PROXY STATEMENT

We are sending this Proxy Statement and the enclosed Proxy Card to our Class A and Class B common stockholders on or about April 18, 2016, in connection with the solicitation of proxies by the Board of Directors of Empire State Realty Trust, Inc., a Maryland corporation, for use at the 2016 annual meeting of stockholders to be held on Tuesday, May 31, 2016, at 11:00 a.m., local (Eastern) time, at The Roosevelt Hotel, 45 East 45th Street, Second Floor, New York, New York 10017 or at any postponement or adjournment of the meeting. References in this Proxy Statement to (i) “we,” “us,” “our,” “ours,” and the “company” refer to Empire State Realty Trust, Inc. and its consolidated subsidiaries and (ii) “stockholders” refers to holders of our Class A common stock and Class B common stock, unless the context otherwise requires.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL STOCKHOLDERS MEETING

Who is entitled to vote at the meeting?

Holders of record of our Class A common stock and Class B common stock at the close of business on March 24, 2016, which is referred to in this Proxy Statement as the “record date,” are entitled to attend and vote their shares at the Annual Stockholders Meeting. Class B common stock is subject to automatic conversion into Class A common stock upon the transfer other than to a qualified transferee of units of limited partnership (“operating partnership units”) in Empire State Realty OP, L.P. (our “operating partnership”) by a holder thereof (or his/her/its qualified transferee). We may request verification from holders of Class B common stock of their (or their qualified transferee’s) continued ownership of operating partnership units in connection with the counting of votes associated with Class B common stock.

Who may attend the meeting?

You are entitled to attend the Annual Stockholders Meeting only if you were a stockholder of record of shares of Class A common stock or Class B common stock of Empire State Realty Trust, Inc. at the close of business on the record date, or you hold a valid proxy for the meeting. In order to be admitted to the Annual Stockholders Meeting, you must present valid government-issued photo identification (such as a driver’s license or passport) and proof of ownership of shares of our common stock on the record date. Proof of ownership can be accomplished through the following:

- a brokerage statement or letter from your broker or custodian with respect to your ownership of shares of our common stock on the record date;
- the Notice of Internet Availability of Proxy Materials;
- a printout of the proxy distribution email (if you receive your materials electronically);
- a Proxy Card;
- a voting instruction form; or
- a “legal proxy” provided by your broker or custodian.

We reserve the right to determine the validity of any purported proof of beneficial ownership. For the safety and security of our stockholders, we will be unable to admit you to the Annual Stockholders Meeting if you do not present

QUESTIONS AND ANSWERS ABOUT THE ANNUAL STOCKHOLDERS MEETING

photo identification and proof of ownership of shares of our common stock or if you otherwise refuse to comply with our security procedures. Cameras, recording devices and other electronic devices will not be permitted, and attendees may be subject to security inspections and other security precautions.

Why did I receive a notice in the mail regarding the Internet availability of the proxy materials, instead of a paper copy of the proxy materials?

Under rules adopted by the Securities and Exchange Commission, or the SEC, we may furnish proxy materials to our stockholders primarily over the Internet, instead of mailing a printed copy. We believe that this process should expedite stockholders' receipt of proxy materials, lower the costs of our Annual Stockholders Meeting and help to conserve natural resources. On or about April 18, 2016, we mailed to most of our stockholders a Notice of Internet Availability of Proxy Materials (the "Notice of Availability") containing instructions on how to access and review the proxy materials, including this Proxy Statement and our Annual Report, on the Internet and instructions on how to vote on the Internet, in person, or by mail. The Notice of Availability also contains instructions on how to receive a paper or electronic copy of the proxy materials. If you received a Notice of Availability by mail, you will not receive a printed copy of the proxy materials unless you request one. If you received paper copies of our proxy materials, you may also view these materials over the Internet by following the instructions contained in the Notice or Proxy Card. The Proxy Statement and our Annual Report are available at www.proxyvote.com.

What is the purpose of the meeting?

At the Annual Stockholders Meeting, you will be asked to vote on the following:

Proposal 1:	to elect the seven director nominees named in this Proxy Statement to serve on our Board of Directors until the next annual meeting of stockholders and until their successors are duly elected and qualified;
Proposal 2:	to approve, on a non-binding, advisory basis, the compensation of our named executive officers; and
Proposal 3:	to ratify the selection of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016.

You may also be asked to consider and act upon any other matters that may properly be brought before the Annual Stockholders Meeting or at any adjournments or postponements thereof.

What constitutes a quorum?

The presence, in person or by proxy, of Class A and Class B common stockholders entitled to cast a majority of all votes entitled to be cast at the Annual Stockholders Meeting is necessary to constitute a quorum for the transaction of business at the meeting. Holders of Class A common stock are entitled to one vote per share. Holders of Class B common stock are entitled to fifty votes per share, to the extent they own 49 limited partnership units in our operating partnership for each share of Class B common stock so voted. Holders of Class A common stock and Class B common stock vote together as a single class on the matters to be considered at the Annual Stockholders Meeting, and their votes are counted and totaled together. As of March 24, 2016, 120,586,059 shares of Class A common stock totaling 120,586,059 votes entitled to be cast and, to our knowledge, 1,107,290 shares of Class B common stock totaling 55,364,500 shares entitled to be cast were outstanding, so that an aggregate of 175,950,559 votes are entitled to be cast. Class A and Class B common stockholders do not have the right to cumulative voting for the election of directors or otherwise.

What vote is needed to approve each proposal?

The affirmative vote of a plurality of all the votes cast at the Annual Stockholders Meeting at which a quorum is present is necessary for election of the nominees for the directors named in this Proxy Statement. In addition, our

Policy on Majority Voting sets forth our procedures if a nominee is elected but receives a greater number of “against” votes than votes “for” in an uncontested election. See “Corporate Governance Matters — Policy on Majority Voting.” A majority of all the votes cast at the Annual Stockholders Meeting at which a quorum is present is necessary for: (i) approval, on a non-binding, advisory basis, of the compensation to our named executive officers and (ii) ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016. We will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence or absence of a quorum. Abstentions do not constitute a vote “for” or “against” any matter being voted on at the Annual Stockholders Meeting and will not be counted as “votes cast.” Therefore, abstentions will have no effect on Proposals 1 through 3 or any other matter that may properly be brought before the Annual Stockholders Meeting or at any adjournment or postponement thereof, assuming a quorum is present. Broker “non-votes,” or proxies from brokers or nominees indicating that such broker or nominee has not received instructions from the beneficial owner or other entity entitled to vote such shares on a particular matter with respect to which such broker or nominee does not have discretionary voting power, will be treated in the same manner as abstentions for purposes of the Annual Stockholders Meeting. There will not be any broker non-votes with respect to Proposal 3, because Proposal 3 is a routine matter on which brokers are permitted to vote without instructions from the beneficial owner. If you are a beneficial owner whose shares of common stock are held of record by a broker, your broker has discretionary voting authority under the New York Stock Exchange, Inc. (“NYSE”) rules to vote your shares on Proposal 3, even if the broker does not receive voting instructions from you. However, under the NYSE rules, your broker does not have discretionary authority to vote on Proposals 1 and 2 or any other matter that may properly be brought before the Annual Stockholder Meeting or any adjournment or postponement thereof without instructions from you, in which case a broker “non-vote” will occur and your shares of common stock will not be voted on these matters at the Annual Stockholders Meeting. None of the proposals, if approved, entitle any of our stockholders to appraisal rights under Maryland law or our charter.

How do I vote?

Voting in Person at the Meeting . If you are a Class A or Class B common stockholder of record and attend the Annual Stockholders Meeting, you may vote in person at the meeting. If your shares of common stock are held in street name and you wish to vote in person at the meeting, you will need to obtain a “legal proxy” from the broker, bank or other nominee that holds your shares of common stock of record.

Voting by Proxy for Shares Registered Directly in the Name of the Stockholder . QUESTIONS AND ANSWERS ABOUT THE ANNUAL STOCKHOLDERS MEETING

Voting by Proxy for Shares Registered in Street Name . If your shares of common stock are held in street name, you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares of common stock voted.

Please see the Notice of Availability and/or Proxy Card for further instructions on how to submit your vote. If you have any question regarding how to authorize your proxy by telephone or by Internet, please call (212) 850-2678.

May I change my vote after I submit my Proxy Card?

If you cast a vote by proxy, you may revoke it at any time before it is voted by:

- filing a written notice revoking the proxy with our Corporate Secretary at our address;
- properly executing and forwarding to us a proxy with a later date; or
- appearing in person and voting by ballot at the Annual Stockholders Meeting.

If you attend the Annual Stockholders Meeting, you may vote in person whether or not you have previously given a proxy, but your presence (without further action) at the Annual Stockholders Meeting will not constitute revocation of a previously given proxy.

How does the Board recommend that I vote on each of the proposals?

Our Board of Directors recommends that you vote:

Proposal 1 : the election of the seven director nominees named in the enclosed Proxy Statement to serve on our Board of Directors until the next annual meeting of stockholders and until their successors are elected and qualified;	FOR
Proposal 2 : the approval, on a non-binding, advisory basis, of the compensation of our named executive officers; and	FOR
Proposal 3 : the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016.	FOR

How is my vote counted?

If you properly execute a proxy, and if we receive it prior to voting at the meeting, or authorize your proxy to vote your shares in person, electronically through the Internet or by telephone, the shares of common stock that the proxy represents will be voted in the manner specified on the proxy. If no specification is made, the shares of common stock will be voted FOR: (i) election of the director nominees named in this Proxy Statement; (ii) approval, on a non-binding, advisory basis, of our named executive officer compensation; and (iii) ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016; and (iv) as recommended by our Board of Directors with regard to all other matters in its discretion. It is not anticipated that any matters other than those set forth in the Proxy Statement will be presented at the meeting. No stockholder proposals or nominations were received on a timely basis, so no such matters may be brought to a vote at the Annual Stockholders Meeting. If other matters are presented, proxies will be voted at the discretion of the proxy holders.

What other information should I review before voting?

For your review, we make available free of charge through our website at www.empirestaterealtytrust.com, under the headings “Investors/SEC Filings,” our Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, Current Reports on Form 8-K, and all amendments to those reports as soon as reasonably practicable after such material is electronically filed with or furnished to the SEC. Further, we will provide, without charge to each stockholder upon written request, a copy of our and our operating partnership’s Annual Reports on Form 10-K (including our consolidated financial statements, schedules and list of exhibits), Quarterly Reports on Form 10-Q, Current Reports on

Form 8-K, and all amendments to those reports as soon as reasonably practicable after such material is electronically filed with or furnished to the SEC. Requests for copies should be addressed to Corporate Secretary, Empire State Realty Trust, Inc., One Grand Central Place, 60 East 42nd Street, New York, New York 10165. Copies may also be accessed electronically by means of the SEC's home page on the Internet at www.sec.gov. Neither our Annual Report on Form 10-K for the year ended December 31, 2015 nor the 2015 Annual Report to Stockholders shall constitute a part of the proxy solicitation materials.

How do I change the way I receive proxy materials in the future?

Instead of receiving a Notice of Availability in the mail for future meetings, stockholders may elect to receive links to proxy materials by e-mail or to receive a paper copy of the proxy materials and a paper proxy card by mail. If you elect to receive proxy materials by e-mail, you will not receive a Notice of Availability in the mail. Instead, you will receive an e-mail with links to proxy materials and online voting. In addition, if you elect to receive a paper copy of the proxy materials, or if applicable rules or regulations require paper delivery of the proxy materials, you will not receive a Notice of Availability in the mail. If you received a paper copy of the proxy materials or the Notice of Availability in the mail, you can eliminate all such paper mailings in the future by electing to receive an e-mail that will provide Internet links to these documents. Opting to receive all future proxy materials online will save us the cost of producing and mailing such documents to you and help us conserve natural resources. You can change your election by directing your request in writing to Empire State Realty Trust, Inc., One Grand Central Place, 60 East 42nd Street, New York, New York 10165, Attention: Investor Relations, by sending a blank e-mail with the 12-digit control number on your Notice of Internet Availability to sendmaterial@proxyvote.com, via the Internet at www.proxyvote.com, or by telephone at (212) 850-2678. Your election will remain in effect until you change it.

What should I do if I received more than one Notice of Availability?

There are circumstances under which you may receive more than one Notice of Availability. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each such brokerage account. In addition, if you are a stockholder of record and your shares are registered in more than one name, you will receive more than one Notice of Availability. Please authorize your proxy in accordance with the instructions of each Notice of Availability separately, since each one represents different shares that you own.

PROPOSAL 1: ELECTION OF DIRECTORS

Our Board of Directors currently consists of seven members, each serving for a term of one year and until the successor is duly elected and qualified. The term expires at each annual meeting of stockholders. Our charter and bylaws provide that a majority of the entire Board of Directors may at any time increase or decrease the number of directors. However, the number of directors may never be less than the minimum number required by the Maryland General Corporation Law, or the MGCL, and unless our charter and bylaws are amended, may never be more than 15. Peter L. Malkin, our Chairman Emeritus, may attend meetings of our Board of Directors, but will not have board member voting status.

At the Annual Stockholders Meeting, all of the directors will be elected to serve until the 2017 annual meeting of stockholders and until their successors are duly elected and qualified. Our Board of Directors, upon recommendation of the Nominating and Corporate Governance Committee, has nominated Anthony E. Malkin, William H. Berkman, Alice M. Connell, Thomas J. DeRosa, Steven J. Gilbert, S. Michael Giliberto, and James D. Robinson IV to serve as directors. Each of these persons currently serves as a member of the Board and has consented to being named in this Proxy Statement and to serve as a director, if elected. If any nominee is unable to accept election, proxies voted in favor of such nominee will be voted for the election of such other person or persons as our Board of Directors may select.

The election of each nominee requires the affirmative vote of a plurality of all the votes cast at the Annual Stockholders Meeting at which a quorum is present in person or by proxy. In addition, our Policy on Majority Voting sets forth our procedures if a nominee is elected but receives a greater number of “against” votes than “for” votes in an uncontested election. See “Corporate Governance Matters — Policy on Majority Voting.”

We believe that each of our directors, including the director nominees, has the specific experience, qualifications, attributes, and skills necessary to serve as an effective director on our Board of Directors. A description of our process for identifying and evaluating director nominees, as well as our criteria for membership to our Board of Directors, is set forth under the heading “Corporate Governance Matters — Consideration of Director Candidates.”

Our Board of Directors unanimously recommends a vote “FOR” each nominee as a director.

