ROSCOE, Texas--(BUSINESS WIRE)-- Enrollment is now open for the 2022-23 school year at Lonestar Online Academy at Roscoe (LSOA), a public-school program of the Roscoe Collegiate Independent School District, for students K-6.

The 2022 school enrollment season comes in the midst of yet another COVID surge nationwide, leaving parents scrambling for ideas. According to **some reports**, more parents than ever are looking at ongoing online options for their families.

“Our littlest students need to be safe, but they also need to grow. Our LSOA team has been providing virtual education in Texas for almost 10 years and have the systems and curriculum in place to keep your child moving forward,” said Kyla Pickrell, Head of School at LSOA.

An online public-school program, LSOA is available tuition-free to students in grades K-6 who reside anywhere in the state. Many families and students choose LSOA because it provides an alternative to traditional brick-and-mortar education.
