Disclaimer

This presentation contains certain forward-looking statements that reflect the current views and/or expectations of Grupo Supervielle and its management with respect to its performance, business and future events. We use words such as “believe,” “anticipate,” “plan,” “expect,” “intend,” “target,” “estimate,” “project,” “predict,” “forecast,” “guideline,” “seek,” “future,” “should” and other similar expressions to identify forward-looking statements, but they are not the only way we identify such statements. Such statements are subject to a number of risks, uncertainties and assumptions. We caution you that a number of important factors could cause actual results to differ materially from the plans, objectives, expectations, estimates and intentions expressed in this release. Actual results, performance or events may differ materially from those in such statements due to, without limitation, (i) changes in general economic, financial, business, political, legal, social or other conditions in Argentina or elsewhere in Latin America or changes in either developed or emerging markets, (ii) changes in regional, national and international business and economic conditions, including inflation, (iii) changes in interest rates and the cost of deposits, which may, among other things, affect margins, (iv) unanticipated increases in financing or other costs or the inability to obtain additional debt or equity financing on attractive terms, which may limit our ability to fund existing operations and to finance new activities, (v) changes in government regulation, including tax and banking regulations, (vi) changes in the policies of Argentine authorities, (vii) adverse legal or regulatory disputes or proceedings, (viii) competition in banking and financial services, (ix) changes in the financial condition, creditworthiness or solvency of the customers, debtors or counterparties of Grupo Supervielle, (x) increase in the allowances for loan losses, (xi) technological changes or an inability to implement new technologies, (xii) changes in consumer spending and saving habits, (xiii) the ability to implement our business strategy and (xiv) fluctuations in the exchange rate of the Peso. The matters discussed herein may also be affected by risks and uncertainties described from time to time in Grupo Supervielle’s filings with the U.S. Securities and Exchange Commission (SEC) and Comisión Nacional de Valores (CNV). Readers are cautioned not to place undue reliance on forward-looking statements, which speak only as of the date of this document. Grupo Supervielle is under no obligation and expressly disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Unless otherwise indicated, all financial information of our company included in this presentation is stated in terms of the measuring unit current at the end of the reporting period.

Macro & Financial Sector Overview

SUPV Who we are

SUPV 3Q25 Results, SUPV Earnings Conference Call Presentation, November 26, 2025

Annex I: 3Q25 Supplementary Financial Information & Ratios

Annex II: Industry Outlook and Supplementary Information

Annex III: Macro

Annex IV: ESG Commitment

SUPV Who we are

WHO WE ARE

We are a **CUSTOMER CENTRIC** *Financial services* platform with high growth potential in the normalizing macroeconomic scenario

Strong **BRANDING**

**SUPV
LISTED
NYSE**

- Household name and the oldest private franchise in the country
- The seventh largest Argentine private bank in terms of loans
- Grupo Supervielle listed in NYSE and BYMA since 2016

CULTURAL & DIGITAL Transformation

- Placing the customer at the center of all we do
- Implemented a deep cultural and digital transformation across our company
- Adopted agile working methodologies

CUSTOMER SERVICE MODEL Evolution

- Development of a modern technology architecture with cloud services
 - Evolution of the physical and virtual branch network
- Incorporation of API capabilities to integrate with third parties (open banking)
 - Use of AI to optimize customer experience across all touchpoints
 - Integration of WhatsApp with Generative AI as a service channel
- Continuous improvement of NPS and processes towards greater efficiency

Building a service **ECOSYSTEM**

- Building an ecosystem that integrates products and services into a SuperApp
- An ecosystem that grows and evolves with solutions designed to deliver real value to people, bringing innovation into their everyday lives
- Strategic partnerships that expand the value proposition
- Synergies across our verticals and subsidiaries to foster loyalty and cross-selling

