NEWS RELEASE

Destinations Career Academy of Georgia Welcomes Students to Enroll for 2024-2025 School Year

2/20/2024

ATLANTA--(BUSINESS WIRE)-- Enrollment for the 2024-2025 school year is now open at **Destinations Career Academy of Georgia** (GADCA), a full-time, online public school program currently serving students statewide in grades 6-10.

GADCA will provide students with a standards-aligned curriculum facilitated by Georgia-certified teachers in a platform built for online teaching and learning, from the safety of their homes or anywhere with an internet connection. Through the school's Stride Career Prep program, students can pair a solid academic foundation with hands-on learning experiences in career exploration and in-demand fields such as Business and Informational Technology.

"When it comes to public education in Georgia, students need options that will prepare them for personal and professional success," said Nakia McCall, GADCA's Head of School. "When you enroll in our school, you work with a team of experienced, caring educators. Our Georgia-certified teachers forge partnerships with our students "at home" learning coaches to monitor student's progress, attendance, and content mastery while providing professional insight, instruction, and support."

GADCA's core subjects and career-focused courses will include opportunities for group projects, project-based learning, and one-on-one support from state-based staff in an environment designed for full-time online learning. Students can balance a full academic schedule along with extracurricular pursuits, internships, or other specialized needs. Whether their GADCA high school diploma leads them directly to the workplace, to the military, or to higher education, students will be equipped with the skills they need to get there.

GADCA's curriculum is provided by **Stride, Inc.** , an education leader with more than 20 years of experience delivering online education to students across the country. Stride has worked with schools and districts across all 50 states to help develop local solutions that meet personalized online and blended learning goals.

Enrollment for grades 6-10 at Destinations Career Academy of Georgia is now open for the 2024-2025 school year. For more information, visit **https://gadca.k12.com** .

About Destinations Career Academy of Georgia

Georgia Destinations Career Academy (GADCA) is a full-time online learning program currently serving students statewide in grades 6-10. GADCA is tuition-free to Georgia students and gives families access to curriculum provided by Stride, Inc. The school's Stride Career Prep program combines core high school courses with industry-relevant, career-focused electives. Learners gain real-world skills while gaining work experience and prepare for industry-recognized certification exams.
