Hanger Orthopedic Group, Inc., headquartered in Bethesda, Maryland, is the world's premier provider of orthotic and prosthetic patient care services. Hanger is the market leader in the United States, owning and operating 668 patient care centers in 45 states and the District of Columbia, with over 3,500 employees including 1,070 practitioners (as of December 31, 2008). Hanger is organized into four units. The two key operating units are patient care which consists of nationwide orthotic and prosthetic practice centers and distribution which consists of distribution centers managing the supply chain of orthotic and prosthetic componentry to Hanger and third party patient care centers. The third is Linkia which is the first and only provider network management company for the orthotics and prosthetics industry. The fourth unit, Innovative Neurotronics, introduces emerging neuromuscular technologies developed through independent research in a collaborative effort with industry suppliers worldwide.