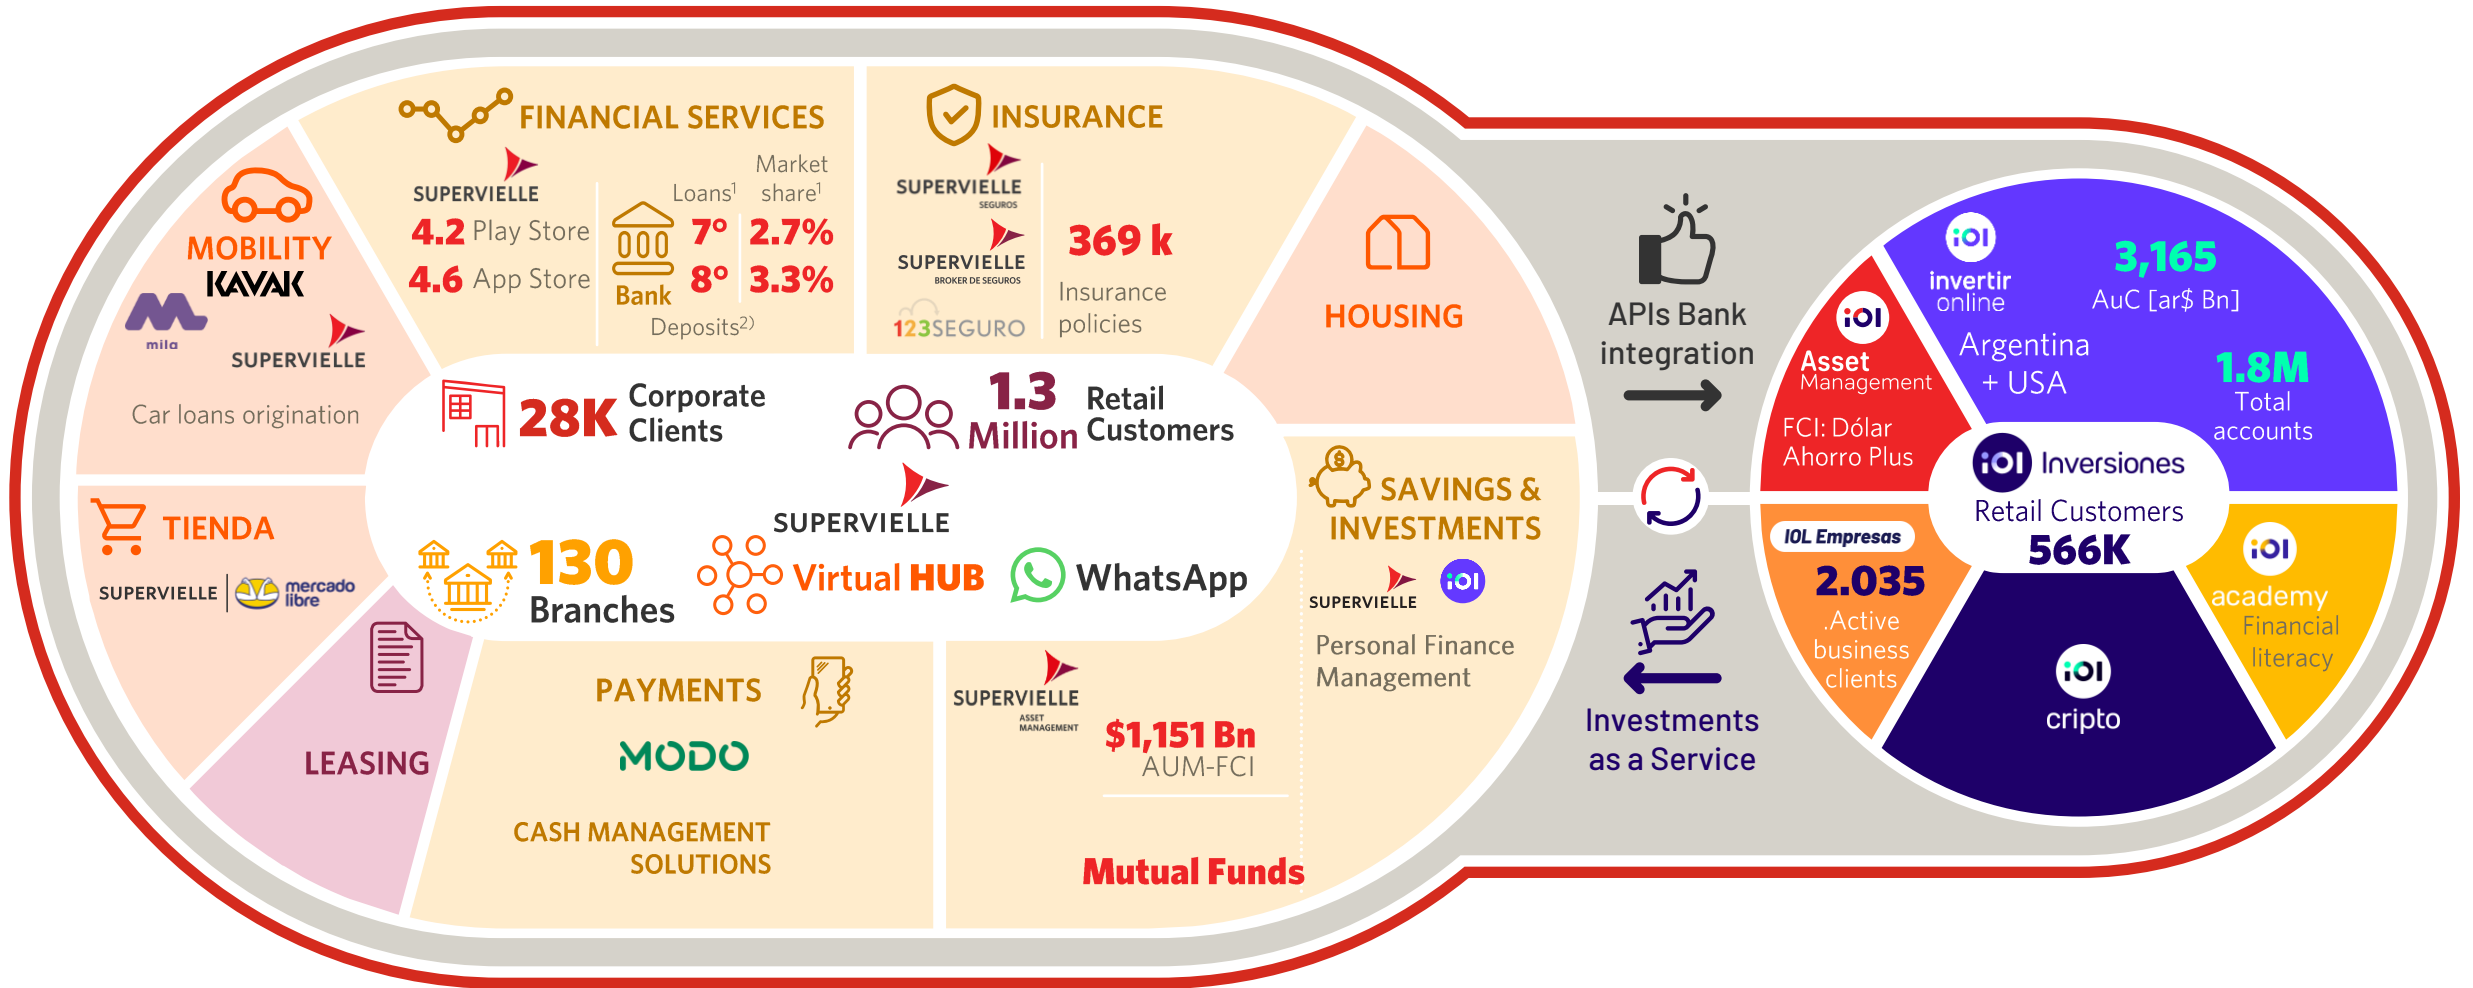

STRONG track record & solid capital base

- In addition to organic growth, we have significantly increased our business through acquisitions expanding 20 times our loan market share since 2002
- Solid liquidity and capital base support our growth initiatives

Operating in a **HEALTHY** and **UNDERPENETRATED FINANCIAL SYSTEM**

- The Argentine market is one of the least penetrated financial systems in Latin America
- Growth opportunities, as the country is resuming growth
- Well positioned and constantly evolving to capture these growth opportunities given our focus on a differentiated customer experience

Building an Ecosystem: Focused on Our Customers' Everyday Banking and Financial Needs

Our Subsidiaries

Strategic Focus: Profitable Growth via Targeted Segments and Products

Prioritization of Segments/Products:
Industry - Client Clusters

 **Customer-Centric & Tech Enabled** 1

 **Prioritizing Targeted Corporates** 5
*(Segments/ Products/ Industry),
E.g, Oil & Gas, Mining*

 **Fast, Disruptive Strategic Moves** 2

 **Mendoza: Leadership** 6

 **Cluster-Based Customer Strategy** 3
(Payroll / Senior Citizens)

 **Public Sector Banking** 7
*(Selective expansion
complementing Corporate focus)*

 **Strategic Partnerships** 4

 **Cross-Selling IOL Customers** 8

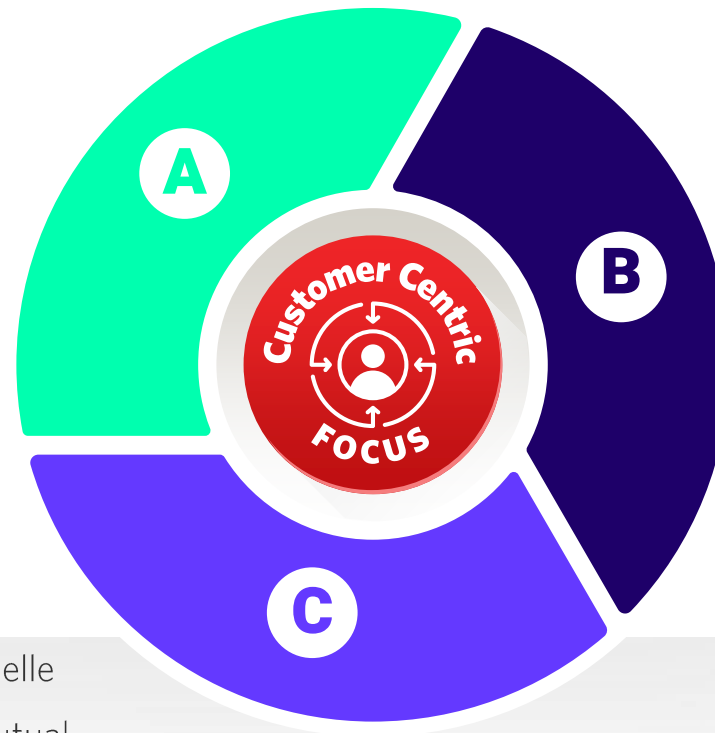

