Financial Roadmap

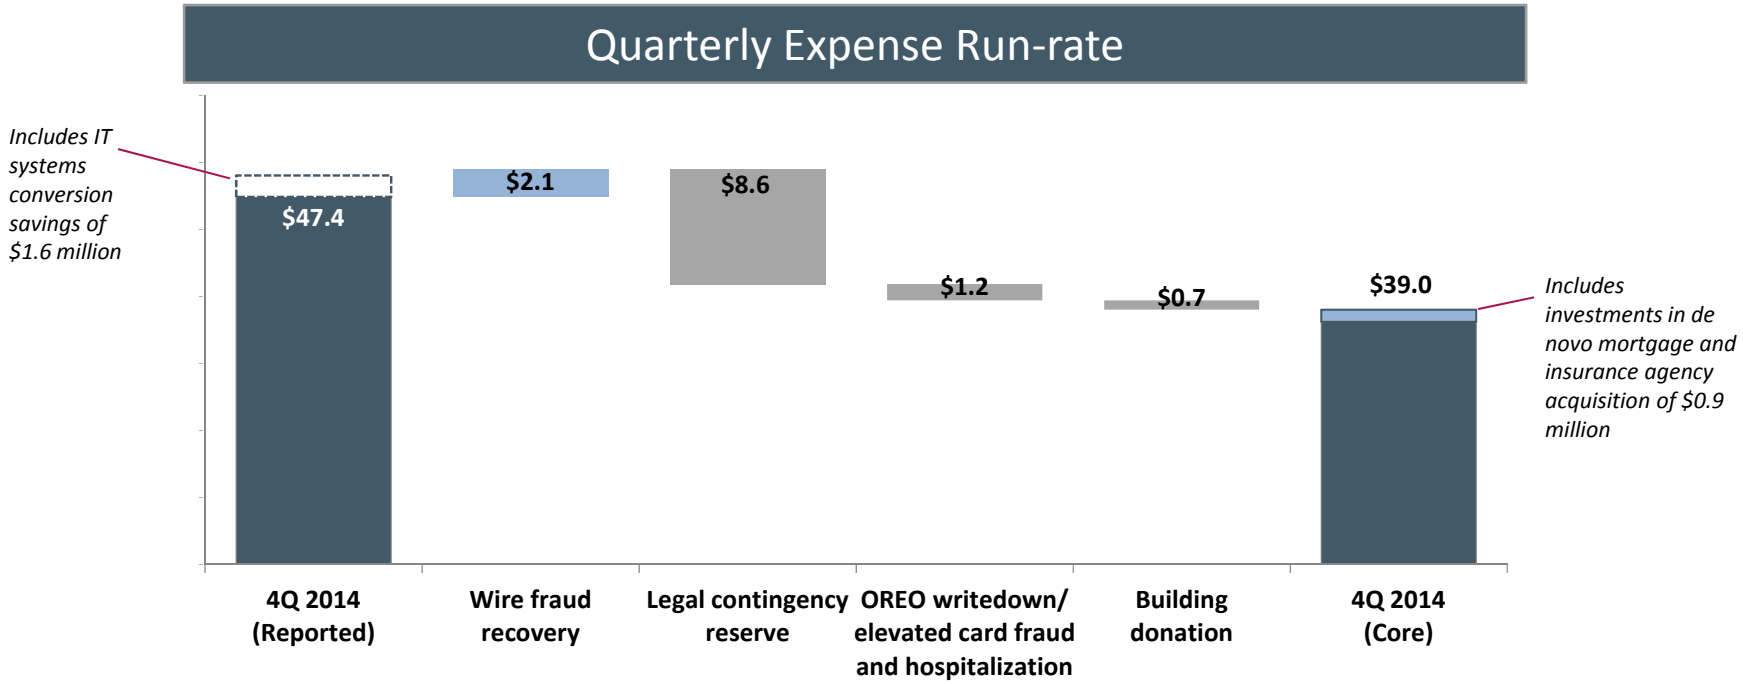

First Commonwealth's transformative efforts have laid the foundation for future growth

