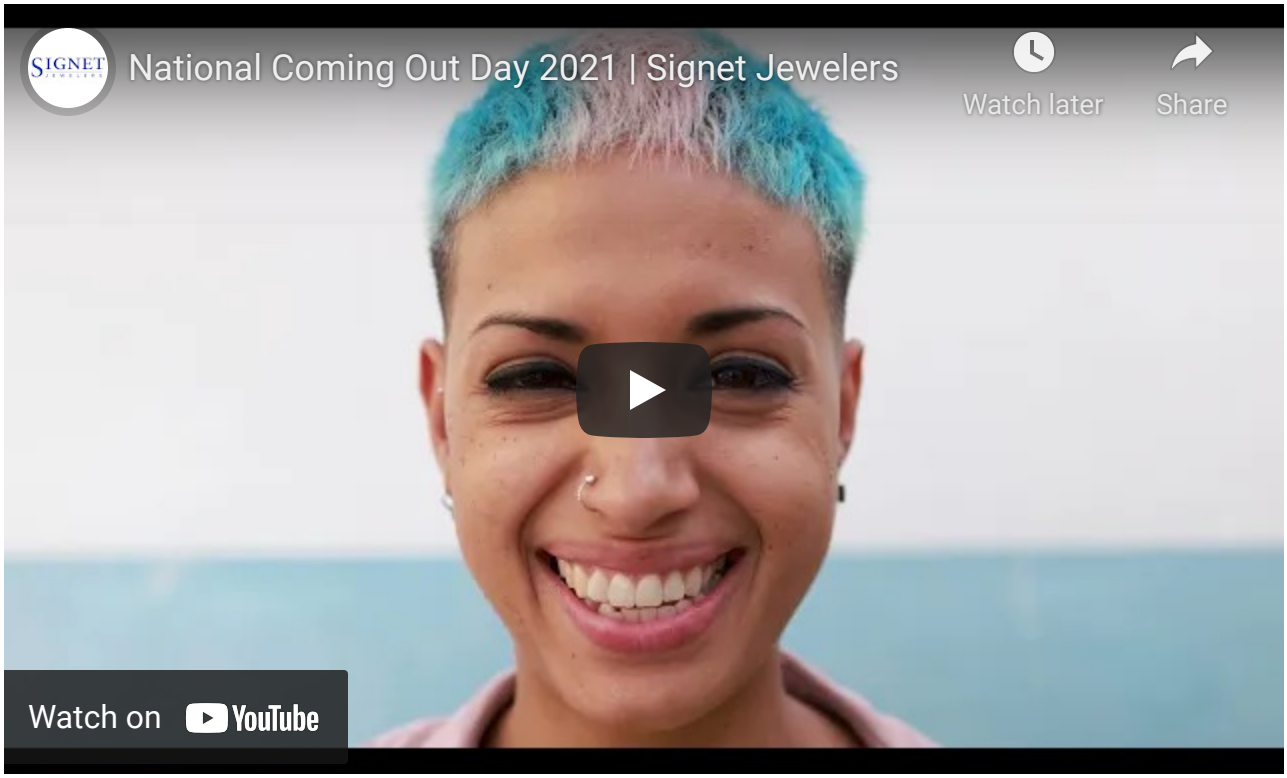
Signet Jewelers Stands in Support of National Coming Out Day

10/11/2021



On Monday, October 11, 2021, the U.S. recognizes National Coming Out Day and the courage it takes to be your authentic self. As a **champion of love and staunch advocate of diversity, inclusion and acceptance**, Signet proudly supports those who find the strength within to come out.

In recognition of National Coming Out Day, the **Signet Love Inspires Foundation** will make a donation to PFLAG, the United States' first and largest organization uniting parents, families, and allies with people who are lesbian, gay, bisexual, transgender, and queer.

There’s no better day to learn how to be better allies and advocates for inclusivity. Colleen Rooney, our Chief Communications Officer, recently sat down with Bob Witek, storied LGBTQ+ advocate and changemaker, where they covered the history of Coming Out Day and his own coming out journey.

Watch their interview:

Every day, our more than 26,000 team members help customers **celebrate all types of love**, because we believe the more love there is in the world, the better it is for all of us.
