

Lone Star Online Academy at Roscoe Celebrates Inaugural Kindergarten Class

5/12/2021

Students Enrolled in the School's First Kindergarten Class Will Be Recognized with a Virtual Graduation Ceremony

ROSCOE, Texas--(BUSINESS WIRE)-- After a school year unlike any other, **Lone Star Online Academy at Roscoe** (LSOA), an online public school serving students in Pre-K through 5th grade across Texas, will recognize their first group of kindergarten graduates in a virtual ceremony.

Coming at the conclusion of LSOA's inaugural year, the virtual graduation will recognize the hard work of these students to finish their first year of school in an entirely online school. 280 students will be recognized in the ceremony.

"We are excited to recognize our young students for their success in our virtual environment," said LSOA Head of School Elizabeth Nelson. "In a year with so many challenges, it is wonderful to still help these students and their families celebrate an important milestone. We are all excited to see them continue to grow and shoot for the stars as they progress through school in the years ahead."

Students choose online school for a variety of reasons, including advanced learning, a bullying-free environment, and the ability to support medical needs or extracurricular pursuits. LSOA's online platform gives students the opportunity to pursue their academic goals in a supportive environment with an appropriate pace for their learning style.

Details of the graduation ceremonies are as follows:
