Hanger Orthopedic Group, Inc. to Webcast Its Analyst Day Presentations on December 2, 2010

November 23, 2010

AUSTIN, Texas, Nov. 22, 2010 /PRNewswire via COMTEX/ --

Hanger Orthopedic Group, Inc. (NYSE: HGR) announced today that it will provide a live, listen-only webcast of the management presentations taking place at its Analyst Day on Thursday, December 2, 2010. Thomas F. Kirk, President and Chief Executive Officer of Hanger Orthopedic Group, will be the lead presenter, followed by senior management presentations, among others, related to the Company's operating units.

The presentations will begin at 8:45 a.m., ET, and continue until approximately noon, ET. The webcast may be assessed by going to the Investor Relations link on the Company's web site at www.hanger.com. A replay of the Analyst Day webcast will be available for 90 days.

About Hanger Orthopedic Group, Inc.

Hanger Orthopedic Group, Inc., headquartered in Austin, Texas, is the world's premier provider of orthotic and prosthetic patient care services. Hanger is the market leader in the United States, owning and operating in excess of 675 patient care centers in 45 states and the District of Columbia, with more than 3,800 employees, including over 1,100 practitioners, as of September 30, 2010 Hanger is organized into four units. The two key operating units are patient care, which consists of nationwide orthotic and prosthetic practice centers, and distribution, which consists of distribution centers managing the supply chain of orthotic and prosthetic componentry to Hanger and third party patient care centers. The third is Linkia, which is the first and only provider network management company for the orthotics and prosthetics industry. The fourth unit, Innovative Neurotronics, introduces emerging neuromuscular technologies developed through independent research in a collaborative effort with industry suppliers worldwide.