IOL's 2025 Outlook: Stable Macro Fueling Capital Markets Driving Higher Volumes and Broader Participation

Retail Segment

- **One-stop shop** for investments
- Access to international investments & crypto
- Offering traditional banking products via partnership (**USD fixed-time deposits, FX transactions**)

Other Business Lines

- **IaaS:** Providing services to Banco Supervielle
- **IOL Asset Management:** Launch new mutual funds, Targeted funds
- **Capital Markets:** Stronger private debt placements

SMBs & Affluent Segment

- Growth in **SMBs:** 24-hour account opening + 24/7 liquidity solutions
- Expansion in **Affluent Segment:** Tailored products for affluent individuals + physical presence in key strategic locations

3Q25 Results

*SUPV Earnings conference call presentation
November 26, 2025*

3Q25 Highlights: Navigated an Exceptionally Challenging Quarter

3Q25 Macro and Financial Environment

PRE-ELECTION VOLATILITY AND POLICY TIGHTENING

- **Government prioritized containing Fx and inflation**
- **Peso liquidity constrained across the financial system**
- **Central Bank tightened reserve requirements:**
 - Raised to record levels
 - Compliance shifted from monthly average to daily basis
- **Interest rates at unsustainable elevated levels** (*peaked at +40% real 1- and 30-day instruments rates*)
 - Weighting on economic activity;
 - Pressuring employment; and
 - Dampening loan demand and asset quality

