**About ORBCOMM Inc.**

ORBCOMM is a leading global satellite data communications company, focused on Machine-to-Machine (M2M) communications. Its customers include Caterpillar Inc., Doosan Infracore America, Hitachi Construction Machinery, Hyundai Heavy Industries, Asset Intelligence (a division of I.D. Systems, Inc.), Komatsu Ltd., Manitowoc Crane Companies, Inc., and Volvo Construction Equipment among other industry leaders. By means of a global network of low-earth orbit (LEO) satellites and accompanying ground infrastructure, ORBCOMM's low-cost and reliable two-way data communication services track, monitor and control mobile and fixed assets in our core markets: commercial transportation; heavy equipment; industrial fixed assets; marine; and homeland security. ORBCOMM based products are installed on trucks, containers, marine vessels, locomotives, backhoes, pipelines, oil wells, utility meters, storage tanks and other assets. Through its recently acquired StarTrak Information Technologies, LLC and StarTrak Logistics Management Solutions, LLC (formerly PAR Logistics Management Solutions) businesses, ORBCOMM is an innovator and leading provider of tracking, monitoring and control services for the refrigerated transport market. Under its ReeferTrak,<sup>®</sup> GenTrak,<sup>™</sup> and CargoWatch<sup>™</sup> brands, the company provides customers with the ability to proactively monitor, manage and remotely control their refrigerated transport assets. Additionally, ORBCOMM provides Automated Identification System (AIS) data services for vessel tracking and to improve maritime safety to government and commercial customers worldwide. ORBCOMM is headquartered in Fort Lee, New Jersey and has its network control center in Dulles, Virginia. For more information, visit [www.orbcomm.com](http://www.orbcomm.com).