Compensation of Directors

Members of our Board of Directors who are not independent receive no additional compensation for their services as directors. Each independent director receives an annual base retainer for his or her services of \$172,500. The annual base retainer is paid 40% in cash and 60% in long term incentive units of partnership interest in our operating partnership (“LTIP units”) issued pursuant to the Empire State Realty Trust, Inc. and Empire State Realty OP, L.P. 2013 Equity Incentive Plan (our “Equity Incentive Plan”) and/or restricted shares of our Class A common stock (at such director’s election) under our Equity Incentive Plan, which will vest *pro rata* on an annual basis over a period of three years, provided that, each independent director may elect to receive up to 100% of the annual base retainer in the form of LTIP units and/or restricted shares. The independent director who is appointed as the lead independent director (currently Steven J. Gilbert) receives an additional annual cash retainer of \$30,000. The chair of each of the Audit Committee, Compensation Committee, Finance Committee and Nominating and Corporate Governance Committee of our Board of Directors receives an additional annual cash retainer of \$15,000, \$12,500, \$12,500 and \$10,000, respectively. In addition, each independent director who serves on the Audit, Compensation, Finance, and Nominating and Corporate Governance Committees of our Board of Directors, other than in the capacity of chair, receives an additional annual cash retainer of \$5,000 per committee. Independent directors and committee members will generally not be eligible to receive fees for attending meetings of our Board of Directors or meetings of committees of our Board of Directors. However, to the extent that our Board of Directors or a particular committee of our Board of Directors meets in excess of eight times per annum, the independent directors or committee members, as applicable, will receive a fee of \$1,500 for attending each meeting of our Board of Directors or meeting of the committee of our Board of Directors in excess of such threshold. We also reimburse each of our independent directors for his or her travel expenses incurred in connection with his or her attendance at full Board of Directors and committee meetings.

The following table sets forth the compensation earned by our independent directors for the year ended December 31, 2015:

Name (1)	2015 Director Compensation		
	Fees Earned or Paid in Cash (\$)	Stock Awards (1) (\$)	Total (\$)
William H. Berkman	91,500	98,317	189,817
Alice M. Connell	79,719	98,317	178,036
Thomas J. DeRosa	79,000	98,317	177,317
Steven J. Gilbert	111,288	98,317	209,605
S. Michael Giliberto	81,288	98,317	179,605
James D. Robinson IV	74,000	98,317	172,317

* The columns “Option Awards,” “Non-Equity Incentive Plan Compensation,” “Change in Pension Value and Nonqualified Deferred Compensation Earnings,” and “All Other Compensation” were omitted from this table, because no such compensation was earned by our independent directors for the year ended December 31, 2015.

(1) The Stock Awards were made in the form of LTIP units that vest *pro rata* on an annual basis over a period of three years after the date of grant, subject to acceleration in the event an independent director has a termination of service on account of death, “disability” or in the event of a “change in control” and termination of service thereafter (each of the foregoing terms as defined in our Equity Incentive Plan). Amounts shown do not reflect compensation actually received by the named director. Instead, the amount shown is the aggregate grant date fair value of LTIP units issued to the director as determined pursuant to Financial Accounting Standards Board’s Accounting Standards Codification Topic 718 “Compensation — Stock Compensation,” or FASB ASC Topic 718, which is \$16.82 per unit. The assumptions used to calculate the grant date fair value of such awards are set forth under Note 11 of the Notes to the 2015 Consolidated Financial Statements included in our Annual Report on Form 10-K for the year ended December 31, 2015.

Additional information relating to the corporate governance of our company is also set forth below and included in other sections of this Proxy Statement.

Corporate Governance Guidelines

Our Board of Directors has adopted Corporate Governance Guidelines that address significant issues of corporate governance and set forth procedures by which our Board of Directors carries out its responsibilities. Among the areas addressed by the Corporate Governance Guidelines are director qualification standards, director responsibilities, director access to management and independent advisors, director compensation, director orientation and continuing education, management succession, annual performance evaluation of our Board of Directors, management responsibilities and meeting procedures. These guidelines meet or exceed the listing standards adopted by the NYSE, on which our Class A common stock is listed. Our Nominating and Corporate Governance Committee is responsible for assessing and periodically reviewing the adequacy of the Corporate Governance Guidelines and will recommend, as appropriate, proposed changes to our Board of Directors.

Code of Business Conduct and Ethics

Our Board of Directors has adopted a Code of Business Conduct and Ethics that applies to our directors and officers. Among other matters, our Code of Business Conduct and Ethics is designed to deter wrongdoing and to promote:

- honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- full, fair, accurate, timely and understandable disclosure in our SEC reports and other public communications;
- compliance with applicable governmental laws, rules and regulations;
- prompt internal reporting of violations of the code to appropriate persons identified in the code; and
- accountability for adherence to the Code of Business Conduct and Ethics.

Any waiver of the Code of Business Conduct and Ethics for our directors or officers may be made only by our Board of Directors or one of our board committees. We intend to disclose on our website any amendment to, or waiver of, any provision of the Code of Business Conduct and Ethics applicable to our directors and executive officers that would otherwise be required to be disclosed under the rules of the SEC or the NYSE Rules.

Director Independence

Background. Our Corporate Governance Guidelines provide that a majority of our directors serving on our Board of Directors must be independent as required by the listing standards of the NYSE and the rules promulgated by the SEC. In addition, our Board of Directors has adopted director independence standards that assist our Board of Directors in making determinations with respect to the independence of directors.

Independence determinations made by our Board of Directors. Our Board of Directors has determined, based upon its review of all relevant facts and circumstances and after considering all applicable relationships of which our Board of Directors had knowledge between or among the directors and the company or our management, that each of our directors, other than Anthony E. Malkin, has no material relationship with us (either directly or as a partner,

stockholder or officer of an organization that has a relationship with us) and is “independent” as defined in the NYSE listing standards, the applicable SEC rules, and our director independence standards. No director participated in the final determination of his own independence.

Consideration of Director Candidates

The Nominating and Corporate Governance Committee considers properly submitted stockholder recommendations for candidates for membership on our Board of Directors as described below under “Identifying and evaluating candidates for directors.” In evaluating such recommendations, the Nominating and Corporate Governance Committee seeks to achieve a balance of knowledge, experience and capability on our Board of Directors and to address the membership criteria set forth below under “Director qualifications.” Any stockholder recommendation for consideration by the Nominating and Corporate Governance Committee should include the nominee’s name and qualifications for Board of Directors membership. The recommending stockholder should also submit evidence of the stockholder’s ownership of our shares, including the number of shares owned and the length of time of ownership. The recommendation should be addressed to the Corporate Secretary, Empire State Realty Trust, Inc., One Grand Central Place, 60 East 42nd Street, New York, New York 10165.

Director qualifications . Our Corporate Governance Guidelines contain the membership criteria for our Board of Directors. Directors should (i) possess the highest personal and professional ethics and integrity, exercise good business judgment and be committed to representing the long-term interests of the company and our stockholders and (ii) have an inquisitive and objective perspective, practical wisdom and mature judgment. We endeavor to have a board representing a diverse experience that provides knowledge of business, financial, governmental or legal matters that are relevant to our business and to our status as a publicly owned company.

Directors must be willing to devote sufficient time and effort to carrying out their duties and responsibilities effectively and should be committed to serve on our Board of Directors for an extended period of time. A director who also serves as chief executive officer or holds an equivalent position at another company should not serve on more than two other boards of public companies in addition to our Board of Directors, and other directors should not serve on more than four other boards of public companies in addition to our Board of Directors. Current positions in excess of these limits may be maintained, unless our Board of Directors determines that doing so would impair the quality of the director’s service to our Board of Directors.

The Nominating and Corporate Governance Committee ensures that the potential nominee is not an employee or agent of, and does not serve on the board of directors or similar managing body of, any of our competitors and determines whether the potential nominee has an interest in any transactions to which we are a party.

Prior to a vote as to whether a potential nominee is recommended to our Board of Directors, each member of the Nominating and Corporate Governance Committee is provided reasonable access to such potential nominee. Such access includes a reasonable opportunity to interview such potential nominee in person or by telephone and to submit questions to such potential candidate. In addition, each potential nominee provides the Nominating and Corporate Governance Committee with a written detailed biography and identifies the committees of our Board of Directors, if any, on which the potential nominee would be willing to serve.

Identifying and evaluating candidates for director . The Nominating and Corporate Governance Committee may solicit recommendations for director nominees from any or all of the following sources: non-management directors, the Chairman and Chief Executive Officer, other executive officers, third-party search firms or any other source it deems appropriate. As described above, the Nominating and Corporate Governance Committee will also consider candidates recommended by stockholders.

The Nominating and Corporate Governance Committee will review and evaluate the qualifications of any proposed director candidate that it is considering in compliance with the Nominating and Corporate Governance Committee’s procedures for that purpose, and conduct inquiries it deems appropriate into the background of these proposed director candidates. In identifying and evaluating proposed director candidates, the Nominating and Corporate Governance Committee may consider, in addition to the minimum qualifications for Nominating and Corporate Governance Committee-recommended director nominees, all facts and circumstances that it deems appropriate or advisable,

CORPORATE GOVERNANCE MATTERS

including, among other things, the skills of the proposed director candidate, his or her depth and breadth of business experience, his or her independence and the needs of our Board. In identifying director nominees, the Nominating and Corporate Governance Committee and our Board of Directors may consider diversity when identifying and evaluating proposed director candidates. Our Board of Directors does not discriminate on the basis of race, color, national origin, gender, religion, disability, or sexual preference in selecting director candidates. Each director must represent the interests of all of our stockholders. As noted above, the Nominating and Corporate Governance Committee, when recommending director candidates to the full Board for nomination, may consider whether a director candidate, if elected, assists in achieving a mix of board members that represents a diversity of background and experience. The Nominating and Corporate Governance Committee will evaluate all proposed director candidates whom it considers or who have been properly recommended to it by stockholders based on the same criteria and in substantially the same manner, without regard to the source of the initial recommendation of the proposed director candidate.

There are no nominees for election to our Board of Directors this year who have not previously served as one of our directors.

Policy on Majority Voting

Our Board of Directors has adopted a policy regarding the election of directors in uncontested elections. Pursuant to such policy, in an uncontested election of directors, any nominee who receives a greater number of votes affirmatively “against” his or her election than votes “for” his or her election will, within two weeks following certification of the stockholder vote by our company, submit a written resignation offer to our Board of Directors for consideration by our Nominating and Corporate Governance Committee. Our Nominating and Corporate Governance Committee will consider the resignation offer and, within 60 days following certification by our company of the stockholder vote with respect to such election, make a recommendation to our Board of Directors concerning the acceptance or rejection of the resignation offer. Our Board of Directors will take formal action on the recommendation no later than 90 days following certification of the stockholder vote by our company. We will publicly disclose, in a Current Report on Form 8-K or periodic report filed with the SEC, the decision of our Board of Directors. Our Board of Directors will also provide an explanation of the process by which the decision was made and, if applicable, its reason or reasons for rejecting the tendered resignation.

Leadership Structure of our Board of Directors

Our Board of Directors understands that there is no single, generally accepted approach to providing board leadership and that, given the dynamic and competitive environment in which we operate, the appropriate leadership may vary as circumstances warrant. Our Board of Directors does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of our Board of Directors. Our Board of Directors consists of a majority of independent and non-executive directors. Our Board of Directors currently believes it is in our company’s best interests to have Anthony E. Malkin serve as Chairman of our Board of Directors and Chief Executive Officer. Our Board of Directors believes combining these roles promotes effective leadership and provides the clear focus needed to execute our business strategies and objectives.

Our Board of Directors has appointed Steven J. Gilbert as its lead independent director. The lead independent director’s duties include chairing executive sessions of the independent directors, facilitating communications and resolving conflicts between the independent directors, other members of our Board of Directors and the management of our company, and consulting with and providing counsel to our Chief Executive Officer as needed or requested.

Our Board of Directors’ Role in Risk Oversight

While risk management is primarily the responsibility of our senior management team, our Board of Directors plays an active role in overseeing management of our company’s risks. The committees of our Board of Directors assist the full board in risk oversight by addressing specific matters within the purview of each committee. The Audit Committee focuses on oversight of financial risks relating to the company; the Compensation Committee focuses primarily on risks relating to executive compensation plans and arrangements; the Finance Committee focuses on risks relating to our capital structure and strategies; and the Nominating and Corporate Governance Committee focuses on reputational and corporate

governance risks relating to our company, including the independence of the members of our Board of Directors. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the full Board of Directors keeps itself regularly informed regarding such risks through committee reports and otherwise.

Our company's senior management team reports to our Board of Directors on the company's tenant base, leverage policies, any material litigation, compliance with applicable REIT rules, cybersecurity, and other risk-related matters. In addition, members of our Board of Directors have the opportunity to routinely meet with members of senior management, as appropriate, in connection with their consideration of matters submitted for the approval of our Board of Directors and the risks associated with such matters.

In addition to our Board of Directors' review of risks applicable to our company generally, the board will conduct annual reviews in order to evaluate performance for the purpose of improving board and committee processes and effectiveness and setting forth the goals and objectives of the Board and each committee for each year.

We maintain a Disclosure Committee consisting of certain members of our executive management and senior employees. Our Disclosure Committee meets at least quarterly. The purpose of our Disclosure Committee is to bring together representatives from our core business lines and employees involved in the preparation of our financial statements so that the group can discuss any issues or matters of which the members are aware that should be considered for disclosure in our public SEC filings. Our Disclosure Committee reports to our Chief Executive Officer and Chief Financial Officer.

Executive Sessions of Independent Directors

The independent members of our Board of Directors meet in executive session after each regularly scheduled meeting of our Board of Directors without the presence of any persons who are part of our management. The executive sessions are chaired by our lead independent director.

Director Attendance at Annual Stockholders Meetings

We encourage each member of our Board of Directors to attend each annual meeting of stockholders. Each member of our Board of Directors attended our 2015 Annual Stockholders Meeting, either in person or by teleconference.

Audit Committee Financial Experts

Our Board of Directors has determined that each of S. Michael Giliberto, Alice M. Connell and Thomas J. DeRosa is an "audit committee financial expert" as defined in Item 407(d)(5) of SEC Regulation S-K, and that each of them is "independent" as such term is defined by the applicable rules of the SEC and NYSE. Each of them has agreed to serve as our Audit Committee financial expert.