Post Mid-Term Election Outlook: EARLY SIGNS OF NORMALIZATION

- **Renewed optimism as government's gains a clear mandate to advance the 2026 budget and key labor & tax reforms**
- **Normalization trends underway:**
 - Interest rates easing
 - Liquidity conditions improving
 - Treasury bond prices rebounded
 - Reserve requirements started to be relaxed although remain high
 - Consumer confidence gradually recovering
- **Economic growth expected to rebound as financial conditions normalize**

3Q25 Highlights: Navigated an Exceptionally Challenging Quarter

Loan Growth Outperforms Industry

- Loan book +8% QoQ vs. 7.6% industry growth, +151% in 18 months
- Growth by +12% in Corporate loans
- Moderate retail loan growth since April 2025

Asset Quality

- NPL ratio increased to 3.9%, in line with higher delinquency trends in retail loans and early signs of deterioration in commercial loans
- Retail NPL market share at 2.4% below 2.7% retail loans market share, reflecting focus on payroll and pension loans -- Net COR of 6.4% in 3Q25 and 5.2% YTD

Deposit Growth

- Total deposits +15% QoQ and +40% YoY
- US\$ deposits at record levels +31% QoQ and +56% YoY gaining +110 bps in share YoY and 60 bps QoQ
- Remunerated accounts in AR\$ and US\$ continue to gain traction

Profitability and Capital

- NIM decline to 11% from 21% together with increased COR, drove a net loss of 50 billion in 3Q25 and 27 billion YTD
- Net fee income +7% QoQ and 9% YTD
- Cost reduction of 2% QoQ and 12% YTD
- CET 1 ratio at 13.2% (14.5% as of October)

Business performance in 3Q2025

Business & Strategic Initiatives

SUPERVIELLE

- Continued evolving SuperApp and its value proposition to deepen engagement
- Became official sponsor of Argentina's national soccer team for 2026 FIFA World Cup

- QoQ increases of 4% in active clients, +26% in AUC, +22% in transaction volumes, & +47% in fees

Net Financial Margin Impacted by Extraordinary Tight Monetary Stance and Unsustainably High Interest Rates

2Q25 Net
Financial Income

**COST OF
FUNDING**

Changes in minimum
reserves requirements

Mortgage
spread

3Q25 Net
Financial Income

• COST OF FUNDING NEGATIVELY IMPACTED BY:

- Lag in loan repricing while deposits repriced within 30 days

- Lower spreads in the investment portfolio, reflecting reduced yields in a volatile market environment ahead of mid-term election.

Net Financial Margin Impacted by Extraordinary Tight Monetary Stance and Unsustainably High Interest Rates

