NEWS RELEASE

AbCellera Announces Virtual Presentations at Investor Conferences in November

11/4/2021

VANCOUVER, British Columbia--(BUSINESS WIRE)-- **AbCellera** (Nasdaq: ABCL) today announced that executives from the Company will present at the following virtual investor conferences:

- Credit Suisse 30th Annual Virtual Healthcare Conference on Thursday, November 11 at 7:30 a.m. Pacific Time
- Stifel 2021 Virtual Healthcare Conference on Tuesday, November 16 at 10:20 a.m. Pacific Time
- Piper Sandler 33rd Annual Virtual Healthcare Conference on Tuesday, November 30 (recorded and available on November 22)

Live audio webcasts of the Credit Suisse and Stifel presentations may be accessed through links that will be posted on **[AbCellera's Investor Relations website](#)**. A replay of all three recordings will be available at the same location following the presentations.

About AbCellera Biologics Inc.

AbCellera is a technology company that searches, decodes, and analyzes natural immune systems to find antibodies that its partners can develop into drugs to prevent and treat disease. AbCellera partners with drug developers of all sizes, from large pharmaceutical to small biotechnology companies, empowering them to move quickly, reduce costs, and tackle the toughest problems in drug development.
