RESPONSIBILITIES

The following functions shall be recurring activities of the Committee. These functions shall serve as a guide, with the understanding that the Committee may carry out additional functions and adopt additional procedures in light of changing business, legal, legislative, regulatory or other conditions or of the delegation to the Committee by the Board of additional responsibilities.

Director Nominees:

Identification..... The Committee shall identify individuals believed to be qualified to become directors. The Committee shall:

- to the extent the Committee deems appropriate or necessary, establish, and recommend to the Board for approval, Board membership criteria, which may include a description of (a) specific, minimum qualifications that the Committee believes must be met by a Committee-recommended director nominee and (b) specific qualities or skills that the Committee believes are necessary or desirable for one or more directors to possess, and annually review and reassess the adequacy of such criteria and submit any proposed changes to the Board for approval;
- review periodically with the Board the succession plans for membership on the Board;

- initiate and supervise the recruiting of directors; and
- coordinate the recruitment of new members to the Board, in concert with management and the Board.

Shareholder Recommendations The Committee shall:

In the case of a vacancy in the office of a director (including a vacancy created by an increase in the size of the Board), the Committee shall recommend to the Board an individual to fill such vacancy either through appointment by the Board or through election by stockholders. In considering such recommendations, the Committee shall:

- establish and follow a process for evaluating proposed director nominees, including nominees recommended by stockholders or management (it being understood that the Committee may consider candidates proposed by management, but is not required to do so);
- establish and follow a process for evaluating the independence, contributions and effectiveness of incumbent directors, based on the evolving needs of Brooklyn, when deciding whether to recommend those directors for re-nomination;
- evaluate and recommend to the Board the termination of service of individual directors (in accordance with Brooklyn’s Certificates of Incorporation, Bylaws, and corporate governance policies and guidelines and with applicable laws), for cause or other reason; and
- recommend to the Board (annually and as soon as is reasonably practicable after a vacancy arises or a director advises the Board of his or her intention to resign) director nominees for election by stockholders at the next annual meeting and otherwise by appointment by the Board to fill vacancies, in each case taking into consideration:
 - the qualifications for directors set forth in this Charter;
 - any statement as to Board membership qualifications then in effect; and

- such other factors as the Committee deems appropriate, including judgment, skill, diversity, experience with businesses and other organizations of comparable size, the interplay of the candidate’s experience with the experience of other directors, and the extent to which the candidate otherwise would be a desirable addition to the Board and Board committees.

Notwithstanding the foregoing, if Brooklyn is or will be, at the time such election is to occur, legally required by contract or otherwise to provide third parties with the ability to nominate individuals for election as directors, the selection and nomination of such director nominees shall be governed by such contract or other arrangement and shall not be the responsibility of the Committee.

Executive Succession The Committee shall:

- review periodically with the Board and the chief executive officer the succession plans relating to positions held by Executives, including the chief executive officer, and, if desirable, make recommendations to the Board with respect to potential candidates to occupy those positions; and

- assist each of the Audit Committee and the Compensation Committee in conducting its annual performance evaluation and reporting to the Board on the results of the evaluation.

Education Programs The Committee shall review and recommend, as it deems appropriate, director orientation and continuing education programs for directors.

Board Composition The Committee shall:

- annually assess the size and composition of the Board and Board committees in light of the operating requirements of Brooklyn, and make recommendations to the Board, from time to time, as to changes in the size of the Board or any Board committee;
- annually recommend to the Board assignments of directors to each Board committee, taking into consideration the factors set forth in the committee’s charter as well as any other factors the Committee deems appropriate, including

applicable law and the NYSE American Company Guide, the consistency of a director's experience with the goals of the applicable committee, and the interplay of the director's experience with the experience of other committee members;

- periodically review and update or otherwise amend, to the extent the Committee deems appropriate or necessary, membership qualifications for Board committees; and
- monitor compliance with Board and Board committee membership criteria.

Corporate Governance The Committee shall seek to develop and recommend a set of corporate governance principles applicable to Brooklyn and, if the Committee deems appropriate, to recommend to the Board any changes. Among other responsibilities, the Committee shall:

- review governance-related stockholder proposals and recommend responses to the Board;
- review the Board's policies relating to meeting schedules, agendas and the participation of management in meetings of the Board and Board committees;
- annually review and assess Brooklyn's compliance with the corporate governance requirements established by the NYSE American and applicable laws and regulations relating to corporate governance;
- annually review Brooklyn's director retirement policy, if any;
- review and reassess the adequacy of Brooklyn's other corporate governance policies and recommend to the Board any changes; and
- recommend to the Board such additional actions related to corporate governance matters as the Committee may deem appropriate or necessary from time to time.

Policies..... The Committee shall perform such additional responsibilities as are delegated to the Committee in any of Brooklyn's written policies, codes and guidelines that are approved by the Board from time to time.

Such meetings may be in person or by telephone conference or other communications equipment by means of which all persons participating in the meeting can hear each other. A majority of the Members shall constitute a quorum for purposes of holding a meeting, and the Committee may act by a vote of a majority of the Members present at such meeting. In lieu of a meeting, the Committee may act by unanimous written consent. The Chair of the Committee, in consultation with the other Members, may determine the frequency and length of Committee meetings and

may set meeting agendas consistent with this Charter. The Chair shall ascertain that written minutes of each Committee meeting are kept.

The Committee may invite to its meetings any directors who are not Members, any members of management and such other persons as it deems appropriate. The Committee may meet in executive session as the Committee deems necessary or appropriate.

Subcommittees..... In fulfilling its responsibilities, the Committee shall be entitled to establish and delegate authority to one or more subcommittees comprised of one or more Members and, to the extent not expressly reserved to the Committee by the Board or by applicable law, rule or regulation, to any other committee of directors of Brooklyn appointed by it, which may or may not be composed of Members.

Compensation A Member may receive additional fees as compensation for the time and effort expended to fulfill Committee duties. A Member may not receive from Brooklyn, directly or indirectly, any consulting, advisory or other compensatory fee, other than in the Member's capacity as a member of the Board, the Committee or another Board committee.

Annual Charter Reviews The Committee shall annually review and reassess the adequacy of this Charter and submit any proposed changes to the Board for approval.

ADDITIONAL AUTHORITY

Access..... The Committee shall have full access, when determined by the Committee to be necessary or appropriate, to Brooklyn's books, records, personnel, outside legal counsel or other professionals retained by Brooklyn.

The Committee shall assist the Board in selecting a search firm that is to be used by Brooklyn to assist in identifying potential candidates for Executive positions.

The Committee may engage consultants, outside legal counsel, experts or other advisers as it deems necessary or advisable to carry out its responsibilities as set forth in this Charter, subject to the following:

- the Committee shall have direct responsibility for the appointment, compensation, retention, termination and oversight of the work of any such adviser;
- before any adviser (other than an adviser whose role is limited as set forth in the succeeding paragraph) is selected by, or provides advice to, the Committee, the Committee shall take into consideration all factors relevant to that person's independence from management, *provided* that the Committee may engage any adviser it prefers, including one that is not independent, after considering such factors; and
- the Committee shall require any adviser it retains to periodically provide a letter to the Committee disclosing any conflict of interest that exists and certifying, if applicable, that such adviser is independent from management.