2Q25 Net
Financial Income

Cost of
Funding

Changes in minimum
reserves requirements

Mortgage
spread

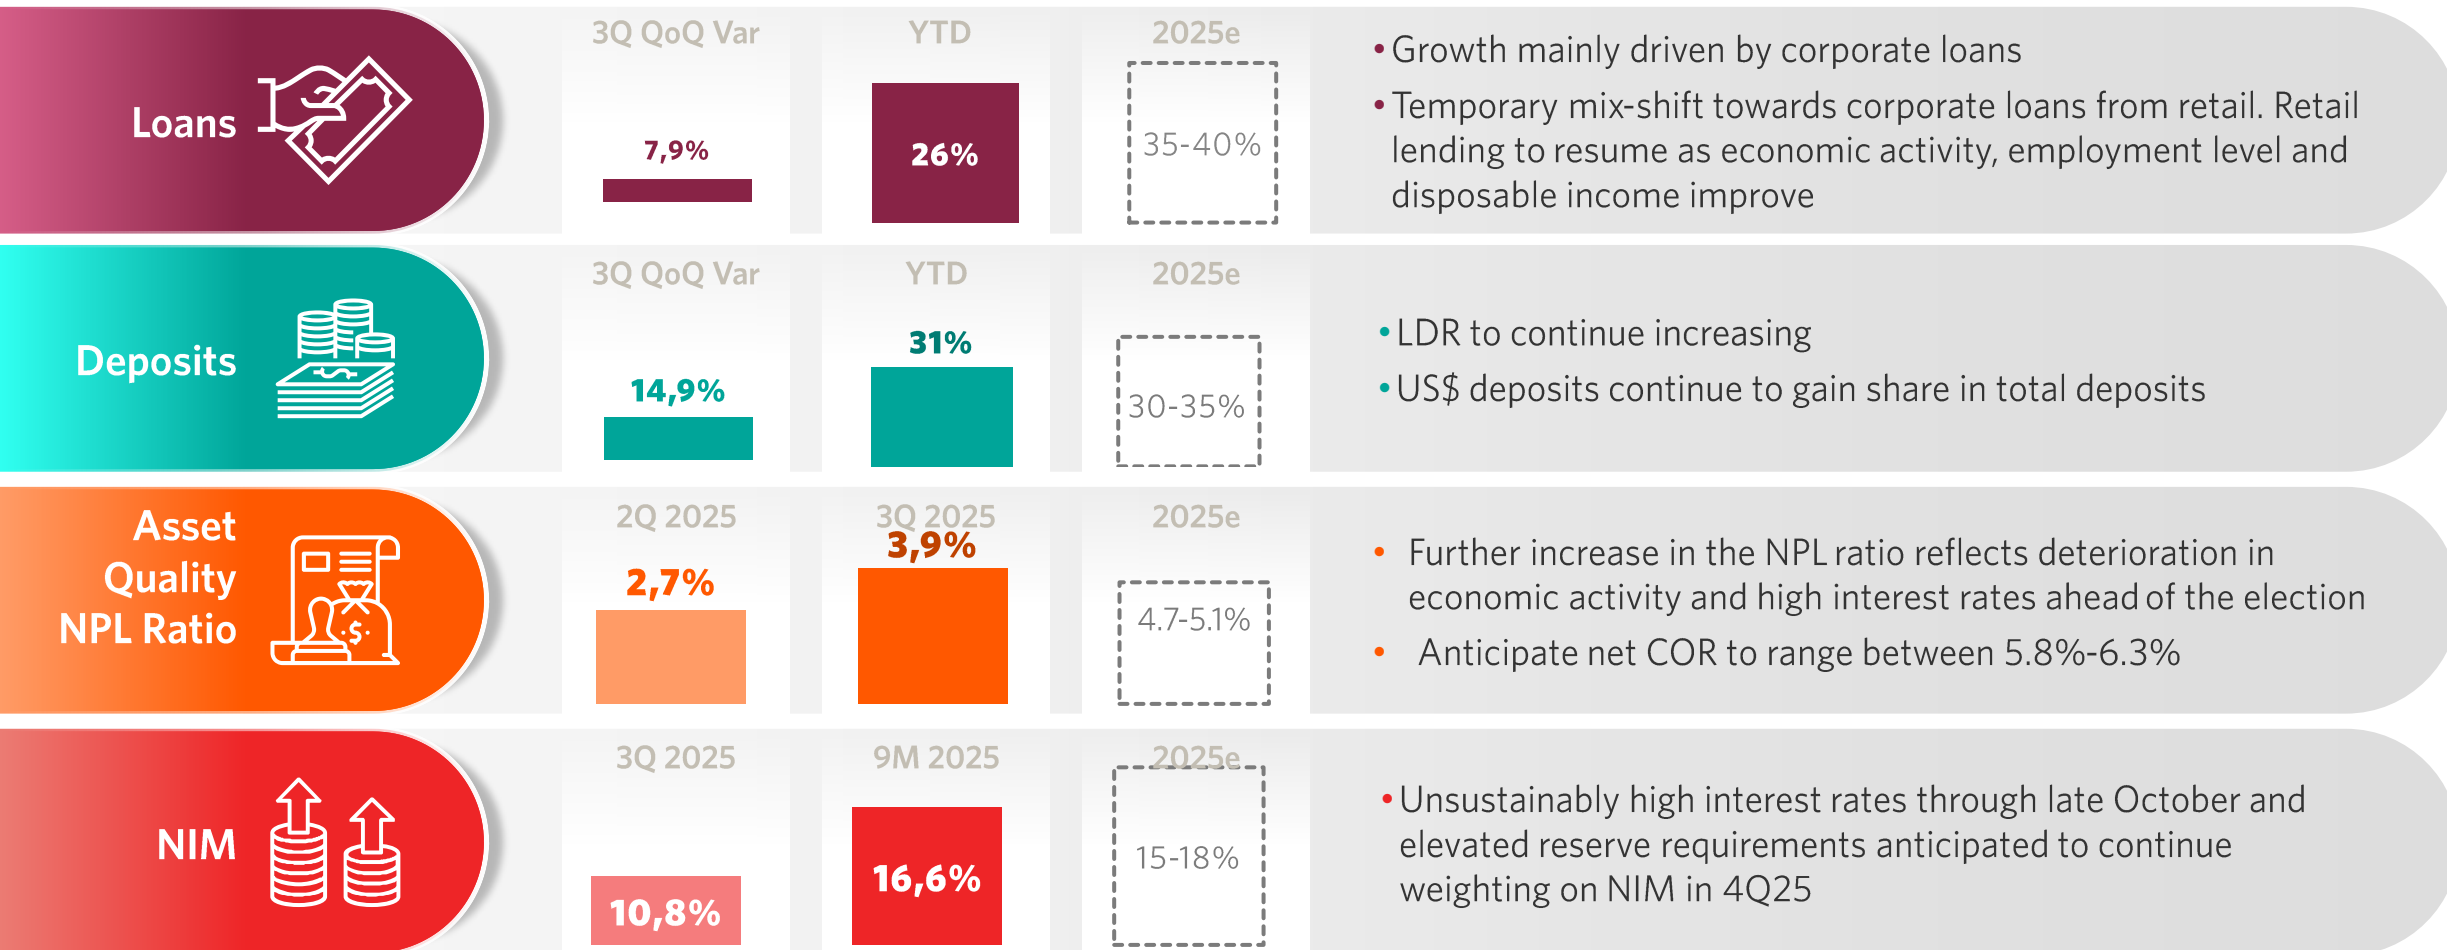

3Q25 Net
Financial Income

- Record levels in both remunerated and non remunerated regulatory reserves, and compliance on a daily basis

- Negative spread on UVA mortgage portfolio following the sharp rise in real interest rates

Resetting 2025 Expectations in the Wake of Extraordinary High Real Rates and Monetary Tightening, Poised to Rebound as Conditions Normalize

Macro assumptions as of Oct 2025 (Central Bank Market Expectations Survey): Inflation of 30%, Fx eop at 1,532 and GDP of +3.9% in 2025.

