

## Environmental, Health and Safety Management Policy Statement

---

Cabot Oil & Gas Corporation (COGC) is committed to conducting its business with respect and care for people, property, and the environment. Exemplary safety performance is an integral part of our culture and contributes to promoting the health, safety and wellbeing of our employees, our contractors and local communities, while also maintaining the quality of the environment in which we live and work.

### **Through management leadership and employee involvement, COGC strives to:**

- ✓ Comply with applicable environmental, health and safety laws, regulations and COGC policies
- ✓ Minimize the environmental impact and risks associated with our operations by reducing pollution, wastes and emissions, and conserving energy and natural resources
- ✓ Maintain effective emergency preparedness and response programs
- ✓ Continually improve environmental, health and safety performance with a management system designed to establish goals and assess performance
- ✓ Promote employee responsibility and accountability for our environmental, health and safety performance
- ✓ Work with our partners, contractors and suppliers to achieve environmental, health and safety performance consistent with COGC objectives
- ✓ Promote open communication with our employees, the community and regulatory agencies on environmental, health and safety matters
