ITEMS 2, 10, 11, 12, 13, 16

### BACKGROUND

The Nominating Committee of Diös Fastigheter AB (publ) ("Diös") has been formed in accordance with the resolution adopted at the 2021 Annual General Meeting ("AGM") of Diös. The Chairman of the Board has called representatives of the four largest shareholders in terms of voting rights as of August 31 who declared willing to participate in the Nominating Committee, together with him to constitute the Nominating Committee for the 2022 AGM.

The Nomination Committee appoints the Chairman within itself. The composition of the Nomination Committee shall be announced no later than six months before the next Annual General Meeting. No remuneration shall be paid to the members. If a member leaves the Nomination Committee before its work is completed, and if the Nomination Committee considers that there is a need to replace this member, the Nomination Committee shall appoint a new member. Changes in the composition of the Nomination Committee shall be made public immediately.

In accordance with the above resolution, the following persons were appointed to constitute the Nomination Committee for the Annual General Meeting 2022:

## THE WORK OF THE NOMINATING COMMITTEE

The Nominating Committee has recorded four meetings and interviewed all current board members. All members of the Nomination Committee have been involved in all meetings. The Nomination Committee has thoroughly informed itself about the Board's work and the specific requirements of the company's operations. The Nomination Committee has also taken note of the results of the annual evaluation of individual members' contributions to the work of the Board of Directors, the work of the Chairman, and how the Board functions as a group. The Nomination Committee's assessment is that the current Board of Directors and its work have been well-functioning.

With regard to the composition of the Board of Directors, the Nomination Committee has taken into account the necessary experience and competence, as well as diversity. The Nomination Committee has also taken into account each member's ability to dedicate the necessary time and commitment to the Board assignment. The Nomination Committee has also taken into account the importance of both continuity and renewal in the work of the Board of Directors and considered the appropriate number of board members. The Nomination Committee has applied Rule 4.1 of the Swedish Corporate Governance Code as a diversity policy when drafting its proposal.

The Nomination Committee has been informed that all six members are available for re-election.

In light of the above considerations, the Nomination Committee proposes the re-election of all board members, Bob Persson, Ragnhild Backman, Anders Nelson, Tobias Lönnevall and Peter Strand. The Nomination Committee proposes the election of Erika Olsén to replace Eva Nygren, who declined re-election.

The Nomination Committee therefore considers that the proposed Board of Directors has an appropriate composition, characterized by versatility and breadth of competence, experience and background, taking into account the company's operations, development stage and conditions.

Two of the proposed board members are women, which corresponds to 33.3 percent of the total number of members.

The Nominating Committee has also discussed the independence of Board members and has established the following:

	Independent of the company	Independent of major owners
Bob Persson	Yes	No
Ragnhild Backman	Yes	Yes
Anders Nelson	Yes	No
Peter Strand	Yes	Yes
Tobias Lönnevall	Yes	No
Erika Olsén	Yes	Yes

The proposed Board composition meets the independence criteria for Board members defined by the Nasdaq Stockholm Stock Exchange and in the Swedish Governance Company Code. The Board also meets other applicable requirements.

A presentation of the proposed Board member is available on the website, [www.dios.se](http://www.dios.se)

In case a major shareholder abstains from participating in the work of the Nominating Committee this shareholder shall be replaced by a representative of the next largest shareholder.