Resetting 2025 Expectations in the Wake of Extraordinary High Real Rates and Monetary Tightening, Poised to Rebound as Conditions Normalize

Macro assumptions as of Oct 2025 (Central Bank Market Expectations Survey): Inflation of 30%, Fx eop at 1,532 and GDP of +3.9% in 2025

Annex I: 3Q25 Supplementary Financial Information & Ratios

Attributable Net Loss of AR\$50.3 Billion Amid Regulatory and Monetary Pressures Ahead of Elections; November Inflection Point with Improving Conditions and Sound Capital and Liquidity

3Q25 EARNINGS

KEY MESSAGE

- Faster liability repricing versus assets amid exceptionally high real interest rates
- Lower investment yields, record interest rates and reserve requirements, forcing higher cash holdings
- Lower impact from declining inflation
- Higher banking service fees repricing and stronger brokerage fees
- Strict cost-control discipline and structural efficiency initiatives
- Retail loan deterioration and weaker macro conditions affected credit quality across the industry
- Previous quarter was impacted by the sale of non-core properties
- Tax loss

Tight Monetary Stance and High Reserve Requirements Stall Shift from Treasury Notes to Private-Sector Loans; LDR and Leverage Below Historical

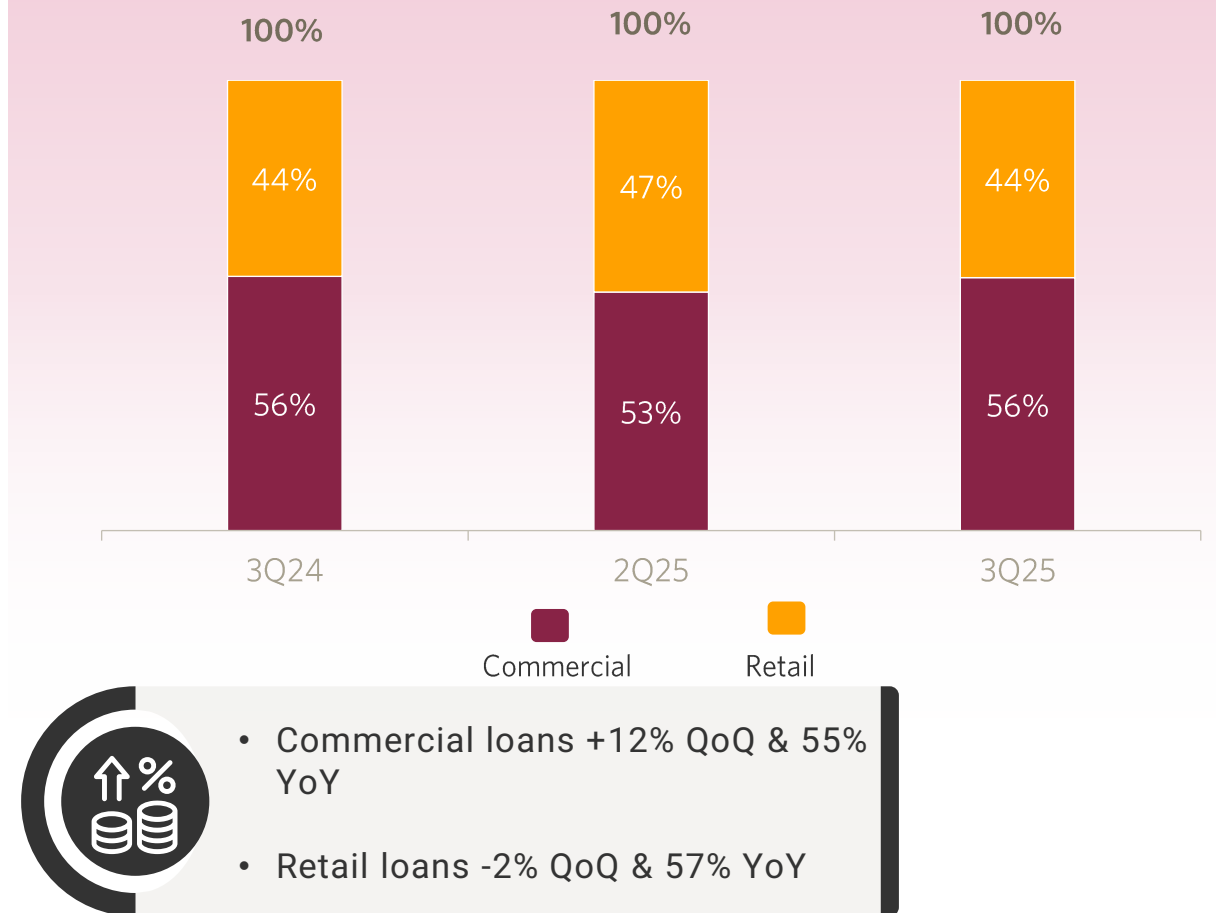

Loan Book Up 8% QoQ and 61% YoY Driven Mainly by Commercial Loans while Retail Lending Decelerated Amid Tighter Credit Policies

01 > Assets Evolution [AR\$. Bn)

02 > Total Loan Breakdown [%]2)

