Hanger Clinical Care Manager Dan Blasini featured as Monster.com "Success Story"

November 15, 2010

Austin, Texas, November 15, 2010 – Monster.com recently launched an online video campaign titled "Monster Success Stories". The series, which showcases the successes of its users, includes the story of Hanger Clinical Care Manager Dan Blasini, RN, BSN, BC-CM and his work at Hanger Prosthetics & Orthotics.

Following his service in the Army, Blasini sought a position to help the injured soldiers coming back from war. As a clinical care manager for the national Upper Extremity Prosthetics Program at Hanger Prosthetics & Orthotics, Blasini now specializes in the rehabilitation of difficult cases of upper limb loss caused by occupational injuries, including veterans injured in war, motor vehicle accidents, and medically compromised patients.