Communications with our Board of Directors

We have a process by which stockholders and/or other parties may communicate with our Board of Directors, our independent directors as a group or our individual directors by e-mail or regular mail. Any such communication may be made anonymously. All communications by e-mail should be sent to ir@empirestaterealtytrust.com at Integrated Corporate Relations Inc. (ICR). Communications sent by regular mail should be sent to the attention of the Independent Directors, the Lead Director, the Chair of the Audit Committee, the Chair of the Compensation Committee, or the Chair of the Nominating and Corporate Governance Committee, as the case may be, in each instance in care of the company's Chief Financial Officer at the company's office at One Grand Central Place, 60 East 42nd Street, New York, New York 10165.

ICR or the company's representative, as the case may be, will review each communication received in accordance with this process to determine whether the communication requires immediate action. ICR will forward all appropriate communication to the company's Chief Financial Officer. All appropriate communications received, or a summary of such communications, will then be forwarded to the appropriate member(s) of our Board of Directors. However, we reserve the right to disregard any communication that the company's Chief Financial Officer determines is unduly

CORPORATE GOVERNANCE MATTERS

hostile, threatening, or illegal, does not reasonably relate to the company or our business, or is similarly inappropriate. The Chief Financial Officer has the authority to disregard any inappropriate communications or to take other appropriate actions with respect to any such inappropriate communications.

Whistleblowing and Whistleblower Protection Policy

Our Audit Committee has adopted procedures for (i) the anonymous and confidential submission by employees of complaints or concerns regarding violations of securities laws or questionable accounting and auditing matters, and (ii) the receipt, retention and treatment of employee complaints or concerns regarding such matters. If you wish to contact our Audit Committee to report complaints or concerns relating to the financial reporting of our company, you may do so via our hotline at (855) 326-9626, via email at <https://reportlineweb.com/empirestaterealtytrust>, or in writing to our Chief Compliance Officer or the Chairman of our Audit Committee, Empire State Realty Trust, Inc., One Grand Central Place, 60 East 42nd Street, New York, New York 10165. Any such communication may be made anonymously.

COMPENSATION DISCUSSION AND ANALYSIS

This section of our Proxy Statement discusses the principles underlying our executive compensation policies and decisions. In addition, this section provides qualitative information about the manner and context in which compensation is awarded to, and earned by, our named executive officers, and places in perspective the data presented in the tables and narrative that follow.

Throughout this Proxy Statement, our Chairman and Chief Executive Officer, Anthony E. Malkin, our President and Chief Operating Officer, John B. Kessler, our Executive Vice President and Chief Financial Officer, David A. Karp, our Executive Vice President, Director of Leasing & Operations, Thomas P. Durels, and our Executive Vice President, General Counsel and Secretary, Thomas N. Keltner, Jr., are referred to as our “named executive officers” or “executives.”

Executive Summary

Executive Compensation Philosophy

Our executive compensation program is designed to align incentives for executives with achievement of our business strategies, to encourage our management to focus on creating growth in our company for our stockholders, and to retain our executives. In order to meet our objectives, our executive compensation program is designed to provide:

- incentive compensation that places a strong emphasis on financial performance, with the flexibility to assess operational and individual performance;
- an appropriate link between compensation and the creation of stockholder value through equity awards, including awards tied to absolute and relative total stockholder return;
- balanced incentives that do not promote excessive risk-taking; and
- a significant amount of multi-year performance-based and time-based equity awards designed to attract and retain highly talented executives.

2015 Business Highlights

During 2015, we achieved the following:

Say-on-Pay and Say-on-Frequency Results

Our Compensation Committee considered the voting results of the advisory, non-binding “say-on-pay” vote at our 2015 annual stockholders meeting in connection with the discharge of its responsibilities. A substantial majority of our stockholders (96.94% of the votes cast by stockholders of our Class A and Class B common stock) approved the compensation of our named executive officers described in our 2015 proxy statement.

At our 2014 annual stockholders meeting a substantial majority of our stockholders (96.1% of the votes cast by stockholders of our Class A and Class B common stock) voted in favor of our company’s proposal that “say-on-pay” proposals occur every year. In light of this vote, and consistent with our recommendation, our Board of Directors determined that it currently intends to include an advisory vote to approve the compensation of our named executive officers every year until the next required vote on the frequency of stockholder votes on named executive officer compensation. We currently expect the next advisory vote on the frequency of stockholder votes on named executive officer compensation to occur at our 2017 Annual Stockholders Meeting.

Roles of our Compensation Committee, Compensation Consultant and Management

Compensation Committee

Our Compensation Committee is comprised entirely of independent directors. Our Compensation Committee has overall responsibility for monitoring the performance of the company’s executives and evaluating and approving our executive compensation plans, policies and programs. In addition, our Compensation Committee development, implementation, and administration of our Equity Incentive Plan.

Our Compensation Committee determines all components of our Chief Executive Officer’s compensation. With respect to the other named executive officers, our Compensation Committee seeks input from our Chief Executive Officer and reviews and approves all components of our other named executive officers’ compensation.

Compensation Consultant

Our Compensation Committee has engaged FPL Associates LP, or FPL, an outside compensation consultant, to provide guidance with respect to the development and implementation of our compensation programs. FPL provides our Compensation Committee with advice concerning the types and levels of compensation to be paid to our named executive officers. FPL also provides market compensation data on base pay, as well as annual and long-term incentives.

Our Compensation Committee requires that its consultant be independent of company management. Our Compensation Committee performs an annual assessment of the consultant’s independence to determine whether the consultant is independent. Our Compensation Committee most recently assessed FPL’s independence in February 2016 and confirmed that FPL is independent and that FPL’s work has not raised any conflict of interest.

Management

Our Chief Executive Officer attends Compensation Committee meetings, provides information as to the individual performance of the other named executive officers, and makes annual recommendations to our Compensation Committee of appropriate compensation levels for all named executive officers other than himself. Nonetheless, all components of our executive officers’ compensation must be approved by our Compensation Committee in its sole discretion, and our Chief Executive Officer is not present during portions of our Compensation Committee’s discussions with respect to such officers’ compensation.

Benchmarking Process

In developing our executive compensation programs, our Compensation Committee commissions an annual compensation benchmarking analysis to ensure that our programs are competitive with those of other similar publicly traded REITs, including consideration of the cost of attracting and retaining talented executives in the New York City marketplace.

Peer Data

Our Compensation Committee developed an appropriate peer group for our company with the advice of FPL, based on publicly traded REITs that have a type and size of portfolio and operate in a market similar to ours. The Committee evaluates the members of our peer group each year to ensure that they continue to be appropriate and to determine whether other companies should be added. For 2016, in consultation with FPL, such peer group was adjusted to reflect more closely other REITs which operate and compete in high-barrier markets like New York.

Thus, a peer group was established consisting of 13 public REITs primarily focused in the office REIT sector, with several having in each case its principal offices and much of its portfolio located in New York or other high barrier markets. As of December 31, 2015, the peer group companies ranged in size, defined by UPREIT market capitalization, from approximately \$1.9 billion to \$21.9 billion, with a median capitalization of \$4.3 billion. On the same basis, our UPREIT market capitalization of approximately \$4.8 billion placed us slightly above the median of the group. The peer group consisted of the following 13 companies:

Boston Properties, Inc.	Kilroy Realty Corporation
Columbia Property Trust, Inc.	Paramount Group, Inc.
Corporate Office Properties Trust	Parkway Properties, Inc.
Cousins Properties Incorporated	Piedmont Office Realty Trust, Inc.
Douglas Emmett, Inc.	SL Green Realty Corp.
Highwoods Properties, Inc.	Vornado Realty Trust
Hudson Pacific Properties	

After our peer group has been established, FPL provides market data and practices of the peer group for our Compensation Committee to consider, as well as executive compensation trends and developments. Specifically, FPL provides information regarding the design and levels of compensation paid by our peers and overall counsel to determine the appropriate incentive design for our company. Such compensation data for peers is analyzed by our Compensation Committee with the assistance of FPL.

For purposes of determining our overall level of executive compensation (*i.e.* base salary, annual incentive cash bonus and long-term equity incentive compensation), our Compensation Committee looks at the practices of the peer group and seeks to set a suitable and competitive compensation package in the context of the New York City marketplace in which we operate and the competitive conditions for the talent pool in that market. The resulting compensation is intended to serve the company's requirements in both recruitment and retention of key qualified executives.

Further, an executive's target compensation is not mechanically set to be a particular percentage of the peer group. Rather, our Compensation Committee also takes into account the executive's role and experience, and the competitive factors needed to retain and incentivize such executive. Ultimately, our Compensation Committee believes that the decision as to appropriate target compensation for a particular executive should be made based on the full review of individual and company performance as well as competitive market data.

Overall, as set forth below in "Elements of Our Compensation Program," FPL determined that our executive compensation programs, as structured, are appropriate to retain valued executives and remain competitive amongst our peers. Based upon the review of peer group compensation levels and general industry compensation levels, our Compensation Committee believes that the value and design of our executive compensation programs are appropriate for a company of our size, structure, business, and market.

COMPENSATION DISCUSSION AND ANALYSIS

Key Features of Our Compensation Program

We have adopted many leading market best practices with respect to our compensation practices. A number of those practices are set forth below.

What we do....

- ✓ We pay for performance and have a direct alignment with total stockholder return performance; salaries comprise a relatively modest portion of each named executive’s overall compensation opportunity
- ✓ We use multiple performance metrics as well as different performance measures in granting equity awards, which mitigates compensation-related risk; We also measure performance across various performance periods
- ✓ We have implemented a clawback policy that allows for the recovery of previously paid executive compensation
- ✓ We have a “double-trigger” for change of control benefits
- ✓ We have robust stock ownership guidelines for our named executive officers and directors
- ✓ We have a conservative compensation risk profile
- ✓ We enhance executive officer retention with time-based vesting schedules for equity incentive awards
- ✓ We engage an independent compensation consultant to advise the Compensation Committee, which is comprised solely of independent directors

What we don’t do....

- ✗ We do not have excise tax gross-ups
- ✗ We do not have single-trigger change of control benefits
- ✗ We do not allow hedging; our Compensation Committee must approve pledging of company stock by executive officers and other key employees
- ✗ We do not encourage unnecessary or excessive risk taking; incentive awards are not based on a single performance metric and do not have guaranteed minimum or uncapped payouts
- ✗ We do not allow for repricing of stock options without stockholder consent
- ✗ We allow very limited perquisites for our Chairman and Chief Executive Officer, structured with a specific business rationale

Elements of Our Compensation Program

The compensation provided to our named executive officers typically consists of base salary, annual incentive cash bonus, long-term equity incentive compensation, and other perquisites and benefits, if applicable, each of which is described in more detail below. In formulating base salary, cash bonus and long-term equity incentive compensation, we start by looking at our peer group as a reference, then focus more specifically on those peer companies which operate in our highly competitive marketplace of New York City. We also consider each individual’s sustained performance, contribution, experience, expertise, and specific role within our company. As shown below, a large element of the total compensation package for each executive is based on alignment with shareholders and on quantifiable performance criteria, centered on creation of shareholder value.

2016 Target Pay Mix - CEO

2016 Target Pay Mix - Avg. Other NEOs

COMPENSATION DISCUSSION AND ANALYSIS**Base Salary for 2015**

The base salary payable to each named executive officer provides a fixed component of compensation that reflects the executive's position and responsibilities. Base salaries are reviewed annually by our Compensation Committee and may be adjusted to better match competitive market levels or to recognize an executive's professional growth, development, and increased responsibility.

Base salaries for fiscal year 2015 for our named executive officers were determined by our Compensation Committee based on a review of officers in their positions at peer group companies and the individual executive's experience. The 2015 base salary for each of Messrs. Malkin, Kessler, Durels, Karp and Keltner was \$550,000, \$525,000, \$489,250, \$489,250 and \$463,500, respectively.

Base Salary for 2016

For 2016, the annual base salary for each executive was increased to be more in line with our updated peer group and the competitive landscape for talent within our New York City marketplace. Accordingly, our Compensation Committee set 2016 annual base salaries for each of our named executive officers as follows: Mr. Malkin: \$810,000; Mr. Kessler: \$700,000; Mr. Karp: \$650,000; Mr. Durels: \$650,000; and Mr. Keltner: \$625,000.

Annual Incentive Cash Bonus Payments for 2015

We provide cash bonuses to incentivize our named executive officers to achieve key short-term corporate strategic milestones, to motivate certain desired individual behaviors, and to reward substantial achievement of these objectives and individual goals. Target cash bonuses are based on a percentage of the named executive officer's annual base salary.

Upon the recommendation of FPL, our Compensation Committee set 2015 target cash bonus amounts for our named executive officers at 150%, 100%, 80%, 80%, and 45% of Mr. Malkin's, Mr. Kessler's, Mr. Karp's, Mr. Durels's and Mr. Keltner's respective 2015 annual base salaries, resulting in target awards with the following values: Mr. Malkin – \$825,000, Mr. Kessler – \$525,000, Mr. Karp – \$391,400, Mr. Durels – \$391,400, and Mr. Keltner – \$208,575.

The Compensation Committee determined that actual 2015 cash bonus amounts would be paid based upon achievement of corporate, individual and, with respect to Mr. Durels, certain portfolio and operational objectives. Our Compensation Committee established rigorous corporate and operational objectives in setting the targets in the tables below, and it determined that it would have discretion at the end of 2015 to determine an appropriate award based on an evaluation of these quantifiable target goals. The mix of goals with respect to each named executive officer was determined as follows:

Named Executive Officer	Cash Bonus Performance Dimension		
	Corporate	Portfolio and Operational	Individual
Anthony E. Malkin	75%	--	25%
John B. Kessler	75%	--	25%
David A. Karp	60%	--	40%
Thomas P. Durels	40%	40%	20%
Thomas N. Keltner, Jr.	50%	--	50%

The target corporate goals included: (i) FFO per share; (ii) same-store net operating income ("NOI") growth; (iii) property operating margin; and (iv) MG&A expenses. The target portfolio and operational objectives with respect to Mr. Durels included: (i) tenant quality; (ii) occupancy at year end; (iii) leasing; (iv) weighted average starting rents; (v) tenant improvements; and (vi) actual capital expenditure compared to budget amounts.

On February 1, 2016, our Compensation Committee reviewed the company’s 2015 performance against the target corporate goals, as set forth below.

