## **Victory Capital Announces New Share Repurchase Authorization**

SAN ANTONIO, Aug. 28, 2019 (GLOBE NEWSWIRE) -- Victory Capital Holdings, Inc. (NASDAQ: VCTR) ("Victory Capital" or the "Company") today announced that its Board of Directors has approved a new common stock repurchase program authorizing the repurchase of up to \$15 million of its Class A Common Stock through December 31, 2020.

"This new authorization demonstrates the Board's unwavering confidence in our long-term growth strategy," said David Brown, Chairman and Chief Executive Officer. "Nevertheless, reducing debt to support acquisition initiatives remains the primary use of our free cash flow. With rising levels of cash generation, we can also continue to invest in our integrated platform while returning capital to shareholders through share repurchases and dividends. The flexibility afforded by this balanced capital allocation approach allowed us to accelerate opportunistic share repurchases under the former authorization."

The Company's prior \$15 million stock repurchase authorization, initiated in May 2018, has been largely completed.

Under the new program, the Company may purchase its shares from time to time in the open market or in privately negotiated transactions. The amount and timing of the purchases will depend on a number of factors including the price and availability of the Company's shares, trading volume, capital availability, Company performance and general economic and market conditions. The share repurchase program may be suspended or discontinued at any time.