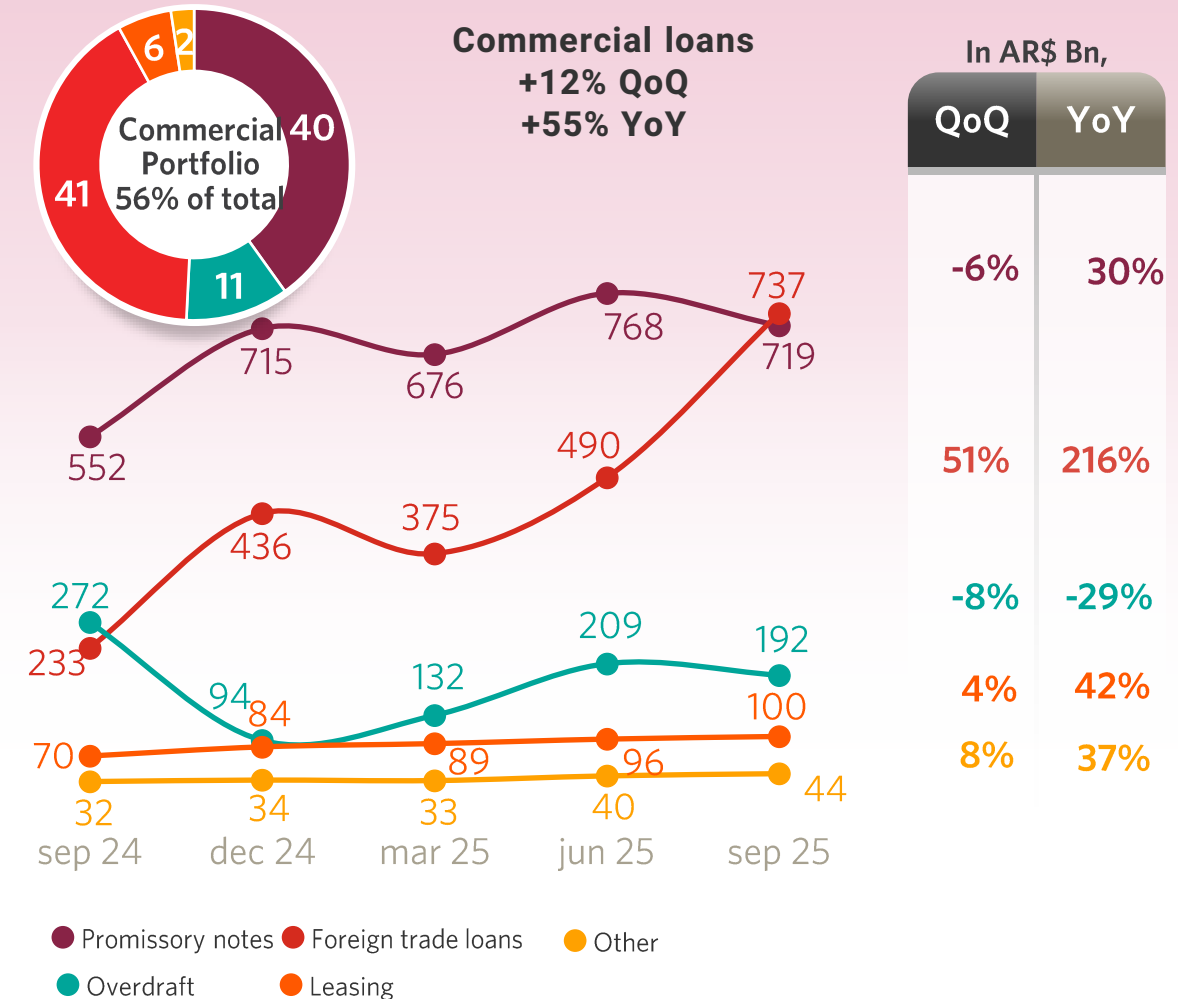

1) Figures do not include Government Securities in Guarantee, See Earnings Report for more details,
 2) Commercial loan portfolio does not include off balance guarantees granted to customers,

Commercial Lending Outpaced Retail as Retail Loan Origination Slowed Since 2Q25 Under Stricter Underwriting Criteria