Corporate Goals	Target	Actual
Core FFO Per Share	\$0.86 (or \$0.52 excluding Observatory net income)	\$0.97 (or \$0.66 excluding Observatory net income)
Same-store NOI Growth	2.2%	16.1%
Property Operating Margin	47.1%	51.1%
MG&A Expenses	5.8% of revenues (or 5.9% of revenues, excluding construction revenues)	5.8% of revenues (or 5.8% of revenues, excluding construction revenues)

Our Compensation Committee noted that the company’s 2015 performance significantly exceeded these quantitative criteria. The Committee also considered a number of related factors, including (i) the scope of the officer’s responsibilities within our company and in relation to comparable officers at various companies within our peer group; (ii) the experience of the officer within our industry and at our company; (iii) a review of historical compensation information for the individual officer; (iv) a determination of the compensation needed to motivate and retain that individual; (v) the recommendations of the Chief Executive Officer with respect to the executive officers other than Mr. Malkin; and (vi) data regarding compensation paid to officers with comparable titles, positions or responsibilities at our peer companies (see “Benchmarking Process” above).

Based upon the company’s substantial outperformance of these 2015 corporate criteria, as well as related factors noted above, our Compensation Committee approved payment of 2015 cash bonus awards for Messrs. Malkin, Kessler, Karp, Durels, and Keltner: \$1,237,500, \$787,500, \$587,100, \$587,100, and \$312,863 respectively.

Annual Incentive Cash Bonus Criteria for 2016

Upon the recommendation of FPL, our Compensation Committee set 2016 target cash bonus amounts for our named executive officers at 150%, 100%, 75%, 75%, and 50% of Mr. Malkin’s, Mr. Kessler’s, Mr. Karp’s, Mr. Durels’s and Mr. Keltner’s respective 2016 annual base salaries, resulting in target awards with the following values: Mr. Malkin – \$1,215,000, Mr. Kessler – \$700,000, Mr. Karp – \$487,500, Mr. Durels – \$487,500, and Mr. Keltner – \$312,500.

The Compensation Committee determined that actual 2016 cash bonus amounts would be paid based upon achievement of corporate, individual and, with respect to Mr. Durels, given his role in managing a critical business unit, certain portfolio and operational objectives. Our Compensation Committee established rigorous corporate and operational objectives in setting the targets in the tables below, and it determined that it would have discretion at the end of 2016 to determine an appropriate award based on an evaluation of these quantifiable target goals. The mix of goals with respect to each named executive officer was determined as follows:

Named Executive Officer	Cash Bonus Performance Dimension		
	Corporate	Portfolio and Operational	Individual

Long-Term Equity Incentive Compensation

General

Our Compensation Committee believes that a substantial portion of each named executive officer's compensation should be in the form of long-term equity incentive compensation. Equity incentive awards align management more closely with shareholders and encourage management to create stockholder value over the long term, because the value of the equity awards is directly attributable to changes in the price of our common stock over time. In addition, equity awards are an effective tool for management retention because full vesting of the awards generally requires continued employment for multiple years.

Long-term equity incentive compensation is granted in the form of LTIP units, representing a class of partnership interests in our operating partnership, or shares of restricted Class A common stock. Each grant is formulated as a dollar amount when approved, and such dollar amount is referenced consistently for all awards in this Section "Long Term Equity Incentive Compensation." In accord with the applicable approval, such dollar amount is converted into units or shares, which in 2015 was based on the share price on the grant date and in 2016 was based on the fair value calculated under ASC Topic 718. For a description of such fair value calculation, see Note 11 to our 2015 audited financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2015. For a description of LTIP units, see "LTIP Units" below. In connection with these awards, our executives elect whether they prefer to receive LTIP units or shares of restricted Class A common stock. To date, all of our executives have chosen LTIP units.

In order to maximize retention and enhance the goals of our company, our Compensation Committee has determined to structure our long-term incentive awards with multiple performance and time-vesting components. The long-term equity incentive award is initially allocated (based on target amounts) 50% in the form of performance-based vesting awards and 50% in the form of time-based vesting awards, in order to provide (i) an appropriate alignment of interests with stockholders, (ii) motivation to focus on multi-year stockholder value creation, and (iii) retention of our highly talented executives.

The time-based awards vest 25% ratably over four years on each anniversary of a specified date proximate to the grant date, subject to continued employment by the executive officer.²

Distributions with respect to the time-based LTIP units, both vested and unvested, will be paid as and when distributions are paid with respect to our partnership units.

The performance-based awards vest based on the company's absolute and relative annualized total stockholder return ("TSR") over a three-year performance period. Such awards, to the extent earned at the end of such three year performance period in relation to threshold, target and maximum amounts, will vest 50% at the end of such period and 50% on the first anniversary of the end of such period, subject to continued employment by the executive officer.

The annualized TSR is calculated based on the annualized appreciation in the company's Class A common stock price from the beginning of the performance period to the 20-trading-day trailing average closing Class A common stock price at the end of the performance period, plus the amount of dividends per share paid over the performance period.

Distributions with respect to the performance-based LTIP units granted in 2016 will be paid to the extent of 10% of the distributions paid with respect to our operating partnership units, and the 90% balance will be accrued and paid in full if and when such LTIP units are earned at the end of the performance period. Distributions with respect to the performance-based LTIP units granted before 2016 will be paid to the extent of all distributions paid with respect to our operating partnership units.

² Pursuant to grant and change-in-control agreements, the time-based grants vest on retirement for an executive who has then met certain time of performance and age qualifications. Mr. Keltner is the only executive officer who has met such qualifications to date.

2015 Long Term Equity Incentive Compensation Awards and Criteria.

Based on the recommendation of FPL, our Compensation Committee set 2015 target long-term equity incentive compensation amounts for our named executive officers as shown below.

Such long-term equity incentive awards were initially allocated (based on target amounts) 50% in the form of performance-based vesting awards for the performance period January 1, 2015 to December 31, 2017, and 50% in the form of time-based vesting awards vesting 25% ratably on each anniversary of the first day of 2015.

In addition, when Mr. Kessler joined our company as President and Chief Operating Officer in February 2015, our Compensation Committee made a special grant of long-term equity incentive compensation to him of \$500,000, with the same 50/50 mix of performance and time based units, subject to the same performance hurdles and vesting requirements as discussed above, except that the start date for time and performance vesting is February 1, 2015.

The performance targets and potential award levels with respect to the absolute TSR performance of the shares of Class A common stock (50% of total performance-based award) are as follows:

2016 Long Term Equity Incentive Compensation Awards and Criteria.

Based on the recommendation of FPL, our Compensation Committee set 2016 target long-term equity incentive compensation amounts for our named executive officers as shown below.

Such long-term equity incentive awards were initially allocated (based on target amounts) 50% in the form of performance-based vesting awards for the performance period January 1, 2016 to December 31, 2018, and 50% in the form of time-based vesting awards vesting 25% ratably on each anniversary of the first day of 2016.

Allocation of 2016 Long Term Equity Incentive Compensation subject to Time-Based Vesting:

Executive	Dollar Value of LTIC Award Opportunities Granted in 2016 – Time based
	Target
Anthony E. Malkin	\$2,733,750
John B. Kessler	\$1,137,500
David A. Karp	\$ 796,250
Thomas P. Durels	\$ 796,250
Thomas N. Keltner, Jr.	\$ 398,438

Allocation of 2016 Long Term Equity Incentive Compensation subject to Performance-Based Vesting:

Executive	Dollar Value of LTIC Award Opportunities Granted in 2016 – Performance based		
	Threshold	Target	Maximum
Anthony E. Malkin	\$ 1,311,188	\$ 2,733,750	\$ 3,948,750
John B. Kessler	\$ 568,750	\$ 1,137,500	\$ 1,706,250

Thomas N. Keltner, Jr.	\$ 214,844	\$ 398,438	\$ 546,875

These targets were chosen in relation to FPL's benchmarking study of the company's updated peer group, particularly the subset of our peers operating in the New York City market, based on (i) achieving an appropriate balance between cash and equity as it relates to total remuneration and (ii) arriving at a level of total remuneration which, when combined with the level of base salary and cash bonus, remains at a market competitive level to attract and retain our key executives.

In view of our company's leasing and operating results in 2015, as well as market conditions for executive retention, our Compensation Committee in consultation with FPL approved an additional one-time long term equity incentive award of \$1,000,000 for Mr. Durels, which is 100% time-based, subject to vesting 30% on the third anniversary of the grant date, 30% on the fourth anniversary, and 40% on the fifth anniversary, starting on February 29, 2016, in each case subject to continued employment by Mr. Durels.

The metrics for performance-based awards granted in 2016 are (a) 25% based on the absolute annualized TSR performance of the shares of Class A common stock, (b) 50% based on relative annualized TSR compared to the NAREIT Office Index, and (c) 25% based on relative annualized TSR compared to the MSCI US REIT Index, all as described below. Our Compensation Committee determined (a) to keep these performance metrics for 2016 at the same level as 2015 and (b) to re-weight them going forward so relative TSR now comprises 75% of the criteria, and absolute TSR comprises 25%, as compared with 50% relative and 50% absolute in prior years.

COMPENSATION DISCUSSION AND ANALYSIS

The performance targets and potential award levels with respect to the absolute TSR performance of the shares of Class A common stock (25% of total performance-based award) are as follows:

The performance targets and potential award levels with respect to the relative performance of the shares of Class A common stock as compared to the NAREIT Office Index component (50% of total performance-based award) are as follows:

(2) Relative performance is stated as basis points above or below index performance. A basis point (bp) equals one-one hundredth of a percent. 100 bps equals 1.0%.

The performance targets and potential award levels with respect to the relative performance of the shares of Class A common stock as compared to the MSCI USREIT Index component (25% of total performance-based award) are as follows:

Annualized TSR vs. MSCI US REIT Index Criteria (1)(2)	Achievement
Less than -300 bps	
-300 bps	Threshold

+600 bps or greater	Maximum

(1) If the TSR relative to the MSCI US REIT Index is between any of the three amounts, the number of earned LTIP units or restricted shares will be determined using a straight-line interpolation between the corresponding threshold, target and maximum dollar amounts approved by the Compensation Committee for each executive, as shown above in "Allocation of 2016 Long Term Equity Incentive Compensation subject to Performance-Based Vesting."

Other Compensation Policies and Practices

LTIP Units

Pursuant to our Equity Incentive Plan, we have issued a class of partnership interests in our operating partnership, called long-term incentive units, or LTIP units, as a form of equity-based award for long-term incentive equity compensation. LTIP units are designed to qualify as “profits interests” in our operating partnership for federal income tax purposes, meaning that initially they would not be entitled to any distributions upon the liquidation of our operating partnership. However, over time the LTIP units can become entitled to a share of liquidating distributions from our operating partnership until the LTIP units are on a one-for-one parity with operating partnership units. LTIP units are designed to offer key employees a long-term incentive that in the long-term will become comparable to restricted stock, while allowing them to enjoy a more favorable income tax treatment. Each LTIP unit awarded is deemed equivalent to an award of one share of Class A common stock reserved under our Equity Incentive Plan, reducing availability for other equity awards on a one-for-one basis.

With the exception of performance based LTIP units granted in 2016, all LTIP units issued in connection with annual equity awards, whether vested or not, receive the same per unit distributions as operating partnership units, which equal per share dividends (both regular and special) on our common stock. No dividend is paid initially with respect to performance-based restricted stock. Instead, the dividend amount is accrued and paid in full if and when such shares are earned at the end of the performance period. Performance based LTIP units granted in 2016 will receive 10% of such distributions currently, unless and until such LTIP units are earned based on performance, at which time they will receive the accrued and unpaid 90% and will commence receiving 100% of such distributions.

The key difference between LTIP units and restricted stock is that at the time of award, LTIP units do not have full economic parity with operating partnership units, but can achieve such parity over time upon the occurrence of specified events. The capital account associated with an LTIP unit when it is initially issued is zero. Under the terms of the LTIP units, our operating partnership will revalue its assets upon the occurrence of certain specified events, and any increase in valuation from the time of grant until such event will be allocated first to the holders of LTIP units to equalize the capital accounts of such holders with the capital accounts of holders of operating partnership units. Upon equalization of the capital accounts of the holders of LTIP units with other holders of operating partnership units, the LTIP units will achieve full parity with operating partnership units for all purposes, including with respect to liquidating distributions.

Following a two year holding period, holders of vested LTIP units that have achieved such parity will have the right to convert their vested LTIP units into an equal number of operating partnership units or to require our operating partnership to redeem their vested LTIP units for an equal number of shares of Class A common stock of the company or, at the company’s option, an amount of cash equal to the value of such shares. Unless and until such parity is reached, the value that an executive will realize in a liquidation for a given number of vested LTIP units is less than the value of an equal number of operating partnership units. Events that allow such revaluation of our operating partnership’s assets under the partnership agreement and applicable federal tax regulations generally include: (1) the issuance by the company of our Class A common stock, (2) the issuance by our operating partnership of common or other operating partnership units, (3) significant repurchases of common stock for cash, and (4) the redemption by the company of common operating partnership units for cash or other property.

Our Compensation Committee believes that using LTIP units for equity-based awards (1) serves our objectives by increasing the after-tax value of a given equity grant and, therefore, enhances our equity-based compensation package for executives as a whole, (2) advances the separate goal of promoting long-term equity ownership by executives (see “Minimum Share Ownership Guidelines for Executive Officers and Directors”), (3) has no adverse impact in the form of dilution as compared to using restricted stock, (4) does not increase our recorded expense on account of equity-based compensation awards, (5) further aligns the interests of executives with the interests of stockholders and (6) because LTIP units are offered by many of its peers, enables the company to remain competitive with its peers in recruiting and retaining talented executives. Based on these considerations, we offer certain eligible officers and employees a choice between restricted stock and LTIP units on a one-for-one basis for their performance-based and time-based long-term equity compensation awards.

COMPENSATION DISCUSSION AND ANALYSIS

Employment Agreement and Change in Control Severance Agreements

We entered into an employment agreement with Anthony E. Malkin effective October 7, 2013. His employment agreement provides for salary, target bonus, equity awards, and other benefits, including severance benefits upon qualifying terminations of employment. For more information, see “Compensation of Our Executive Officers – Employment Agreement and Equity Award Agreements.”

In addition, we entered into change in control severance agreements with Messrs. Kessler, Karp, Durels and Keltner. These agreements provide for severance and other benefits, including acceleration of vesting of outstanding equity awards, upon qualifying terminations of employment following a change in control. For more information, see “Compensation of Our Executive Officers – Change in Control Severance Agreements and Equity Award Agreements.”

