

NEWS RELEASE

Archrock Increases Quarterly Cash Dividend

2026-01-29

HOUSTON, Jan. 29, 2026 (GLOBE NEWSWIRE) -- Archrock, Inc. (NYSE: AROC) ("Archrock" or the "Company") today announced that its Board of Directors has declared an increased quarterly dividend of \$0.22 per share of common stock, or \$0.88 per share on an annualized basis. The fourth quarter 2025 dividend will be paid on February 18, 2026 to all stockholders of record on February 10, 2026.

The fourth quarter 2025 dividend per share amount represents an increase of approximately 5 percent over the Archrock third quarter 2025 dividend level and an increase of approximately 16 percent over the Archrock fourth quarter 2024 dividend level.

"We believe the highly constructive natural gas demand outlook and our disciplined capital allocation give us strong visibility into meaningful near- and long-term growth and expected free cash generation, supporting our ability to grow the dividend over time with robust coverage. We look forward to updating you on Archrock's results and providing 2026 guidance on our earnings call in February," said Brad Childers, Archrock's President and Chief Executive Officer.

About Archrock

Archrock is an energy infrastructure company with a primary focus on midstream natural gas compression and a commitment to helping its customers produce, compress and transport natural gas in a safe and environmentally responsible way. Headquartered in Houston, Texas, Archrock is a premier provider of natural gas compression services to customers in the energy industry throughout the U.S. and a leading supplier of aftermarket services to customers that own compression equipment.
