

Associated Wholesale Grocers (AWG) Selects ORBCOMM's Fleet Management Solution for Monitoring Their Dry and Refrigerated Trailers

October 4, 2018

Enables AWG to improve asset visibility, fuel efficiency and security across its entire fleet

ROCHELLE PARK, N.J., Oct. 04, 2018 (GLOBE NEWSWIRE) -- ORBCOMM Inc. (Nasdaq: ORBC), a global provider of Machine-to-Machine (M2M) and Internet of Things (IoT) solutions, today announced that it has been selected by Associated Wholesale Grocers (AWG) to provide a fleet-wide [trailer monitoring](#) solution for its dry and refrigerated assets. ORBCOMM's end-to-end solution provides wireless connectivity through its ruggedized hardware and a Cloud-based analytics platform and information management engine for optimal [fleet management](#).

The nation's largest cooperative food wholesaler to independently owned supermarkets, AWG is using ORBCOMM's [telematics solution](#) to provide comprehensive data to improve communication to its members and enhance customer service. Leveraging [FleetManager](#), ORBCOMM's newest web platform, AWG receives advanced reporting and analytics for its entire mixed fleet. With mapping, reports, alerts and exception management, FleetManager provides all the data that is needed to improve asset utilization, enhance security and support maintenance programs and regulatory compliance. FleetManager can be configured to display specific workspaces with individual workspaces for dispatchers, fleet managers or the safety and compliance team. Its powerful features include individualized customization, advanced data mining, configurable reporting, intelligent search options, multi-user management and advanced mapping for enhanced fleet visibility.

"We are pleased to be selected by Associated Wholesale Grocers, one of the nation's largest grocery wholesalers," said Marc Eisenberg, Chief Executive Officer of ORBCOMM Inc. "By unlocking valuable data for every user in their organization, ORBCOMM is helping AWG gain real-time visibility and control of their transport assets as they move across the supply chain, which translates into long-term ROI."

"By utilizing ORBCOMM's state-of-the-art telematics, we are able to fulfill our commitment to delivering the best possible product to our members in the most efficient manner," said Chris Smith, Executive Director of Corporate Distribution with Associated Wholesale Grocers.

AWG expects to complete deployment of ORBCOMM's fleet management solution by the end of 2018.