Employee Benefits

We have a 401(k) Retirement Plan, or our 401(k) Plan, to cover eligible employees of the company and any designated affiliate. Our 401(k) Plan permits an eligible employee to defer a percentage of annual compensation, subject to certain limitations imposed by the Internal Revenue Code of 1986, as amended (the “Code”). The employee’s elective deferrals are immediately vested and nonforfeitable upon contribution to the 401(k) Plan. We match up to \$1,250 of employee contributions in cash in order to encourage employee participation. We do not provide our named executive officers with a supplemental pension or any other retirement or nonqualified deferred compensation benefits, other than the 401(k) Plan benefits provided generally to our employees.

Perquisites and Other Personal Benefits

We provide Mr. Malkin a car and a full-time driver, up to \$153,000 per year, adjusted for CPI. This allows him to use his time efficiently during his travel. The cost to the company in 2015 was \$75,000 for the driver’s salary and \$23,303 for car-related expenses.

We cover the costs of Mr. Durels’s commutation train ticket, which in 2015 amounted to \$6,916 (consisting of \$3,647 for commuting reimbursement plus \$3,269 tax gross-up).

Clawback Policy

We have adopted a formal clawback policy, which allows us to recoup compensation paid to an officer covered by the policy if the related financial results are subsequently restated as described below. The policy covers all of our current and former executive officers as well as certain other specified officers. Pursuant to this policy, if we are required to prepare an accounting restatement due to material non-compliance with any financial reporting requirement, then our Compensation Committee may require an employee covered by the policy who was engaged in fraud, willful misconduct, or intentional illegal conduct which materially contributed to the need for such restatement to repay or forfeit to the company “excess compensation.” Excess compensation includes annual cash bonus and long term incentive compensation in any form (including restricted stock and LTIP units, whether time-based or performance-based) received by that employee during the three-year period preceding the publication of the restated financial statements that our Compensation Committee determines was in excess of the amount that such employee would have received if such compensation had been determined based on the financial results reported in the restated financial statements.

Our Compensation Committee intends to periodically review this clawback policy and, as appropriate, conform it to any applicable final rules adopted pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act.

Hedging and Pledging our Securities

Our employees are prohibited from engaging in a transaction meant to hedge or minimize losses in our securities, including engaging in transactions in puts, calls or other derivatives on our securities, or short-selling our securities.

Executive officers and certain employees owning over a threshold amount of our securities are prohibited from pledging our securities as collateral for a loan unless such pledging is approved by our Compensation Committee.

Minimum Share Ownership Guidelines for Executive Officers and Directors

We have adopted minimum stock ownership guidelines that require each executive officer to maintain a minimum number of shares of our common stock (including operating partnership units and LTIP units) having a market value equal to or greater than a multiple (ten times, in the case of our Chief Executive Officer, and five times, in the case of all other executive officers) of such executive officer's base salary. Each executive officer must achieve the minimum equity investment within five years from the later of the date of the completion of our initial public offering (for executive officers in place at that time) and the date of such officer's appointment (for subsequently appointed executive officers).

We have adopted minimum stock ownership guidelines that require our independent directors to hold a number of shares of our common stock (including operating partnership units and LTIP units) having a market value equal to or greater than five times the portion of the annual base retainer which is eligible to be paid in cash. Each independent director must achieve the minimum equity investment within five years from the later of the date of the completion of our initial public offering (for directors in place at that time) and the date of such director's election to our Board of Directors (for subsequently appointed directors) to attain compliance with the stock ownership requirements.

Tax Gross – Up Payments

We do not provide any "golden parachute" tax gross-up payments to our named executive officers. According to their employment agreements, if any payments or benefits to be paid or provided to any of our named executive officers would be subject to "golden parachute" excise taxes under Section 280G of the Code, the executive's payments and benefits under his employment agreement will be reduced to the extent necessary to avoid such excise taxes, but only if such a reduction of pay or benefits would result in a greater net after-tax receipt for the executive.

Tax Implications – Deductibility of Executive Compensation

Section 162(m) of the Code limits the deductibility on the company's tax return of compensation over \$1 million to any of the named executive officers of the company unless, in general, the compensation is paid pursuant to a plan which is performance-related, non-discretionary and has been approved by the company's stockholders. The company believes that, because it qualifies as a REIT under the Code and pays dividends sufficient to minimize federal income taxes, the payment of compensation that does not satisfy the requirements of Section 162(m) will generally not affect the company's net income. Our Compensation Committee's compensation policy and practices therefore are not directly guided by considerations relating to Section 162(m).

Risk Considerations in our Compensation Programs

Our Compensation Committee has discussed the concept of risk as it relates to our compensation programs with management and FPL, and our Compensation Committee does not believe the goals, or the underlying philosophy of our compensation programs encourage excessive or inappropriate risk taking.

Compensation Committee Report

The following Compensation Committee report to stockholders shall not, in accordance with the rules of the SEC, be incorporated by reference into any of our future filings made under the Exchange Act or under the Securities Act, and shall not be deemed to be soliciting material or to be filed under the Exchange Act or the Securities Act.

Our Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K, and, based on such review and discussions, our Compensation Committee recommended to our Board of Directors that our Compensation Discussion and Analysis be included in this Proxy Statement.

- (1) Mr. Kessler joined the company at the beginning of February 2015. The amount represents a prorated portion of Mr. Kessler's base salary for his partial year of service. Mr. Kessler's annualized base salary for 2015 was \$525,000.
- (2) These amounts reflect the aggregate grant date fair value of LTIP unit awards granted on February 18, 2015 (Mr. Kessler received an additional award on February 1, 2015) to each of the named executive officers in accordance with ASC Topic 718, which is \$8.40 per unit for the performance-based LTIP units and \$17.25 per unit for the time-based LTIP units. Such grant date fair values relating to the time-based LTIP unit awards are: Mr. Malkin – \$1,090,580; Mr. Kessler – \$786,045; Mr. Karp – \$439,168; Mr. Durels – \$439,168; and Mr. Keltner – \$381,105. Such grant date fair values relating to the performance-based LTIP unit awards (calculated based on the probable outcome of the performance conditions) are: Mr. Malkin – \$531,064; Mr. Kessler – \$388,821; Mr. Karp – \$213,855; Mr. Durels – \$213,855; and Mr. Keltner \$69,938. A discussion of the assumptions used in calculating these fair values can be found in Note 11 to our 2015 audited financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2015. Assuming maximum performance through to the end of the performance period, the value of performance-based LTIP units, if based on the stock price as of the grant date (rather than such fair value under ASC Topic 718), would be: Mr. Malkin – \$1,148,112; Mr. Kessler – \$827,483; Mr. Karp – \$462,335; Mr. Durels – \$462,335; and Mr. Keltner – \$151,200. See the 2015 Grants of Plan Based Awards Table contained in this Proxy Statement for more information regarding the LTIP units based on the stock price as of the grant date. For more information about the performance goals, see “— Long-Term Equity Incentive Compensation.”
- (3) We provide Mr. Malkin a car and a full-time driver. The cost to the company for the car and driver for 2015 was \$75,000 for the driver's salary and \$23,303 for car-related expenses.
- (4) Includes a matching contribution in our 401(k) plan of \$1,250 in 2015.
- (5) The company pays the cost of Mr. Durels's commutation train ticket, which amounted to \$6,916 in 2015 (consisting of \$3,647 for commuting reimbursement plus \$3,269 tax gross-up).

Thomas N. Keltner, Jr.	2/18/15	2/18/15	8,326	22,093	451,043

- (1) Represents performance-based LTIP units granted to each named executive officer pursuant to our Equity Incentive Plan based on maximum amounts. Performance-based LTIP units may range from the vesting of no performance-based LTIP units to the vesting of the maximum amount of performance-based LTIP units as shown above. Within such range, awards would be 25% of such maximum if meeting threshold performance, 50% of such maximum if meeting target performance, 100% of such maximum if meeting maximum performance, or an interpolated amount if falling between such measures. Performance-based LTIP units granted on February 18, 2015 will be earned based on the company's absolute and relative annualized total shareholder return ("TSR") over a three-year performance period that commenced on January 1, 2015 (commencing February 1, 2015 for LTIP units granted on that date). The earned performance-based LTIP units will then vest 50% on January 1, 2018 (February 1, 2018 for LTIP units granted on February 1, 2015), the end of the three year performance period, and 50% on January 1, 2019 (February 1, 2019 for LTIP units granted on February 1, 2015), conditioned on continued employment. For more information about the performance criteria, see "— Long-Term Equity Incentive Compensation."
- (2) Represents time-based LTIP units granted to each named executive officer pursuant to our Equity Incentive Plan. These time-based LTIP units vest 25% ratably on each of the first four anniversaries of a designated date proximate to the grant date (January 1, 2015 for February 18, 2015 grants and February 1, 2015 for February 1, 2015 grants), subject to continued employment.
- (3) The amounts included in this column represent the full grant date fair value of the LTIP units computed in accordance with ASC Topic 718, which is \$8.40 per unit (\$8.86 for units granted on February 1, 2015) for the performance-based LTIP units and \$17.25 per unit (\$17.29 for units granted on February 1, 2015) for the time-based LTIP units. A discussion of the assumptions used in calculating these values can be found in Note 11 to our 2015 audited financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2015.

In each case, the value realized is before payment of any applicable taxes and brokerage commissions, if any.

Employment Agreement and Equity Award Agreements

On October 7, 2013, we entered into a written employment agreement with Anthony E. Malkin. The employment agreement has an initial term of three years, and provides for up to two automatic one-year extensions thereafter, unless either party provides at least 60 days' notice of non-renewal prior to the expiration of the then current term. The employment agreement requires Mr. Malkin to devote a majority of his business time and attention to the performance of his duties under the employment agreement.

Mr. Malkin's employment agreement provides for:

- an annual base salary of \$500,000 p.a. starting in 2013, subject to increases on an annual basis in the discretion of our Compensation Committee (Mr. Malkin's base salary was increased to \$810,000 for 2016 by our Compensation Committee);
- eligibility for annual cash performance bonuses with a target equal to 150% of Mr. Malkin's annual base salary, based on the satisfaction of objective and individual performance criteria established by our Compensation Committee;
- participation in our long-term incentive program, including grants under our Equity Incentive Plan, as well as other incentive, savings, 401(k) or other retirement plans applicable generally to our senior executives; all on the basis that, other than with respect to the grants we made upon the completion of our initial public offering to executive officers excluding Mr. Malkin, the amount of awards granted to Mr. Malkin under our Equity Incentive Plan must be no less than that granted to other senior executives and be reasonable in light of the contributions made or expected to be made by Mr. Malkin for the period for which such grant is made;
- participation in all of our benefit plans and entitlement to receive benefits and perquisites at a level no less favorable than those provided to our other senior executives;
- a company-owned or leased automobile and a driver with a value of up to \$153,000 per year (as adjusted for CPI);
- administrative assistance and office space for Mr. Malkin, and services reasonably acceptable to him, so long as Mr. Malkin is providing services to us in any capacity; and
- reimbursement of all reasonable legal fees and related expenses relating to the negotiation and documentation of the employment agreement and other agreements entered into by Mr. Malkin in connection with our initial public offering and related formation transactions.

The consequences of a termination of employment of Mr. Malkin pursuant to his employment agreement and equity award agreements are as follows:

Termination Without Cause or for Good Reason (not Following a Change in Control)

Upon a termination of employment by us for any reason other than for “cause” or by Mr. Malkin for “good reason” (each as defined in the employment agreement), subject to Mr. Malkin’s and the company’s execution of a mutual release of claims in the form provided for in the employment agreement, Mr. Malkin will be entitled to:

- annual base salary and other benefits earned but unpaid prior to the date of termination;
- earned but unpaid annual bonus for the prior fiscal year;
- a lump sum amount equal to two times the sum of Mr. Malkin’s then-current annual base salary plus the average annual bonus paid to Mr. Malkin over the three most-recently completed fiscal years;
- a pro-rated annual bonus for the year in which the termination of employment occurs, calculated based on actual performance for the entire performance period (without the exercise of any negative discretion), to be paid at the end of the performance period;
- for up to 18 months, a monthly payment equal to the difference between the monthly COBRA premium cost and the premium cost to Mr. Malkin as if he continued to be our employee;
- equity awards subject to time-based vesting immediately vest in full;
- equity awards subject to performance-based vesting will, to the extent the underlying performance requirements have been met based on performance from the commencement of the performance period through the date of termination, vest (i) on a pro-rated basis, if the termination occurs before the performance period ends and (ii) in full, if the termination occurs after the performance period ends; and
- stock options will remain exercisable for three years following the termination, but in no event later than their expiration.

Termination Without Cause or for Good Reason Following a Change in Control

Upon a termination of employment by us for any reason other than for “cause” or by Mr. Malkin for “good reason” within two years following a “change in control” (as defined in our Equity Incentive Plan), subject to Mr. Malkin’s and the company’s execution of a mutual release of claims in the form provided for in the employment agreement, Mr. Malkin will be entitled to:

- annual base salary and other benefits earned but unpaid prior to the date of termination;
- earned but unpaid annual bonus for the prior fiscal year;
- a lump sum amount equal to three times the sum of Mr. Malkin’s then-current annual base salary plus the average annual bonus paid to Mr. Malkin over the three most-recently completed fiscal years;
- a pro-rated annual bonus for the year in which the termination of employment occurs, calculated based on actual performance for the entire performance period (without the exercise of any negative discretion), to be paid at the end of the performance period;
- for up to 18 months, a monthly payment equal to the difference between the monthly COBRA premium cost and the premium cost to Mr. Malkin as if he continued to be our employee;
- equity awards subject to time-based vesting immediately vest in full;
- equity awards subject to performance-based vesting will vest to the extent the underlying performance requirements have been met based on performance from the commencement of the performance period through the date of termination (or, if more favorable, the date of the change in control); and
- stock options will remain exercisable for three years following the termination, but in no event later than their expiration.

2015 OPTION EXERCISES AND STOCK OR UNIT VESTING

Termination Due to Death or Disability

Upon Mr. Malkin's termination due to his death or "disability" (as defined in the employment agreement), Mr. Malkin, or his estate, will be entitled to:

- annual base salary and other benefits earned but unpaid prior to the date of termination;
- earned but unpaid annual bonus for the prior fiscal year;
- a pro-rated annual bonus for the year in which the termination of employment occurs, calculated based on actual performance for the entire performance period (without the exercise of any negative discretion), to be paid at the end of the performance period;
- equity awards subject to time-based vesting immediately vest in full;
- equity awards subject to performance-based vesting will, to the extent the underlying performance requirements have been met based on performance from the commencement of the performance period through the date of termination, vest (i) on a pro-rated basis, if the termination occurs before the performance period ends and (ii) in full, if the termination occurs after the performance period ends; and
- stock options will remain exercisable for three years following the termination, but in no event later than their expiration.