➔ **Result: Double-digit EPS growth**

Focus	Key Drivers	Comments
Spread Income	Loan Growth Margin Balance Sheet Management	▪ Loans grew by $176.0 million, or 4.1% in 2014 ▪ Commercial originations focused on variable rate C&I; consumer originations focused on indirect auto – High spread, but lower NIM – Short duration helps asset sensitivity ▪ Active balance sheet management has supported margin
Fee Income	Wealth Management Mortgage Insurance Service Charges	▪ New leadership in Wealth unit ▪ De novo mortgage initiative launched in 2014 – Expect to curtail historic runoff of ~1% annually ▪ Commercial insurance agency acquisition in 4Q should boost fee income ▪ Deposit service charges hurt by conversion, but expected to recover
Operating Expenses	IT Systems Conversion Real Estate Culture	▪ Invested $12.0 million in IT systems conversion; expected to save $7.4 million annually ▪ Optimizing underutilized facilities and branch network ▪ Creating a culture of tight expense control focused on operating leverage
Credit Costs	Net Charge-offs Credit Trends	▪ Low credit costs are essential to long-term competitiveness ▪ NCOs were 31bps in 2014, but only 12bps (annualized) in 4Q14 ▪ Credit metrics remain at 5-year lows

Operating Expenses

- Expected total investment of IT systems conversion was $11 - $12 million
  - ✓ Actual investment was $12.0 million
- Expected to save $6 - $8 million annually
  - ✓ Annualized savings of approximately $7.4 million have been identified

Revenue Growth

Opportunities

- Rethink retail delivery
- Leverage strong brand position
- Grow mortgage banking business
- Leverage commercial capabilities
- Redefine wealth management

Intended Outcomes

- Deepen wallet share
- Diversify revenue sources
- Increase Fee Income
- Enhance profitability

Loans

Annual loan growth of $176 million in 2014 coming primarily from commercial portfolios, including solid production from a recently opened business center in Cleveland

Strategic Focus

Mission

To help our neighbors and the businesses within our communities realize their financial goals as a trusted partner and friend.

Strategic Themes

1) Develop the most talented community bank team

2) Deliver a differentiated and authentic community bank experience

3) Build an enduring credit culture

4) Migrate to a culture of operating excellence

5) Thoughtfully manage capital

6) Continue to transform the company with a sense of urgency

Investment Thesis

Credit…*lower long-term credit costs becoming a competitive differentiator*

- Building best-in-class credit infrastructure
- Significantly de-risked loan portfolio since 2009

Capital…*thoughtfully deploy capital to benefit all stakeholders*

- Four consecutive years of dividend increases (3.3% yield as of 02/05/15)
- Repurchased approximately 13% of shares outstanding since June 2012

Earnings…*new management team focused on driving positive operating leverage*

- August 2014 IT conversion already driving operational efficiencies
- Revenue growth driven by commercial lending, de novo mortgage business and improved cross-selling
- Core retail and commercial businesses remain stable with continued tailwinds expected from Marcellus Shale activities

Fundamental Community Banking

2. Deliver a differentiated and authentic community bank experience and become the best choice for businesses and their employees

- ➔ Evolution of distribution is critical
- ➔ Safely improving core performance
  - 〉Good organic growth in loans and DDAs
  - 〉Very low customer attrition rate
- ➔ Cultural commitment to community banking
  - 〉Objective retail and corporate banking measures of customer satisfaction and brand awareness are at or near all-time highs
  - 〉Named to Forbes' "50 Most Trustworthy Financial Companies" in 2014
  - 〉Among most improved (from 10th to 6th ranking) in J.D. Power's 2013 Retail Banking Customer Satisfaction Survey for Mid-Atlantic region; maintained #6 rank in 2014

