FORWARD-LOOKING STATEMENTS

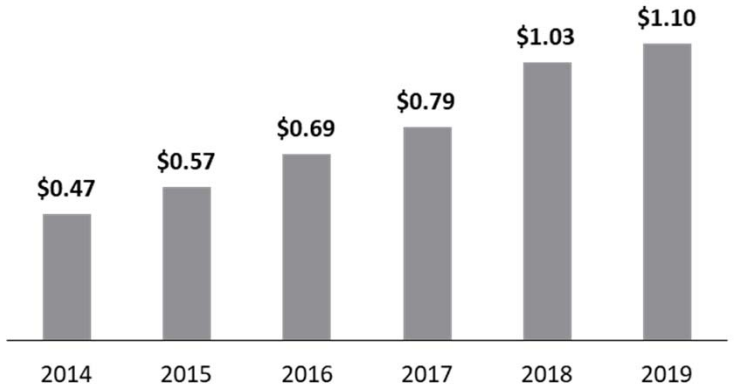

This presentation contains forward-looking statements about First Commonwealth's future plans, strategies and financial performance. These statements can be identified by the fact that they do not relate strictly to historical or current facts and often include words such as "believe," "expect," "anticipate," "intend," "plan," "estimate" or words of similar meaning, or future or conditional verbs such as "will," "would," "should," "could" or "may." Such statements are based on assumptions and involve risks and uncertainties, many of which are beyond our control. Factors that could cause actual results, performance or achievements to differ from those discussed in the forward-looking statements include, but are not limited to:

- *Local, regional, national and international economic conditions and the impact they may have on First Commonwealth and its customers;*
- *volatility and disruption in national and international financial markets;*
- *the effects of and changes in trade and monetary and fiscal policies and laws, including the interest rate policies of the Federal Reserve Board;*
- *inflation, interest rate, commodity price, securities market and monetary fluctuations;*
- *the effect of changes in laws and regulations (including laws and regulations concerning taxes, banking, securities and insurance) with which First Commonwealth must comply;*
- *the soundness of other financial institutions;*
- *political instability;*
- *impairment of First Commonwealth's goodwill or other intangible assets;*
- *acts of God or of war or terrorism;*
- *the timely development and acceptance of new products and services and perceived overall value of these products and services by users;*
- *changes in consumer spending, borrowings and savings habits;*
- *changes in the financial performance and/or condition of First Commonwealth's borrowers;*
- *technological changes;*
- *acquisitions and integration of acquired businesses;*
- *First Commonwealth's ability to attract and retain qualified employees;*
- *changes in the competitive environment in First Commonwealth's markets and among banking organizations and other financial service providers;*
- *the ability to increase market share and control expenses;*
- *the effect of changes in accounting policies and practices, as may be adopted by the regulatory agencies, as well as the Public Company Accounting Oversight Board, the Financial Accounting Standards Board and other accounting standard setters;*
- *the reliability of First Commonwealth's vendors, internal control systems or information systems;*
- *the costs and effects of legal and regulatory developments, the resolution of legal proceedings or regulatory or other governmental inquiries, the results of regulatory examinations or reviews and the ability to obtain required regulatory approvals; and*
- *other risks and uncertainties described in the reports that First Commonwealth files with the Securities and Exchange Commission, including its most recent Annual Report on Form 10-K.*

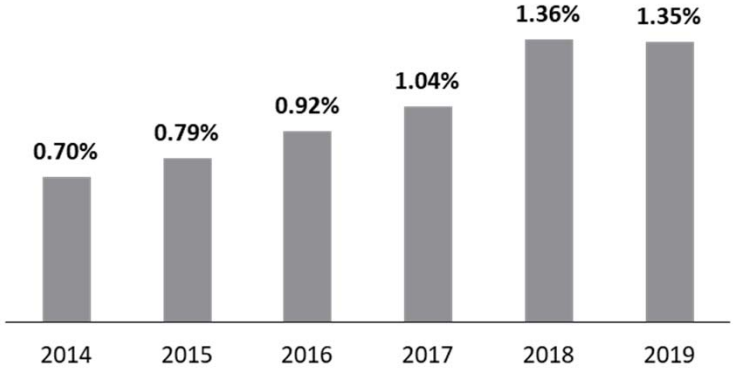

Forward-looking statements speak only as of the date on which they are made. First Commonwealth undertakes no obligation to update any forward-looking statements to reflect circumstances or events that occur after the date the forward-looking statements are made.