Termination Due to Retirement

Pursuant to the terms of Mr. Malkin's equity award agreements, upon the executive's resignation following the later of (x) the executive's 60th birthday and (y) the executive's completing ten years of service (including service with our predecessors), he will be entitled to:

- equity awards subject to time-based vesting immediately vest in full; and
- equity awards subject to performance-based vesting will to the extent the underlying performance requirements have been met based on performance from the commencement of the performance period through the date of termination, vest (i) on a pro-rated basis, if the termination occurs before the performance period ends and (ii) in full, if the termination occurs after the performance period ends.

Resignation (not for Good Reason) or Non-Renewal

Upon a termination of employment by Mr. Malkin for any reason other than "good reason," or by notice by him or us of non-renewal of the employment agreement, Mr. Malkin will be entitled to:

- annual base salary and other benefits earned but unpaid prior to the date of termination; and
- subject to Mr. Malkin's and our company's execution of a mutual release of claims, earned but unpaid annual bonus for the prior fiscal year.

Termination for Cause

Upon a termination of employment by us for "cause," Mr. Malkin will be entitled only to annual base salary and other benefits earned but unpaid prior to the date of termination.

In the event that any amount payable to Mr. Malkin is determined to be an excess parachute payment under Section 280G of the Code, such amount will be reduced to one dollar less than the threshold amount that would trigger an excise tax under Section 280G of the Code, unless that reduction would result in Mr. Malkin receiving a lesser net after-tax amount.

Although the employment agreement requires Mr. Malkin to devote a majority of his business time and attention to the performance of his duties under the employment agreement, Mr. Malkin may (i) serve on the board of one or more business corporations identified by Mr. Malkin with the consent of our Board of Directors (such consent not to be unreasonably withheld), (ii) participate in charitable, civic, educational, professional, community or industry affairs, and (iii) manage his and his family's personal investments (including the excluded properties and excluded businesses)

(as defined under “Certain Relationships and Related Transactions — Excluded Properties and Businesses”), including providing services to or maintaining a family office for purposes of managing such investments, provided that (x) the activities set out in clauses (i), (ii), and (iii) shall be limited by Mr. Malkin so as not to interfere materially, individually or in the aggregate, with the performance of his duties and responsibilities under his employment agreement or create a potential business or fiduciary conflict and (y) with respect to the activities set out in clause (iii), such activities shall be limited to non-controlling investments to the extent such investments are office or retail real estate properties located in New York County, New York, Fairfield County, Connecticut, Westchester County, New York, and any other geographic area in which we invest in such properties.

The employment agreement contains standard confidentiality and mutual non-disparagement provisions, which will apply indefinitely, and non-competition, no-hire and non-solicitation provisions, which will apply during the term of the employment agreement and will continue for a period of one year as to non-competition and two years as to no-hire and non-solicitation following the termination of Mr. Malkin’s employment.

The employment agreement provides that until the later of the date on which (i) Mr. Malkin is no longer serving as our Chief Executive Officer and (ii) Mr. Malkin and his affiliates no longer hold on a consolidated basis at least (x) 50% of the amount of our Class A common stock, Class B common stock and operating partnership units in our operating partnership which was held by Mr. Malkin and his affiliates as of the date of the closing of the consolidation and (y) 10% of the voting power of our outstanding common stock voting together as a single class, our Board of Directors shall cause Mr. Malkin to be nominated for re-election to our Board of Directors at the expiration of the then current term. Unless Mr. Malkin has resigned as a director, for so long as the foregoing ownership thresholds are met, this obligation shall survive beyond the expiration of the term of Mr. Malkin’s employment agreement and the termination of Mr. Malkin’s employment for any reason other than for “cause” (as defined in the employment agreement), unless prohibited by legal or regulatory requirements. Failure of our Board of Directors to nominate Mr. Malkin for election to our Board of Directors, the failure of Mr. Malkin to be elected or re-elected, or his removal as a member of our Board of Directors constitute “good reason” under the employment agreement.

All disputes, except equitable enforcement of restrictive covenants, under the employment agreement will be resolved by arbitration in accordance with the rules of the Judicial Arbitration and Mediation Services, Inc. in New York City. We have agreed to pay all costs of the arbitration except, if applicable, Mr. Malkin’s petitioner’s filing fee. If an arbitrator determines that Mr. Malkin has prevailed on the issues in dispute in the arbitration, we will pay or reimburse any reasonable expenses, including reasonable attorney’s fees, which Mr. Malkin incurs in such arbitration.

Change in Control Severance Agreements and Equity Award Agreements

On October 7, 2013, we entered into written change in control severance agreements with Messrs. Karp, Durels and Keltner, and on February 1, 2015, we entered into a written change in control severance agreement with Mr. Kessler substantially similar to the change in control severance agreements with Messrs. Karp, Durels and Keltner. Each of the change in control severance agreements will terminate two years after the date of any written notice of termination from us to the applicable executive officer; provided, that if a “change in control” (as defined in our Equity Incentive Plan) occurs while the agreement is still operative, any written notice to the executive officer terminating the agreement will not be effective prior to the second anniversary of the “change in control.”

The consequences of a termination of employment of any such executive pursuant to his change in control severance agreement and equity award agreements are as follows:

Termination Without Cause or for Good Reason Following a Change in Control

Upon a termination of employment by us for any reason other than “cause” or by the executive officer for “good reason” (each as defined in the change in control severance agreements), within two years following a “change in control,” subject to the executive officer’s execution of a release of claims, the executive officer will be entitled to:

- annual base salary and other benefits earned but unpaid;
- earned but unpaid annual bonus for the prior fiscal year;

2015 OPTION EXERCISES AND STOCK OR UNIT VESTING

- an amount equal to two times the sum of the executive officer's then-current annual base salary plus the average bonus earned over the three most-recently completed fiscal years;
- a pro-rated annual bonus for the year in which the termination of employment occurs, calculated based on actual performance for the entire performance period (without the exercise of any negative discretion), and paid at the end of the performance period;
- for up to 18 months, a monthly payment equal to the difference between the monthly COBRA premium cost and the premium cost to the executive officer as if he continued to be our employee;
- equity awards subject to time-based vesting immediately vest in full; and
- equity awards subject to performance-based vesting will vest either (x) on a pro-rated basis based on performance from the commencement of the performance period through the date of termination, or (y) with respect to the entire award based on performance from the commencement of the performance period through the date of the change in control, whichever is more favorable.

Termination Due to Death or Disability Following a Change in Control

In the event of the applicable executive officer's death or "disability" within two years following a change in control, the executive officer will be entitled to his accrued and unpaid annual base salary and other benefits, as well as any earned but unpaid annual bonus for the prior fiscal year. In addition, pursuant to the terms of the executives' equity award agreements:

- equity awards subject to time-based vesting immediately vest in full; and
- equity awards subject to performance-based vesting will, to the extent the underlying performance requirements have been met based on performance from the commencement of the performance period through the date of termination, vest (i) on a pro-rated basis, if the termination occurs before the performance period and (ii) in full, if the termination occurs after the performance period ends.

Resignation (not for Good Reason, Following a Change in Control)

Upon a termination by the executive officer for any reason other than "good reason," the executive officer will be entitled to his accrued and unpaid annual base salary and other benefits, as well as any earned but unpaid annual bonus for the prior fiscal year.

Termination Without Cause or for Good Reason (not Following a Change in Control)

Pursuant to the terms of the executives' equity award agreements, upon a termination of employment by us for any reason other than "cause," or the executive's resignation for "good reason", the executive officer will be entitled to:

- equity awards subject to time-based vesting immediately vest in full; and
- equity awards subject to performance-based vesting will, to the extent the underlying performance requirements have been met based on performance from the commencement of the performance period through the date of termination, vest (i) on a pro-rated basis, if the termination occurs before the performance period ends and (ii) in full, if the termination occurs after the performance period ends.

Termination Due to Retirement (Whether or not Following a Change in Control)

Pursuant to the terms of the executives' equity award agreements, upon the executive's resignation following the later of (x) the executive's 60th birthday and (y) the executive completing ten years of service (including service with our predecessors), the executive officer will be entitled to:

- equity awards subject to time-based vesting immediately vest in full; and
- equity awards subject to performance-based vesting will, to the extent the underlying performance requirements have been met based on performance from the commencement of the performance period through the date of termination, vest (i) on a pro-rated basis, if the termination occurs before the performance period ends, and (ii) in full, if the termination occurs after the performance period ends, the LTIP units or restricted shares will vest in full.

In the event that any amount payable to an executive officer is determined to be an excess parachute payment under Section 280G of the Code, such amount will be reduced to one dollar less than the threshold amount that would trigger an excise tax under Section 280G of the Code, unless that reduction would result in the executive receiving a lesser net after-tax amount.

The change in control severance agreements also contain standard confidentiality and mutual non-disparagement provisions, which will apply indefinitely, and non-competition, no-hire and non-solicitation provisions, which will apply during the term of the agreements and will continue for one year as to non-competition and for two years as to no-hire and non-solicitation following such termination of employment, except that Mr. Kessler’s non-compete restriction will continue for six months following the termination of his employment.

All disputes, except equitable enforcement of restrictive covenants, under the change in control severance agreements will be resolved by arbitration in accordance with the rules of the Judicial Arbitration and Mediation Services, Inc. in New York City. We have agreed to pay all costs of the arbitration except, if applicable, the executive officer’s petitioner’s filing fee. If an arbitrator determines that the applicable executive officer has prevailed on the issues in dispute in the arbitration, we will pay or reimburse any reasonable expenses, including reasonable attorney’s fees, which the executive officer incurs in such arbitration.

Potential Payments Upon Termination

As set forth above in “Employment Agreement and Equity Award Agreements” and “Change in Control Severance Agreements and Equity Award Agreements” our named executive officers will be entitled to certain compensation and benefits in the event of termination of employment. Assuming a termination of employment and change in control (if applicable) occurred on December 31, 2015 and the price per share of our common stock on the date of termination of \$18.07, the amount of compensation that would have been payable to each named executive officer in each situation is listed in the table below.

- (1) For purposes of this table, the amount of the cash bonus component of severance equals the cash bonus paid to each named executive officer with respect to 2015, which was paid in March 2016.
- (2) Calculated assuming that the value of an LTIP unit on December 31, 2015 was equal to the \$18.07 value of a share of our Class A common stock on such date.
- (3) Calculated based on the number of LTIP units that would have been earned at December 31, 2015 assuming that the value of each such LTIP unit was equal to the \$18.07 value of a share of our Class A common stock on such date.
- (4) Calculated based on the number of LTIP units that would have been earned at December 31, 2015 assuming that the value of each such LTIP unit was equal to the \$18.07 value of a share of our Class A common stock on such date. According to Mr. Malkin's employment agreement, if any payments or benefits to be paid or provided to Mr. Malkin are subject to "golden parachute" excise taxes under Section 280G of the Code, Mr. Malkin's payments and benefits will be reduced to the extent necessary to avoid such excise taxes, but only if such a reduction of pay or benefits would result in a greater net after-tax receipt for Malkin. For purposes of this table, Mr. Malkin's payout following an involuntary termination not for cause or resignation for good reason following change in control would be reduced by \$1,110,404, assuming a termination of Mr. Malkin's employment for such reason occurred on December 31, 2015.
- (5) Calculated based on the number of LTIP units that would have been earned at December 31, 2015 assuming that the value of each such LTIP unit was equal to the \$18.07 value of a share of our Class A common stock on such date. According to Mr. Karp's change of control agreement, if any payments or benefits to be paid or provided to Mr. Karp are subject to "golden parachute" excise taxes under Section 280G of the Code, Mr. Karp's payments and benefits will be reduced to the extent necessary to avoid such excise taxes, but only if such a reduction of pay or benefits would result in a greater net after-tax receipt for Mr. Karp. For purposes of this table, Mr. Karp's payout following an involuntary termination not for cause or resignation for good reason following change in control would be reduced by \$803,046, assuming a termination of Mr. Karp's employment for such reason occurred on December 31, 2015.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, or the Exchange Act, requires our executive officers and directors, and persons who own more than 10% of a registered class of our equity securities, to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the SEC. Based solely on a review of the copies of the forms received and written representations, we believe that during fiscal year 2015, our executive officers, directors and persons who own more than 10% of a registered class of our equity securities complied with the beneficial ownership reporting requirements of Section 16(a) of the Exchange Act.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Policies and Procedures With Respect to Related Party Transactions

It is the written policy of our Board of Directors that all related party transactions (generally, transactions involving amounts exceeding \$120,000 in which a related party (directors and executive officers or their immediate family members, or stockholders owning 5% of more of our outstanding stock) has a direct or indirect material interest) shall be subject to approval or ratification in accordance with the following procedures.

Our Nominating and Corporate Governance Committee shall review the material facts of all related party transactions that require its approval and either approve or disapprove of the entry into the related party transaction, subject to some exceptions. If advance approval of a related party transaction is not feasible, then the related party transaction shall be considered and, if our Nominating and Corporate Governance Committee determines it to be appropriate, ratified at the next regularly scheduled meeting of our Nominating and Corporate Governance Committee. In determining whether to approve or ratify a related party transaction, our Nominating and Corporate Governance Committee will take into account, among other factors it deems appropriate, whether the related party transaction is on terms no less favorable to the company than terms generally available to an unaffiliated third-party under the same or similar circumstances and the extent of the related party's interest in the transaction.

If a related party transaction will be ongoing, our Nominating and Corporate Governance Committee may establish guidelines for our management to follow in its ongoing dealings with the related party. Thereafter, our Nominating and Corporate Governance Committee, on at least an annual basis, shall review and assess ongoing relationships with the related party to see that they are in compliance with our Nominating and Corporate Governance Committee's guidelines and that the related party transaction remains appropriate.

All related party transactions shall be disclosed in our applicable filings with the SEC as required under SEC rules.

Formation Transactions

Each property acquired by us in our consolidation (which excludes 1400 Broadway and 111 West 33rd Street) was owned directly or indirectly by the entities comprising our predecessor or was a property in which our predecessor had a non-controlling interest. Each of the then existing entities had entered into a contribution agreement with us and our operating partnership in connection with the formation transactions, pursuant to which substantially concurrently with the completion of our initial public offering it contributed its assets (including its ownership interests in any of the properties) and liabilities to our operating partnership or our operating partnership's subsidiaries in exchange for shares of our common stock, operating partnership units and/or cash, which it then distributed to its equity owners in accordance with their individual elections.

