
MULTIPLAN CORPORATION

AUDIT COMMITTEE CHARTER

I. PURPOSE

The Audit Committee (the “Committee”) shall provide assistance to the Board of Directors (the “Board of Directors”) of MultiPlan Corporation (the “Company”) by fulfilling the Committee’s responsibilities and duties outlined in this Charter, including without limitation its oversight of:

- A. the quality and integrity of the Company’s financial statements, including oversight of the Company’s accounting and financial reporting processes, including internal controls;
- B. the Company’s compliance with legal and regulatory requirements;
- C. risk assessment and management, particularly with respect to financial risk exposure;
- D. the qualifications, performance and independence of the independent registered public accounting firm (the “Accounting Firm”);
- E. the Company’s corporate compliance program, including the Company’s code of conduct and anti-corruption compliance policy, and investigating possible violations thereunder;
- F. the Company’s IT security program;
- G. the risk management policies and procedures of the Company; and
- H. the performance of the Company’s internal audit function.

The Committee’s responsibility is one of oversight. The fundamental responsibility for the Company’s financial statements and disclosures rests with management while the independent registered public accounting firm is responsible for conducting the annual audit in accordance with the standards of the Public Company Accounting Oversight Board (the “PCAOB”). The Committee is not responsible for certifying the Company’s financial statements or guaranteeing the Accounting Firm’s report.

II. STRUCTURE AND OPERATIONS

Membership Requirements

The Committee shall be composed of three or more members of the Board of Directors, each of whom shall be determined by the Board of Directors to be “independent” under the rules of the New York Stock Exchange and Rule 10A-3(b)(1) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). No member of the Committee may serve on the audit committee of more than three public companies, including the Company, unless the Board of

Directors (i) determines that such simultaneous service would not impair the ability of such member to effectively serve on the Committee and (ii) discloses such determination either on or through the Company's website or in the annual proxy statement.

All members of the Committee must be financially literate, which requires having a working familiarity with basic finance and accounting practices (or acquiring such familiarity within a reasonable period of time after his or her appointment). At least one member must have "accounting or related financial management expertise" in accordance with the rules of the New York Stock Exchange. It is expected that at least one member of the Committee will be an "audit committee financial expert" as defined by the applicable rules of the Securities and Exchange Commission (the "SEC") and may be the same person as that with "accounting or related financial management expertise." Committee members may enhance their familiarity with finance and accounting by participating in educational programs conducted by the Company or by an outside consultant.

Appointment and Removal

The members of the Committee shall be appointed by the Board of Directors. Each member shall serve until such member's successor is duly elected and qualified or until such member's earlier resignation, removal, retirement, disqualification or death. Each member of the Committee may be removed, with or without cause, by action of the Board of Directors.

Chairperson

Unless a chairperson of the Committee (the "Chairperson") is selected by the Board of Directors, the members of the Committee shall designate a Chairperson by the majority vote of the full Committee membership. The Chairperson of the Committee will chair all meetings of the Committee. The Chairperson is responsible for setting the agendas for Committee meetings. In the absence of the Chairperson of the Committee, the Committee shall select another member to preside.

Delegation to Subcommittees

The Committee may form subcommittees composed of one or more of its independent members for any purpose that the Committee deems appropriate and may delegate to such subcommittees such power and authority held by the Committee as the Committee deems appropriate.

III. MEETINGS

The Committee shall meet at least quarterly, or more frequently as circumstances dictate. As part of its goal to foster open communication, the Committee shall periodically meet separately with each of management, the Accounting Firm and the internal auditors (or other personnel or service providers responsible for the internal audit function) to discuss any matters that the Committee or each of these groups believe would be appropriate to discuss privately. In addition, the Committee should meet with the Accounting Firm and management quarterly to review the Company's financial statements in a manner consistent with that outlined in Section IV of this Charter. The Chairperson of the Board of Directors or any member of the Committee may call meetings of the Committee. Unless otherwise restricted by the Company's certificate

of incorporation or bylaws, all meetings of the Committee may be held in person or telephonically. In addition, unless otherwise restricted by the Company's certificate of incorporation or bylaws, the Committee may act by unanimous written consent in lieu of a meeting.

All non-management directors who are not members of the Committee may attend meetings of the Committee and may participate in discussion at those meetings but may not vote. Additionally, the Committee may invite to its meetings any director, management of the Company and such other persons as it deems appropriate in order to carry out its responsibilities. The Committee may also exclude from its meetings any persons (other than a member of the Committee) it deems appropriate in order to carry out its responsibilities.

A majority of the members of the Committee in office from time to time shall constitute a quorum for the transaction of business. Each member of the Committee shall have one vote on all matters brought before the Committee. The act of a majority of those present at any meeting (whether in person or by telephone) at which there is a quorum shall be the act of the Committee.

IV. RESPONSIBILITIES AND DUTIES

The following functions shall be the common recurring activities of the Committee in carrying out its responsibilities. These functions should serve as a guide with the understanding that the Committee may carry out additional functions and adopt additional policies and procedures as are consistent with its purpose and may be required or appropriate in light of changing business, legislative, regulatory, legal or other conditions. The Committee shall also carry out any other responsibilities and duties delegated to it by the Board of Directors from time to time.

The Committee, in discharging its oversight role, is empowered to study, review or investigate any matter of interest or concern that the Committee deems appropriate. In this regard, the Committee shall have the sole authority to engage and terminate outside counsel and other advisors, as it determines necessary or appropriate to carry out its duties. The Committee may also utilize the services of the Company's regular internal and/or external counsel or other advisors to the Company. The Committee shall be directly responsible for the appointment, authorization of the compensation for and oversight of any compensation consultant, outside counsel or other adviser retained by the Committee. The Company shall provide appropriate funding, as determined by the Committee, for payment of compensation to any Accounting Firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company and any other advisors that the Committee chooses to engage, as well as funding for the payment of ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

The Committee shall be given full access to the Company's internal auditors (or other personnel or service providers responsible for the internal audit function), Board of Directors, corporate executives, employees, facilities, books and records, the Accounting Firm, outside counsel and other advisors as necessary to carry out these responsibilities.
