

Enrollment is Open for Students Across Indiana Looking for a Personalized Approach to Learning

2/22/2024

INDIANAPOLIS--(BUSINESS WIRE)-- Enrollment is now open for the 2024-2025 school year for K12's, full-time, tuition-free online public-school programs. Many students could benefit from the alternative education offered by online tuition-free public schools tailored to their needs, and virtual schools in Indiana are ready to welcome them. These schools include Indiana Digital Learning School, Indian Gateway Digital Academy, and Hoosier College and Career Academy.

Indiana's online schools draw on decades of experience in online education to offer high-quality education that meets state standards and is personalized to each student. The schools offer in-person events, field trips, clubs, esports, and many other touchpoints to help students stay connected in a digital learning environment.

Online education provides parents and guardians with a proven learning alternative that prepares students for success beyond the classroom while allowing for greater flexibility in their schedules. Indiana's online schools offer customized course options, so students can achieve their academic goals at their own pace in a productive and safe environment. Each school offers college and career prep, and dual-credit opportunities for students looking for an academic challenge. Specialized credit recovery programs are also available, enabling students to graduate on time.

Virtual schools in Indiana provide students access to a robust online curriculum in the core subjects with a host of electives and live virtual classes taught by state-certified teachers.

Enrollment is currently open for families throughout Indiana searching for alternative learning environments. To learn about enrolling, visit www.k12.com/indiana-online-schools.