Each of our predecessor's management companies had entered into a merger agreement with us and our operating partnership in connection with the formation transactions, pursuant to which certain subsidiaries of our operating partnership merged with and into such management company or pursuant to which such management company merged with and into our subsidiaries in exchange for shares of our common stock and/or operating partnership units, which were issued to the equity owners of such management company.

In addition, each of (i) the Malkin Group (as defined below) and (ii) the estate of Leona M. Helmsley and its affiliates, including the Leona M. and Harry B. Helmsley Charitable Trust, entered into contribution agreements and merger agreements with us and our operating partnership, pursuant to which each of them contributed their direct or indirect interests in certain then existing entities to us in exchange for operating partnership units, shares of common stock and/or cash. The operating partnership units and shares of common stock that we issued in the formation transactions to investors in the public existing entities were registered pursuant to a registration statement on Form S-4 that we separately filed with the SEC.

To the extent that we or our subsidiaries (other than our operating partnership and its subsidiaries) were a party directly to certain mergers in the formation transactions, we contributed the assets and liabilities received in such merger

transactions to our operating partnership in exchange for operating partnership units. The value of the shares of our common stock and operating partnership units that we issued, and the amount of cash that we paid, in connection with the formation transactions aggregated \$2.8 billion based on the actual initial public offering price of our Class A common stock in such offering. The then existing entities and our predecessor's management companies declared final distributions, inclusive of reimbursement of expenses incurred in connection with the formation transactions, to the investors in such entities, including certain members of our senior management team and certain of our directors, in an amount of approximately \$180.0 million in the aggregate, and of which \$38.9 million was paid to the Malkin Group, including Peter L. Malkin and Anthony E. Malkin, in accordance to their ownership interests in each applicable entity and predecessor management company.

Under the contribution and merger agreements, Anthony E. Malkin directly and/or indirectly received 210,289 shares of our Class A common stock, 586,095 shares of our Class B common stock, and 28,718,631 operating partnership units, representing, in aggregate, a 12.0% beneficial interest in our company on a fully diluted basis, and Peter L. Malkin directly and/or indirectly received 2,772 shares of our Class A common stock, 100,084 shares of our Class B common stock, and 6,027,867 operating partnership units representing, in aggregate, a 2.5% beneficial interest in our company on a fully diluted basis. The Malkin Group, which includes Anthony E. Malkin, Peter L. Malkin and their related parties and affiliates, directly and/or indirectly received 396,025 shares of our Class A common stock, 747,435 shares of our Class B common stock, and 37,748,249 operating partnership units, representing, in aggregate, a 15.8% beneficial interest in our company on a fully diluted basis. Certain other members of our senior management team received an aggregate of 1,167,336 operating partnership units, and 2,407 shares of our Class B common stock representing a 0.5% interest on a fully diluted basis.

We did not conduct arm's-length negotiations with the parties involved regarding the terms of the formation transactions. In the course of structuring the formation transactions, certain members of our senior management team and other contributors had the ability to influence the type and level of benefits they received from us.

The term "Malkin Group" means all of the following, as a group: Anthony E. Malkin, Peter L. Malkin and each of their spouses and lineal descendants (including spouses of such descendants), any estates of any of the foregoing, any trusts now or hereafter established for the benefit of any of the foregoing, or any corporation, partnership, limited liability company or other legal entity controlled by Anthony E. Malkin or any permitted successor in such entity for the benefit of any of the foregoing; provided, however that solely with respect to tax protection rights and parties who entered into the contribution agreements described in this Annual Report on Form 10-K, the Malkin Group shall also include the lineal descendants of Lawrence A. Wien and his spouse (including spouses of such descendants), any estates of the foregoing, any trusts now or hereafter established for the benefit of any of the foregoing, or any corporation, partnership, limited liability company or other legal entity controlled by Anthony E. Malkin for the benefit of the foregoing.

Tax Protection Agreement

In connection with the completion of the Offering and the related formation transactions, we entered into a tax protection agreement with Anthony E. Malkin and Peter L. Malkin that is intended to protect the Malkin Group and an additional third party investor in Metro Center (who was one of the original landowners and was involved in the development of the property) against certain of the tax consequences described above to a limited extent.

First, this agreement provides that our operating partnership will not sell, exchange, transfer or otherwise dispose of four properties, which we refer to in this Section as protected assets, or any interest in a protected asset until October 7, 2025, with respect to First Stamford Place and the later of (x) October 7, 2021 or (y) the death of Peter L. Malkin and Isabel W. Malkin who are 82 and 79 years old, respectively, for the three other protected assets, Metro Center, 10 Bank Street and 1542 Third Avenue, unless:

- (1) Anthony E. Malkin consents to the sale, exchange, transfer or other disposition; or
- (2) our operating partnership delivers to each protected party thereunder a cash payment intended to approximate the tax liability arising from the recognition of the pre-contribution built-in gain resulting from the sale, exchange,

transfer or other disposition of such protected asset (with the pre-contribution “built-in gain” being not more than the taxable gain that would have been recognized by such protected party had the protected asset been sold for fair market value in a taxable transaction at the time of the consolidation) plus an additional amount so that, after the payment of all taxes on amounts received pursuant to the agreement (including any tax liability incurred as a result of receiving such payment), the protected party retains an amount equal to such protected party’s total tax liability incurred as a result of the recognition of the pre-contribution built-in gain pursuant to such sale, exchange, transfer or other disposition; or

- (3) the disposition does not result in a recognition of any built-in gain by the protected party.

Second, with respect to the Malkin Group, including Anthony E. Malkin and Peter L. Malkin, and one additional third party investor in Metro Center (who was one of the original landowners and was involved in the development of the property), to protect against gain recognition resulting from a reduction in such continuing investor’s share of the operating liabilities, the agreement provides that during the period from October 7, 2013 until such continuing investor owns less than the aggregate number of operating partnership units and shares of common stock equal to 50% of the aggregate number of such units and shares they received in the related formation transactions, which we refer to in this section as the tax protection period, our operating partnership will (i) refrain from prepaying any amounts outstanding under any indebtedness secured by the protected assets and (ii) use its commercially reasonable efforts to refinance such indebtedness at or prior to maturity at its current principal amount, or, if our operating partnership is unable to refinance such indebtedness at its current principal amount, at the highest principal amount possible. The agreement also provides that, during the tax protection period, our operating partnership will make available to such continuing investors the opportunity (i) to enter into a “bottom dollar” guarantee of their allocable share of \$160.0 million of aggregate indebtedness of our operating partnership meeting certain requirements or (ii) in the event our operating partnership has recourse debt outstanding and such a continuing investor agrees in lieu of guaranteeing debt pursuant to clause (i) above, to enter into a deficit restoration obligation, in each case, in a manner intended to provide an allocation of operating partnership liabilities to the continuing investor. In the event that a continuing investor guarantees debt of our operating partnership, such continuing investor will be responsible, under certain circumstances, for the repayment of the guaranteed amount to the lender in the event that the lender would otherwise recognize a loss on the loan, such as, for example, if property securing the loan was foreclosed and the value was not sufficient to repay a certain amount of the debt. A deficit restoration obligation is a continuing investor’s obligation, under certain circumstances, to contribute a designated amount of capital to our operating partnership upon our operating partnership’s liquidation in the event that the assets of our operating partnership are insufficient to repay our operating partnership liabilities.

Because we expect that our operating partnership will at all times have sufficient liabilities to allow it to meet its obligations to allocate liabilities to its partners that are protected parties under the tax protection agreement, our operating partnership’s indemnification obligation with respect to “certain tax liabilities” would generally arise only in the event that the operating partnership disposes in a taxable transaction of a protected asset within the period specified above in a taxable transaction. In the event of such a disposition, the amount of our operating partnership’s indemnification obligation would depend on several factors, including the amount of “built-in gain,” if any, recognized and allocated to the indemnified partners with respect to such disposition and the effective tax rate to be applied to such gain at the time of such disposition.

The operating partnership agreement requires that allocations with respect to such acquired property be made in a manner consistent with Section 704(c) of the Code. Treasury Regulations issued under Section 704(c) of the Code provide partnerships with a choice of several methods of allocating book-tax differences. Under the tax protection agreement, our operating partnership has agreed to use the “traditional method” for accounting for book-tax differences for the properties acquired by our operating partnership in the consolidation. Under the traditional method, which is the least favorable method from our perspective, the carryover basis of the acquired properties in the hands of our operating partnership (i) may cause us to be allocated lower amounts of depreciation and other deductions for tax purposes than would be allocated to us if all of the acquired properties were to have a tax basis equal to their fair market value at the time of acquisition and (ii) in the event of a sale of such properties, could cause us to be allocated gain in excess of its corresponding economic or book gain (or taxable loss that is less than its economic or book loss), with a corresponding benefit to the partners transferring such properties to our operating partnership for interests in our operating partnership.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Registration Rights

We entered into a registration rights agreement with certain persons receiving shares of our common stock or operating partnership units in the formation transactions, including certain members of our senior management team and our other continuing investors. In connection therewith, on October 7, 2014, which we refer to as the shelf effective date, we filed an automatically effective shelf registration statement, along with a prospectus supplement, with respect to, among other things, shares of our Class A common stock that may be issued upon redemption of operating partnership units or issued upon conversion of shares of Class B common stock to continuing investors in the public existing entities. Pursuant to the registration rights agreement, under certain circumstances, we will also be required to undertake an underwritten offering upon the written request of the Malkin Group, which we refer to as the holder, provided (i) the registrable shares to be registered in such offering will have a market value of at least \$150.0 million, (ii) we will not be obligated to effect more than two underwritten offerings during any 12-month period following the shelf effective date; and (iii) the holder will not have the ability to effect more than four underwritten offerings. In addition, if we file a registration statement with respect to an underwritten offering for our own account or on behalf of the holder, the holder will have the right, subject to certain limitations, to register such number of registrable shares held by him, her or it as each such holder requests. With respect to underwritten offerings on behalf of the holder, we will have the right to register such number of primary shares as we request; provided, however, that if cut backs are required by the managing underwriters of such an offering, our primary shares shall be cut back first (but in no event will our shares be cut back to less than \$25.0 million).

We have also agreed to indemnify the persons receiving rights against specified liabilities, including certain potential liabilities arising under the Securities Act, or to contribute to the payments such persons may be required to make in respect thereof. We have agreed to pay all of the expenses relating to the registration and any underwritten offerings of such securities, including, without limitation, all registration, listing, filing and stock exchange or FINRA fees, all fees and expenses of complying with securities or “blue sky” laws, all printing expenses and all fees and disbursements of counsel and independent public accountants retained by us, but excluding underwriting discounts and commissions, any out-of-pocket expenses (except we will pay any holder’s out-of-pocket fees (including disbursements of such holder’s counsel, accountants and other advisors) up to \$25,000 in the aggregate for each underwritten offering and each filing of a resale shelf registration statement or demand registration statement), and any transfer taxes. In connection with the shelf registration statement that we filed on October 7, 2014, we incurred expenses of approximately \$0.5 million.

Employment Agreement and Change in Control Severance Agreements

We entered into an employment agreement with Anthony E. Malkin, which provides for salary, bonuses and other benefits, including among other things, severance benefits upon a termination of employment under certain circumstances and the issuance of equity awards. See “Compensation of Our Executive Officers — Employment Agreement and Equity Award Agreements.” In addition, we entered into change in control severance agreements with Thomas P. Durels, David A. Karp, Thomas N. Keltner, Jr. and John B. Kessler. See “Compensation of Our Executive Officers — Change in Control Severance Agreements and Equity Award Agreements.”

Indemnification of Our Directors and Officers

We entered into indemnification agreements with each of our directors, executive officers, chairman emeritus and certain other parties, providing for the indemnification by us for certain liabilities and expenses incurred as a result of actions brought, or threatened to be brought, against (i) our directors, executive officers and chairman emeritus and (ii) our executive officers, chairman emeritus and certain other parties who are former members, managers, securityholders, directors, limited partners, general partners, officers or controlling persons of our predecessor in their capacities.

Related Party Transaction — Leasing

One of our directors is a general partner in an investment fund, which owns more than a 10% economic and voting interest in one of company’s tenants with annualized rent of \$4.4 million as of December 31, 2015.

Excluded Properties and Businesses

Our portfolio is partially comprised of all of our predecessor's Manhattan and greater New York metropolitan area office and retail assets in which it held a controlling interest and other metropolitan area office properties in which it had a non-controlling interest. The Malkin Group, including Anthony E. Malkin, our Chairman and Chief Executive Officer, owns non-controlling interests in, and Anthony E. Malkin and Peter L. Malkin control the general partners or managers of, the entities that own interests in five multi-family properties, six net leased retail properties, (including one single tenant retail property in Greenwich, Connecticut), and a parcel that is being developed for residential use. The Malkin Group also owns non-controlling interests in one Manhattan office property, two Manhattan retail properties and several retail properties outside of Manhattan, none of which were contributed to us in the formation transactions. We refer to the non-controlling interests described above collectively as the excluded properties. In addition, the Malkin Group owns interests in two mezzanine and senior equity funds, three industrial funds, and five residential property managers, none of which were contributed to us in the formation transactions, and which we refer to collectively as the excluded businesses. The Malkin Group owns certain non-real estate family investments that were not contributed to us in the formation transactions. With the possible exception of the Greenwich retail property, we do not believe that the excluded properties or the excluded businesses are consistent with our portfolio geographic or property type composition, management or strategic direction.

Pursuant to management and/or service agreements with the owners of interests in those excluded properties and services agreements with the five residential property managers and the managers of certain other excluded businesses which historically were managed by affiliates of our predecessor, we are designated as the manager of the excluded properties and will provide services to the owners of certain of the excluded properties and the five residential property managers and provide services and access to office space to the existing managers of the other excluded businesses. As the manager or service provider, we are paid a management or other fee with respect to those excluded properties and excluded businesses where our predecessor had previously received a management fee on the same terms as the fee paid to our predecessor, and reimbursed for our costs in providing the management and other services to those excluded properties and businesses where our predecessor had not previously received a management fee. Our management of the excluded properties and provision of services to the five residential property managers and the existing managers of the other excluded businesses represent a minimal portion of our overall business. There is no established time period in which we will manage such properties or provide services to the owners of certain of the excluded properties and the five residential property managers and provide services and access to office space to the existing managers of the other excluded businesses and Peter L. Malkin and Anthony E. Malkin expect to sell certain of these properties or unwind certain of these businesses over time. We are not precluded from acquiring all or certain interests in the excluded properties or businesses. If we were to attempt any such acquisition, we anticipate that Anthony E. Malkin, our Chairman and Chief Executive Officer, will not participate in the negotiation process on our behalf with respect to our potential acquisition of any of these excluded properties or businesses and the approval of a majority of our independent directors will be required to approve any such acquisition.