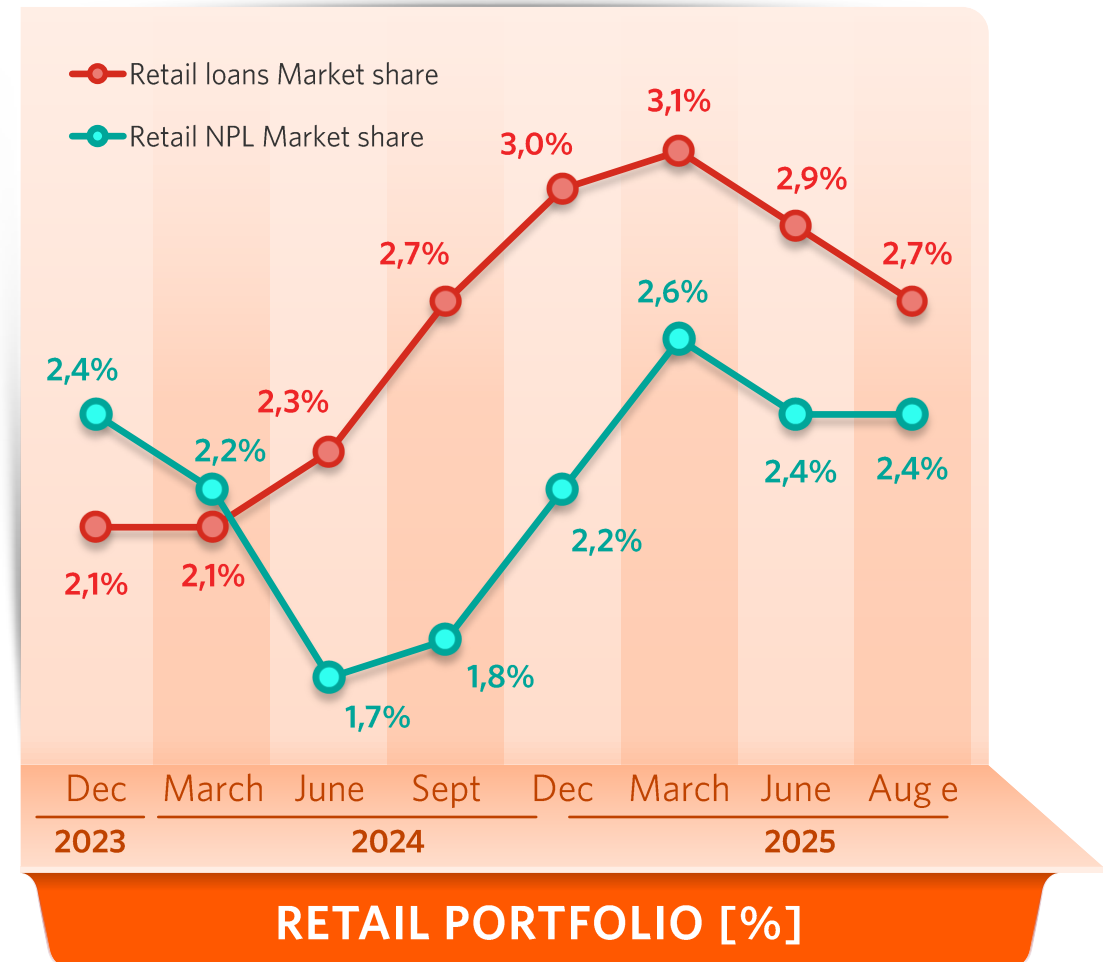

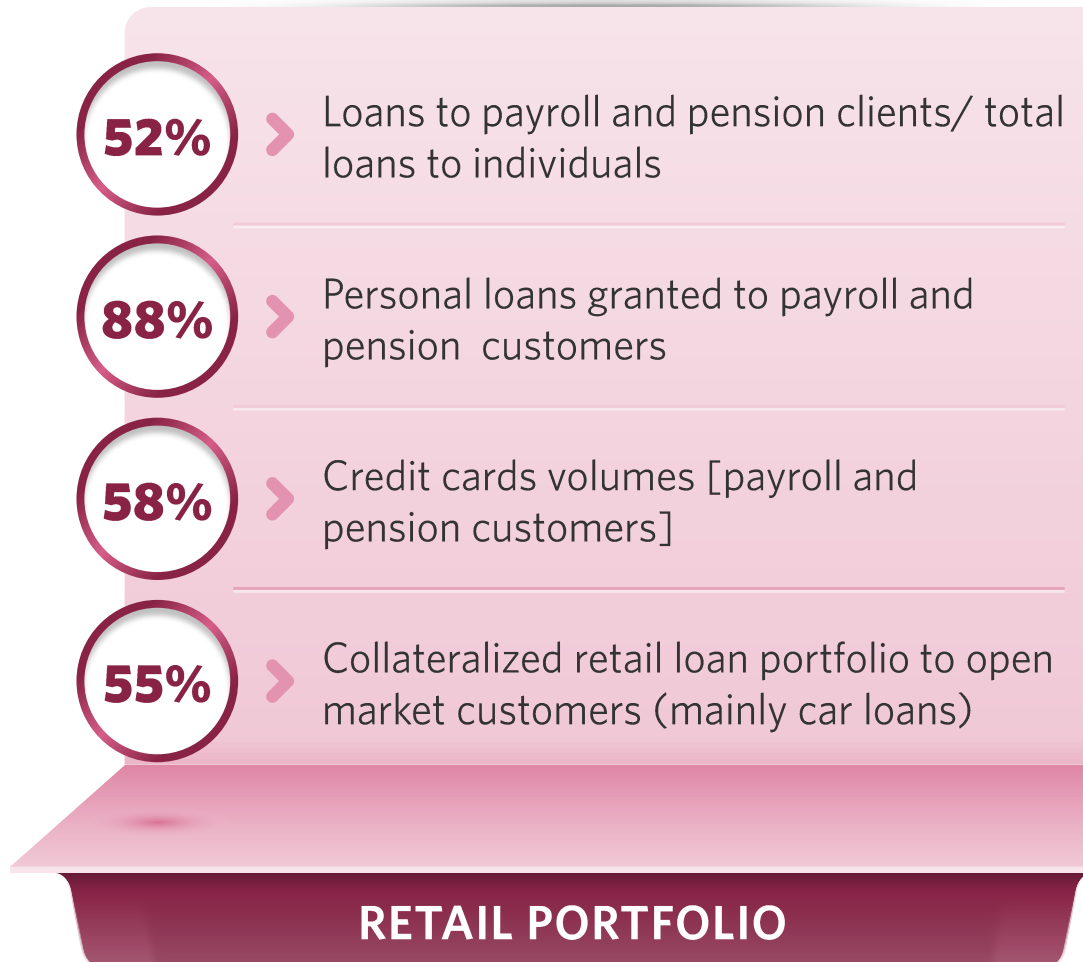

01 > Retail Loans: 44% of total from 44% as of Sep 24

02 > Commercial Loans: 56% of total from 56% as of Sep 24

Retail Loan Portfolio: Lower Delinquency Share than Market Share Reflects Heightened Focus on Payroll and Pension Customers Over Open Market Customers

Atomized and Diversified Loan Portfolio within Company Portfolio Limits

Loans breakdown by industry [%]

Business Sector	3Q25 Share	2Q25 Share	3Q24 Share
Families and individuals	40.4%	43.8%	38.9%
