

West Virginia Virtual Academy Now Enrolling for the 2024-2025 School Year for Grades K Through 12

2/23/2024

CHARLESTON, W.V.--(BUSINESS WIRE)-- **West Virginia Virtual Academy (WVA)**, a full-time online public charter school serving K-12 students throughout the state, is welcoming students to enroll for the 2024-2025 school year.

WVA is the state leader in providing safe, alternative education options while giving students a personalized experience and providing them with what they need to succeed.

WVA is tuition-free to all students who reside in West Virginia, staffed by state-licensed teachers, and is an authorized charter school in West Virginia. They offer a personalized approach to learning, delivering a rich, engaging curriculum designed to assist students who seek alternative pathways to education and parents who desire choice in education options.

In addition to offering 12th grade this year, WVA students can explore rigorous courses and skill-building electives that enable them to pursue further education or career options.

"We are not only thrilled with our continued growth, but also the opportunity for students to experience a variety of options in their education," said **Doug Cipoletti**, Executive Director. "Our first set of students have completed dual credit courses through our partnership with Pierpont Community and Technical College."

Students choose online school for a variety of reasons including advanced learning, a bullying-free environment, and the ability to support extracurricular pursuits or medical needs. WVA's online platform gives students the opportunity to pursue their academic goals in a supportive environment and at an appropriate pace for their learning style.

“Attending WVVA has been one of the best choices in my life, said **Kamara Forren-Gardner, an 11th-grade student at WVVA.** “I have the freedom and flexibility to learn at my own pace while receiving amazing support and guidance from my dedicated teachers.”