INVESTMENT THESIS

- Authentic, mission-driven community bank
  - Commercially-focused loan portfolio, balanced by consumer lending
  - Exceptionally low cost of funds, driven by loyal customer base and commercial deposits
  - Diversified geography through legacy Pennsylvania operations and expansion into Ohio markets
  - Diversified revenue streams and product mix, with approximately 25% of revenue from fee income sources (including trust, brokerage, insurance, mortgage and SBA lending)
- Proven ability to control expenses and deliver positive operating leverage
  - Significant cost reduction through core system conversion and retail restructuring
  - Redeploying cost savings into revenue-generating positions, digital transformation and new business initiatives (e.g., mortgage, SBA)
- Disciplined growth strategies aimed at efficiently deploying capital
  - Targeting mid-single-digit loan growth funded by commensurate growth in deposits
  - Successful track record of low-risk acquisitions
- Risk and governance culture aligned with expectations of long-term stakeholders

REGIONAL LEADERSHIP MODEL

First Commonwealth transitioned to a regional leadership model in 2018

- Leadership and accountability lies with the regional presidents
- Better connectedness between lines of business
- Wealth referrals increasing
- SBA loans sourced from Corporate banking and branches
- Mortgage – Insurance referrals increasing
- Key customer satisfaction survey metrics continue to improve
- Deposit growth has outstripped loan growth in 2019

STABLE LOW-COST DEPOSIT ADVANTAGE

Deposit Composition ($mm)(1)

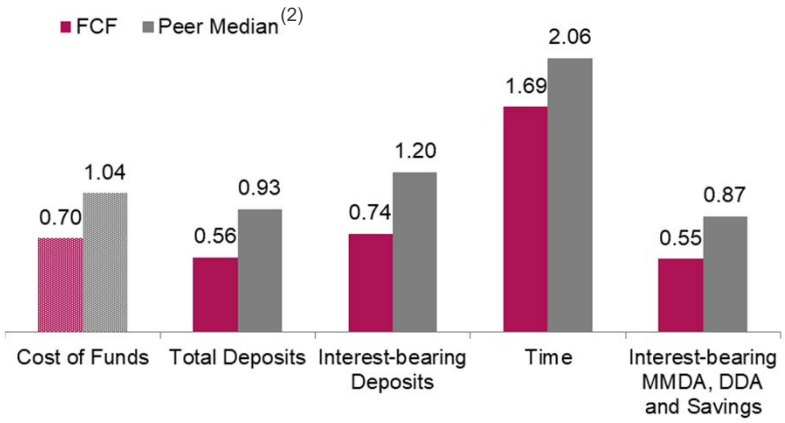

Geographic Breakdown(1)

- 55% of the Bank's deposits are sourced from rural Western Pennsylvania and Northern Ohio where customers tend to be more loyal than larger metropolitan markets
- The Bank's current cost of deposits of 0.56% is in the 80th percentile among U.S. banks $2-$10 billion
- Deposits have grown steadily since 2015 though thoughtful M&A and organic production
- Noninterest-bearing deposits currently comprise 25% of total deposits

REDUCED LOAN PORTFOLIO RISKS

- Increased granularity and decreased concentration risk
  - Expanding consumer, middle market and small business relationships
  - Geographic expansion decreases single market or location risk
  - Adopted a regional banking model
- Strengthened credit culture
  - Enhanced tracking, monitoring and managing credit risk
  - Improved portfolio management
    - Rotated out of riskier sectors (e.g. oil and gas, coal)
    - Utilized capital markets to exit underperforming names
    - Adopted strict concentration and segment limits

DIGITAL STRATEGY

- **Create a mobile-centric, full-service banking capability** that stands on its own without the need for the customer to go to a branch or call the Engagement Center.
- Enhance ability to proactively engage customers in virtual conversations and **provide personalized Community Bank customer experiences**.
- Deliver digital platforms and tools which use contemporary design standards (User-Interface (UI) and User-Experience (UX)) and **promote customer engagement and education** around ongoing enhancements.
- Improve digital infrastructure to **support higher levels of security and integration** of new functionality.
- Drive revenue growth, operational efficiency and superior customer experience through the **digitalization of processes** and by **embracing evolving payments technology**.
- **Evolve data analytics** through education of data availability and tools, governance, and end user talent with outcome of better productivity, focused marketing, lowered risk and improved customer satisfaction.