Guarantees

The mortgage loan on First Stamford Place is guaranteed and/or indemnified by Peter L. Malkin and Anthony E. Malkin. Our operating partnership entered into an indemnification agreement with Peter L. Malkin and Anthony E. Malkin pursuant to which our operating partnership is obligated to indemnify Peter L. Malkin and Anthony E. Malkin for any amounts paid by them under the guarantees and/or indemnities with respect to the First Stamford Place mortgage loan.

PROPOSAL 2: NON-BINDING, ADVISORY VOTE ON COMPENSATION OF NAMED EXECUTIVE OFFICERS

We seek your advisory vote on our executive compensation (as described in the “Compensation Discussion and Analysis” section of this Proxy Statement and the accompanying compensation tables and narrative disclosure) in accordance with the regulations under Section 14A of the Exchange Act. The following proposal, commonly known as a “Say on Pay” proposal, gives stockholders the opportunity to approve, reject or abstain from voting with respect to our fiscal 2015 executive compensation programs and policies and the compensation paid to our named executive officers during 2015. Your non-binding, advisory vote will serve as an additional tool to guide our Board of Directors and our Compensation Committee in aligning our executive compensation programs with the interests of our company and our stockholders. In considering this vote, we encourage common stockholders to carefully review the information presented on our compensation policies and decisions regarding our executive officers, as disclosed in detail in this Proxy Statement under “Compensation Discussion and Analysis” and “Compensation of our Executive Officers.”

As discussed in the “Compensation Discussion and Analysis” section of this Proxy Statement, the primary objectives of our executive compensation program are to attract and retain qualified and talented individuals who possess the skills and expertise necessary to lead, manage and grow our company, and are accountable for the performance of our company. We also seek to promote an ownership mentality amongst our named executive officers by issuing equity grants to them that not only align their interests with the interests of our stockholders, but also enhance the executives’ focus on our long-term performance. We believe this strong tie between compensation and performance leads to the success of our company and serves the best interests of our stockholders. Further, our Compensation Committee regularly reviews all elements of the compensation paid to our named executive officers. Our Compensation Committee believes that our present compensation program, as described in the Compensation Discussion and Analysis section and the accompanying tables and related narrative in this Proxy Statement, aligns the interests of our named executive officers with our stockholders, and incentivizes our executives to focus on the achievement of our long-term business objectives.

Approval of this non-binding, advisory “Say on Pay” resolution requires the affirmative vote of the holders of a majority of the votes cast at the Annual Stockholders Meeting at which a quorum is present.

The vote on this proposal is non-binding and advisory in nature. Because of this, it will not affect any compensation already paid or awarded to any named executive officer, and it will not be binding on or overrule any decisions by our Board of Directors or our Compensation Committee. Nevertheless, our Board of Directors highly values input from our stockholders, and our Compensation Committee will carefully consider the results of this vote when making future decisions about executive compensation. In addition, even if a majority of our stockholders approves this proposal, if there is a significant vote against the compensation of our named executive officers, our Compensation Committee will evaluate whether any actions are appropriate to address the concerns of our stockholders. The vote on this resolution is not intended to address any specific element of compensation; rather, the vote relates to the overall compensation of our named executive officers, as described in this Proxy Statement in accordance with the compensation disclosure rules of the SEC.

Our Board of Directors unanimously recommends that you vote “FOR” the following non-binding advisory resolution:

“RESOLVED, that the compensation paid to our named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the “Compensation Discussion and Analysis,” the compensation tables and narrative discussion, is hereby APPROVED, on a non-binding, advisory basis.”

PROPOSAL 3: RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Audit Committee has selected the accounting firm of Ernst & Young LLP to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2016, subject to ratification of this appointment by our common stockholders. Action by stockholders is not required by law, the NYSE or our organizational documents in the appointment of an independent registered public accounting firm, but this appointment is submitted by our Board of Directors for ratification as a matter of good corporate governance in order to give our stockholders a voice in the designation of auditors. If the appointment is not ratified by our stockholders, our Board of Directors will further consider its choice of Ernst & Young LLP as our independent registered public accounting firm. Ernst & Young LLP has served as our independent registered public accounting firm since May 2010 and is considered by our management to be well-qualified. Ernst & Young LLP has advised us that neither it nor any member thereof has any financial interest, direct or indirect, in our company or any of our subsidiaries in any capacity.

A representative of Ernst & Young LLP will be present at the Annual Stockholders Meeting. The representative will have an opportunity to make a statement if he or she desires and will be available to respond to appropriate questions.

Fee Disclosure

The following table lists the fees for services rendered by our independent registered public accounting firm for the years ended December 31, 2015 and 2014.

	2015	2014
Audit Fees (1)	\$ 2,101,995	\$ 2,803,629
Audit Related Fees	—	—
Tax Fees (2)	766,870	638,400
All Other Fees	—	—
Total	\$ 2,868,865	\$ 3,442,029

- (1) Audit fees billed in 2015 and 2014 arose from the audit of our annual consolidated financial statements, acquisition audits, reviews of our quarterly consolidated financial statements, statutory and regulatory audits, consents and other services related to filings with the SEC.
- (2) 2015 and 2014 Tax Fees consist of (a) tax return preparation and compliance fees of \$543,000 and \$412,800, respectively, for assistance regarding federal and state tax compliance, and return preparation, and (b) other tax fees of \$223,870 and \$225,600, respectively, for tax planning, tax advice and related tax services.

Our Audit Committee considers whether the provision by Ernst & Young LLP of the services that are required to be described under “All Other Fees” is compatible with maintaining Ernst & Young LLP’s independence from both management and our company.

Pre-Approval Policies and Procedures of our Audit Committee

Our Audit Committee must pre-approve all audit services and permissible non-audit services provided by our independent registered public accounting firm. In the intervals between the scheduled meetings of the Audit Committee, the Audit Committee delegates pre-approval authority under the pre-approval policy to the Chair of the Audit Committee. The Chair must report any pre-approval decisions under the Policy to the Audit Committee at its next scheduled meeting.

The proposal to ratify the selection of Ernst & Young LLP as our independent registered public accounting firm requires the affirmative vote of the holders of a majority of the votes cast at the stockholder meeting at which a quorum is present.

Our Board of Directors unanimously recommends a vote “FOR” the ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016.

A UDIT C OMMITTEE R EPORT

The following is a report by the Audit Committee of our Board of Directors regarding the responsibilities and functions of the Audit Committee. This report shall not be deemed to be incorporated by reference in any previous or future documents filed by us with the SEC, under the Securities Act of 1933, as amended, or the Securities Act, or the Exchange Act, except to the extent that we specifically incorporate this report by reference in any such document.

The Audit Committee's purposes are to (i) assist the Board of Directors in its oversight of (a) the integrity of the company's financial statements, (b) the company's compliance with legal and regulatory requirements, (c) the qualifications and independence of the company's independent registered public accounting firm, and (d) the performance of the company's independent registered public accounting firm and the company's internal audit function; and (ii) prepare an Audit Committee report as required by the Securities and Exchange Commission (the "SEC") for inclusion in the company's annual proxy statement. The function of the Audit Committee is oversight. The Board of Directors, in its business judgment, has determined that all members of the Audit Committee are "independent," as required by applicable listing standards of the New York Stock Exchange (the "NYSE"), as currently in effect, and in accordance with the rules and regulations promulgated by the SEC. The Board of Directors has also determined that each member of the Audit Committee is financially literate and has accounting or related financial management expertise, as such qualifications are defined under the rules of the NYSE, and that each of S. Michael Giliberto, Alice M. Connell and Thomas J. DeRosa, is an "audit committee financial expert" as defined in Item 407(d)(5) of the SEC Regulation S-K. The Audit Committee operates pursuant to an Audit Committee Charter.

Management is responsible for the preparation, presentation and integrity of the company's financial statements, for the establishment and effectiveness of internal control over financial reporting, and for maintaining appropriate accounting and financial reporting principles and policies and internal controls and procedures that provide for compliance with accounting standards and applicable laws and regulations. The independent registered public accounting firm, Ernst & Young LLP, is responsible for planning and carrying out a proper audit of the Company's annual financial statements in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States) ("PCAOB"), expressing an opinion as to the conformity of such financial statements with generally accepted accounting principles and auditing the effectiveness of internal control over financial reporting.

In performing its oversight role, the Audit Committee has considered and discussed the audited consolidated financial statements with management and Ernst & Young LLP. The Audit Committee has also discussed with Ernst & Young LLP the matters required to be discussed by PCAOB Auditing Standard No. 16, Communications with Audit Committees. The Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by PCAOB Ethics and Independence Rules 3526, Communication with Audit Committees Concerning Independence. The Audit Committee has also discussed with the independent registered public accounting firm its independence. The independent registered public accounting firm has free access to the Audit Committee to discuss any matters the firm deems appropriate. The Audit Committee has also met with and discussed internal audit reports with an internal auditor. Further, the Audit Committee has overseen the company's Whistleblowing and Whistleblower Policy and performed a periodic review of related reports.

Based on the reports and discussions described in the preceding paragraph and subject to the limitations on the role and responsibilities of the Audit Committee referred to below and in the Audit Committee Charter in effect during 2015, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2015.

Members of the Audit Committee rely without independent verification on the information provided to them and on the representations made by management and the independent registered public accounting firm. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the company's consolidated financial statements has been carried out in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States), that the consolidated financial statements are presented in accordance with accounting

principles generally accepted in the United States of America, that Ernst & Young LLP is in fact “independent,” or that the company’s internal controls are effective.

OTHER MATTERS

Solicitation of Proxies

We will pay the cost of solicitation of proxies. In addition to the solicitation of proxies by mail, our directors, officers and employees may also solicit proxies personally or by telephone without additional compensation for such activities. We will also request persons, firms and corporations holding shares in their names or in the names of their nominees, which are beneficially owned by others, to send proxy materials to, and obtain proxies from, such beneficial owners. We will reimburse such holders for their reasonable expenses.

List of Stockholders

A list of our stockholders entitled to vote at our Annual Stockholders Meeting will be available at our Annual Stockholders Meeting and for ten days prior to our Annual Stockholders Meeting, between the hours of 8:45 a.m. and 4:30 p.m., by written request to the Corporate Secretary, Empire State Realty Trust, Inc., One Grand Central Place, 60 East 42nd Street, New York, New York, 10165.

Multiple Copies of Our Annual Report to Stockholders

Our 2015 Annual Report to Stockholders accompanies this Proxy Statement. In order to reduce printing and postage costs and in accordance with the SEC rules, we have undertaken an effort to deliver only one Annual Report, Proxy Statement or notice, as applicable, to multiple stockholders of record sharing an address. This delivery method, called “householding” is not being used, however, if we have received contrary instructions from one or more of the stockholders sharing an address. If your household has received only one set of our Annual Report, Proxy Statement or Notice of Availability, as applicable, we will deliver promptly a separate copy of our 2015 Annual Report on Form 10-K, our 2015 Annual Report to Stockholders, this Proxy Statement or Notice of Availability, as applicable, to any stockholder who sends a written request to the Corporate Secretary, Empire State Realty Trust, Inc., One Grand Central Place, 60 East 42nd Street, New York, New York 10165. Requests may also be directed to the Corporate Secretary at (212) 687-8700. You can also notify us that you would like to receive separate copies of our annual reports, proxy statements or notices of internet availability of proxy materials in the future by sending a written request to our Corporate Secretary at the address set forth above or by contacting the Corporate Secretary at (212) 687-8700. If your household is receiving multiple copies of our annual reports, proxy statements and notices of internet availability of proxy materials, and you wish to request delivery of a single copy, you may send a written request to our Corporate Secretary at the address set forth above. Even if your household has received only one set of our Annual Report and Proxy Statement, a separate Proxy Card has been provided for each stockholder account. Each Proxy Card should be signed, dated, and returned in the enclosed self-addressed envelope.

If you own shares of common stock through a bank, broker or other nominee and receive more than one set of annual reports, proxy statements or notices of internet availability of proxy materials, you can contact the bank, broker or other nominee to eliminate duplicate mailings.

Confidentiality of Voting

We keep all the proxies, ballots, and voting tabulations confidential as a matter of practice. We only let our Inspector of Election, Broadridge Financial Solutions, Inc., examine these documents. Occasionally, stockholders provide written comments on their Proxy Card, which are then forwarded to us by Broadridge.

Voting Results

Broadridge, our independent tabulating agent, will count the votes and act as the Inspector of Election. We will publish the voting results in a Current Report on Form 8-K, which will be filed with the SEC within four business days after the Annual Stockholders Meeting.

OTHER MATTERS

Stockholder Proposals

Stockholder proposals intended to be presented at the 2017 annual meeting of stockholders must be received by our Secretary no later than December 21, 2016 in order to be considered for inclusion in our proxy statement relating to the 2017 meeting pursuant to Rule 14a-8 under the Exchange Act. Such proposals must also comply with the requirements as to form and substance established by the SEC if such proposals are to be included in the proxy statement and form of proxy. Any such proposal should be mailed to: Corporate Secretary, Empire State Realty Trust, Inc., One Grand Central Place, 60 East 42nd Street, New York, New York 10165.

For a proposal of a stockholder to be properly presented at the 2017 annual meeting of stockholders, including nominations for inclusion in the proxy statement, other than a stockholder proposal included in the proxy statement pursuant to Rule 14a-8, such proposal must be received at our principal executive offices on or after November 20, 2016 and prior to 5:00 p.m., Eastern Time, on December 21, 2016, unless the 2017 annual meeting of stockholders is scheduled to take place before May 1, 2017 or after June 30, 2017. Under our bylaws, stockholders must follow certain procedures to nominate a person for election as a director at an annual meeting of stockholders, or to introduce an item of business at such meeting. A stockholder must notify our Corporate Secretary in writing of the director nominee or the other business. To be timely under our current bylaws, the notice must be delivered to our Secretary, along with the appropriate supporting documentation, as applicable, at our principal executive office not earlier than the 150th day nor later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the date of the proxy statement for the preceding year's annual meeting; provided, however, that in the event that the date of the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of the preceding year's annual meeting, notice by the stockholder to be timely must be so delivered not earlier than the 150th day prior to the date of such annual meeting and not later than 5:00 p.m., Eastern Time, on the later of the 120th day prior to the date of such annual meeting, as originally convened, or the 10th day following the day on which public announcement of the date of such meeting is first made.