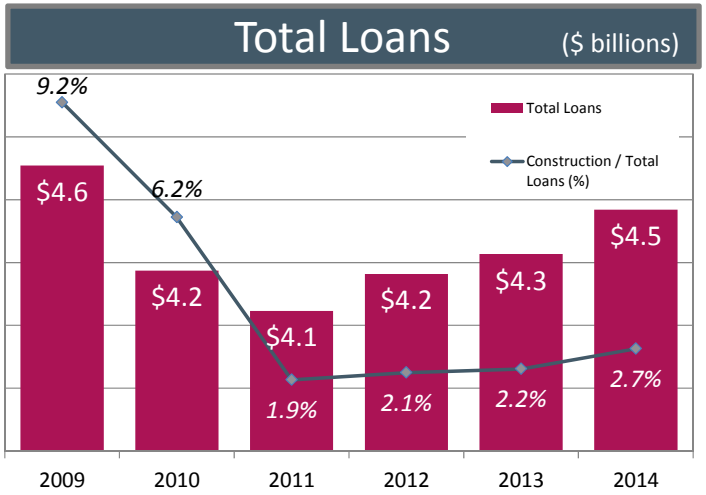

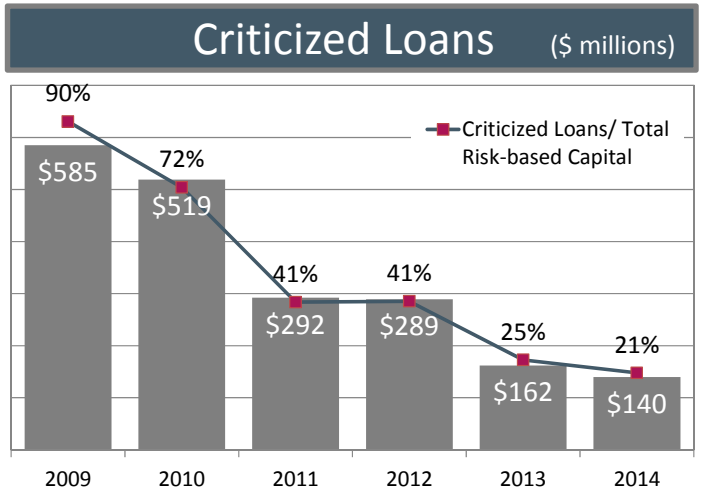

(1) Raddon customer satisfaction survey data represents 6-month rolling averages for First Commonwealth Bank

Credit Infrastructure

3. Build an enduring credit culture that outperforms peers and is simultaneously "open for business"

- Realigned and strengthened credit function since 2009, including several key hires
- Improved risk profile within commercial loan portfolio
  - Significantly reduced out-of-market CRE and construction exposures
  - Managed down large individual exposures (>$15 million) to create a more granular portfolio
  - Adopted tighter concentration, geographic and single-borrower exposure limits

Changing Corporate Culture

4. Enthusiastically migrate to a culture of operating excellence – efficiency, ROA, NIM and growth

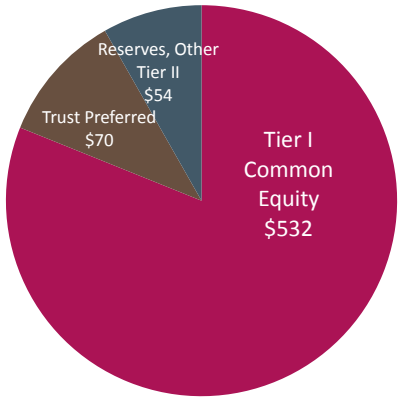

- Effective use of Technology
  - Evolving our technology systems and processes will be the catalyst for improving our operating environment going forward
- Operational savings
  - Reduced FTEs by 233, or 14%, since December 2009
  - Reduced management layers
  - Renegotiated third-party contracts
  - Changed marketing mix
- Opportunities
  - Develop a culture of horizontal process management
  - Create accountability for unit cost management at every line of business and business unit
  - Understand the necessity of operating leverage in decision making

Capital Position

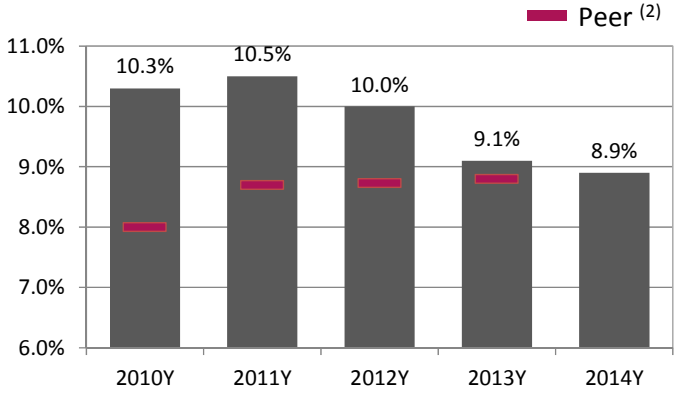

5. Thoughtfully manage capital to ensure stability and benefit shareholders

- Recent capital management activities include:
  - Increased quarterly dividend from $0.06 to $0.07 in 1Q 2014
  - Repurchased 13.7 million (or approximately 13%) of shares outstanding since June 2012
  - Announced an additional $25 million buyback in January 2015
  - Retired $32.5 million of high-cost fixed-rate trust preferred debt on April 1, 2013

Regulatory Capital

(2) Peer group median includes publicly traded Mid-Atlantic banks between $2-$12 billion in total assets
$ millions; as of December 31, 2014

Strategic Direction

6. Continue to transform the company with a sense of urgency… good enough is not enough

- Embrace the pace of change now inherent in the banking industry
- Actively pursue new product offerings and enhancements to remain relevant in the marketplace
- Grow revenue with more of the right business customers and better execution around pricing
- Expense control is essential
- Effectively manage risk with a focus on credit, compliance, fraud and cyber threats
