

Set Your Children Up For Success: iQ Academy Minnesota Now Accepting Enrollments for 2021-2022 School Year

2/26/2021

FERGUS FALLS, Minn.--(BUSINESS WIRE)-- After an academic year like no other, **iQ Academy Minnesota** (iQMN), an accredited, full and part-time online public school program of Independent School District No. 544 (Fergus Falls) serving K-12 students statewide, is welcoming students to enroll for the 2021-2022 school year.

iQMN is tuition-free to all students who reside in Minnesota and offers a personalized approach to learning, delivering rich, engaging curriculum designed to assist students who seek alternative pathways to education.

iQMN students are offered a full course load in the core subjects of math, science, history, and English/language arts, as well as world languages, music, and art. Electives are available to high school students, as well as concurrent college enrollment opportunities through the state's Post-Secondary Enrollment Option (PESO) program. Students are offered exposure to academic and career-focused content as they work towards their high school diploma.

"At iQ Academy Minnesota, education is our passion," said Theresa Gallagher, Operations Manager. "Throughout the year we provide families with a safe, trusted online learning option where students continue to grow and explore the many paths they have to achieve success."

iQMN offers individual, tuition-free online courses through the **Part-Time Online Supplemental Courses** program available to any student in grades 6-12, statewide, who is currently attending a public school within his or her resident district.

Students choose online school for a variety of reasons including advanced learning, a bullying-free environment, and the ability to support extracurricular pursuits or medical needs. iQMN's online platform gives students the opportunity to pursue their academic goals in a supportive environment and at an appropriate pace for their learning style.
