8/17/2021

NEW YORK--(BUSINESS WIRE)-- MultiPlan Corporation (NYSE:MPLN) ("MultiPlan" or the "Company") today announced that its indirect wholly owned subsidiary, MPH Acquisition Holdings LLC (the "Issuer"), priced its offering of \$1.05 billion in aggregate principal amount of 5.50% senior secured notes due 2028 (the "Notes"), representing an increase of \$275.0 million compared to the previously announced offering size. The Notes are expected to be issued by the Issuer and guaranteed on a full and unconditional basis by each of the Issuer's wholly owned domestic restricted subsidiaries that guarantees the Issuer's new senior secured credit facilities, and the Notes and such guarantees will be secured on an equal and ratable basis by the collateral that will secure such new senior secured credit facilities.

The Issuer will use the net proceeds from the offering of the Notes and borrowings under its new \$1,325 million senior secured term loan facility (i) to repay all of its indebtedness under its existing senior term loan facility and (ii) to pay fees and expenses in connection therewith.

The Notes and related guarantees are being offered only to persons reasonably believed to be qualified institutional buyers in reliance on Rule 144A under the Securities Act, as amended (the "Securities Act"), and outside the United States, only to non-U.S. persons pursuant to Regulation S. The Notes and related guarantees will not be registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and applicable state laws.