DIGITAL AND PAYMENTS

- Consumer deposit accounts
- Consumer loans and lines of credit
- Home equity loans and lines

- Bank when, where and on whatever device you prefer
- Ongoing upgrades and enhancements to improve customer experience

- Online chat (product assistance)
- Secure chat for online banking
- Secure chat for online account opening

- User controls and alerts (debit card control)
- Digital tokens, online credential protection
- One-time Passcode (OTP)

- Mobile wallets
- Quick bill payments with Alexa

- Money Manager
  - o Budgets
  - o Goal setting and alerts
  - o Account aggregation

CONSUMER AND SMALL BUSINESS STRATEGY

- Developed a Retail banking model that adapts to changing customer preferences
  - Investments in alternative delivery channels and digital capabilities
  - Modified staffing levels and skill sets (universal bankers) to address lower transaction levels, while continuing to provide a full set of solutions
- Reemphasized SBA lending and strengthened talent beginning in 2016
  - Hired EVP Consumer and Small Business Lending with 30+ years of experience in December 2016
  - Currently #2 SBA lender in Pittsburgh, PA and #3 in Cleveland, OH
- Renewed focus on indirect auto lending beginning in 2018
  - Hired SVP Indirect Lending Executive with 20+ years of experience in September 2018

MERGER AND ACQUISITION STRATEGY

- Pursuing a measured approach to M&A, focusing on low-risk accretive acquisitions in preferred geographic markets
  - Bias is for a tight, drivable footprint including the Pittsburgh, Columbus, Cleveland, and Cincinnati metro markets
  - Preference for smaller, low-risk market extension deals in new metro markets, or market overlap deals in existing markets that offer strong depositories or cost takeout opportunities
  - Transactions must make sense both strategically and financially

- Building on lessons learned and experience from prior acquisitions – demonstrating an ability to execute and integrate
  - Acquisition of First Community Bank closed on October 1, 2015: Less than 1% dilution to tangible book value per share
  - Acquisition of 13 FirstMerit branches closed on December 2, 2016: 4.5% premium on deposits and immediately accretive to GAAP and cash earnings per share, as low-cost deposits were used to pay down higher-cost borrowings
  - Acquisition of DCB Financial Corp. closed on April 3, 2017: Expanded FCF's footprint and provided a broader geography for mortgage and small business lending growth in central Ohio
  - Acquisition of Foundation Bank closed on May 1, 2018: Immediately accretive to FCF's tangible book value and nominally accretive to FCF's earnings
  - Acquisition of 14 Santander branches closed on September 9, 2019: 7.05% premium on deposits and immediately accretive to GAAP and cash earnings per share, proceeds were used to pay down short-term borrowings and reduced loan-to-deposit ratio to ~90%

MERGER AND ACQUISITION PRIORITIES

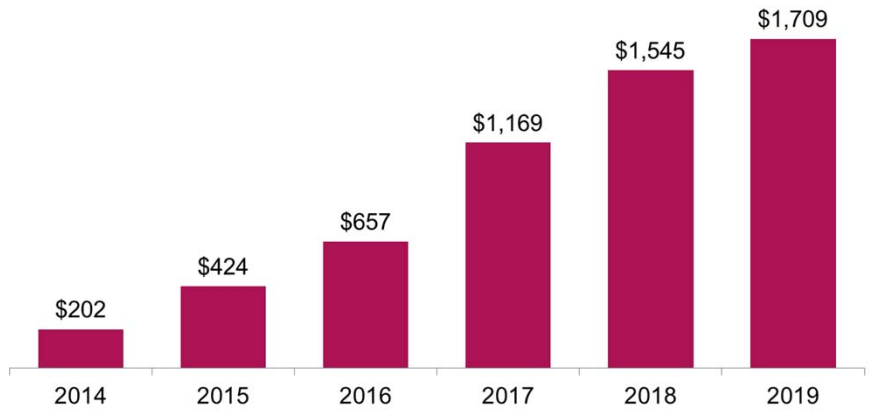

Strategic Priorities	Primary Strategic Objective
1. Acquire banks or branches in Pittsburgh to increase deposit balances and consolidate branches	➢ Grow primary deposit relationships ➢ Build scale
2. Acquire banks or branches in Columbus, Cincinnati and Northern Ohio to increase scale and market penetration	➢ Grow primary deposit relationships ➢ Become the best business bank ➢ Build scale
3. Acquire banks in Western PA community markets to increase deposit balances and consolidate branches	➢ Grow primary deposit relationships ➢ Build scale
4. Acquire banks in deposit-rich rural Ohio markets	➢ Grow primary deposit relationships
5. Acquire banks or branches in contiguous markets	➢ Build commercial banking loans and deposits ➢ Grow primary deposit relationships
6. Explore non-bank acquisitions to include RIA, trust company, specialty finance, insurance and FinTech	➢ Expand wealth business ➢ Continue to invest in digital channels ➢ Become the best business bank
