During this call, Hanger Orthopedic Group, Inc. will review the Company's financial and operating results for the first quarter ended March 31, 2003.

Hanger Orthopedic Group, Inc., headquartered in Bethesda, Maryland, is the world's premier provider of orthotic and prosthetic patient care services. Hanger is the market leader in the United States, owning and operating nearly 600 patient care centers in 44 states and the District of Columbia, with over 3,000 employees including approximately 900 certified practitioners. Hanger is organized into two business segments: Patient Care which consists of nationwide orthotic and prosthetic practice centers and Southern Prosthetic Supply (SPS) which consists of distribution centers managing the supply chain of orthotic and prosthetic componentry to Hanger and third party patient care centers. In addition, Hanger operates the only orthotic and prosthetic managed care network in the country.

Certain statements included in this press release are forward looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Please refer to the Company's SEC filings for factors that could cause actual results to differ materially from the Company's expectations.
