

AUDIT COMMITTEE CHARTER OF EVAXION BIOTECH A/S

This Audit Committee Charter (this “Charter”) was adopted by the Board of Directors (the “Board”) of Evaxion Biotech A/S, a company formed under the laws of Denmark (the “Company”). The operation of the Audit Committee shall be subject to the Rules of Procedure for the Board (the “Rules of Procedure”) of the Company and the laws of Denmark, each as in effect from time to time.

I. Purpose

The purpose of the Audit Committee (the “Committee”) is to assist the Board with overseeing the accounting and financial reporting processes of the Company and the audits of the financial statements of the Company.

In addition to the powers and responsibilities expressly delegated to the Committee in this Charter, the Committee may exercise any other powers and carry out any other responsibilities delegated to it by the Board from time to time consistent with the Rules of Procedure and applicable law. The Committee shall report regularly to, and review with, the Board any issues that arise with respect to the quality or integrity of the Company’s financial statements, the Company’s compliance with legal or regulatory requirements, the performance and independence of the Company’s independent auditor, the performance of the Company’s internal audit function, if any, or any other matter the Committee determines is necessary or advisable to report to the Board.

Notwithstanding the foregoing, the Committee’s responsibilities are those of oversight. Management of the Company is responsible for the preparation, presentation and integrity of the Company’s financial statements as well as the Company’s financial reporting process, accounting policies, internal audit function, internal accounting controls and disclosure controls and procedures. The independent auditor is responsible for performing an audit of the Company’s annual financial statements, expressing an opinion as to the conformity of such annual financial statements with international financial reporting standards (“IFRS”), or, upon the election by the Company, U.S. generally accepted accounting principles (“GAAP”), and reviewing the Company’s quarterly financial statements. It is not the responsibility of the Committee to plan or conduct audits or to determine that the Company’s financial statements and disclosures are complete and accurate or that they were prepared in accordance with IFRS or GAAP, as applicable, and applicable laws, rules and regulations. Absent actual knowledge to the contrary, each member of the Committee shall be entitled to rely on the integrity of those persons within the Company and of the professionals and experts (including the Company’s internal auditor, if any, (or others responsible for the internal audit function, including contracted non- employee or audit or accounting firms engaged to provide internal audit services, if any) (the “internal auditor”)), if any, and the Company’s independent auditor from which the Committee receives information and, absent actual knowledge to the contrary, the accuracy of the financial and other information provided to the Committee by such persons, professionals or experts.

The members of the Committee are not independent auditors, and the term “review” as used in this Charter is not intended to have that meaning and should not be interpreted to suggest that the Committee members can or should follow the procedures required of auditors performing reviews of financial statements.

Unless authority is expressly delegated to the Committee herein or otherwise, all decision making authority resides with the Board. All members of the Board who are not members the Committee shall be entitled to request a copy of material and information that is provided to the members of the Committee. The Committee shall report directly to the Board on a regular basis.

II. Membership

The Committee shall consist of at least three members of the Board, except as otherwise permitted by the Securities and Exchange Commission (the “SEC”) and the rules of The NASDAQ Stock Market LLC (“NASDAQ”). The Committee members must not have participated in the preparation of the financial statements of the Company, or any current subsidiary of the Company, at any time during the past three (3) years. Each Committee member must be able to read and understand fundamental financial statements, including a company’s balance sheet, income statement and cash flow statement. Members of the Committee are not required to be engaged in the accounting and auditing profession and, consequently, some members may not be expert in financial matters, or in matters involving auditing or accounting. However, at least one (1) member of the Committee shall have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in the individual’s financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities. In addition, at least one (1) member of the Committee shall be an “audit committee financial expert” within the definition adopted by the SEC or the Company shall disclose in its periodic reports required pursuant to the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder (as so amended and inclusive of such rules and regulations, the “Exchange Act”), the reasons why at least one (1) member of the Committee is not an “audit committee financial expert.” In addition, to the extent required by or deemed advisable under applicable laws or regulations, each Committee member shall satisfy the independence requirements of NASDAQ and Rule 10A-3(b)(1) under the Exchange Act, subject to the exemptions set forth in Rule 10A-3(b)(1)(iv) under the Exchange Act and NASDAQ Rule 5615(b)(1).

Committee members may be removed from the Committee, with or without cause, by a majority vote of the Board.

III. Meetings and Procedures

The Chairperson (the “Chair”) of the Committee (or in his or her absence, a member designated by the Chair) shall preside at each meeting of the Committee and set the agendas for Committee meetings. The Committee shall have the authority to establish its own rules and procedures for notice and conduct of its meetings so long as they are not inconsistent with any provisions of the Company’s articles of association, Rules of Procedure or applicable law that are, directly or indirectly, applicable to the Committee.

The Committee shall meet at least once during each fiscal quarter and more frequently as the Committee deems desirable. Meetings of the Committee may be called by the Chair upon notice given at least seventy two (72) hours prior to the meeting, or upon such shorter notice as shall be approved by the Committee. The Chair shall designate a secretary for each meeting who shall record minutes of all formal actions of the Committee. A majority of the Committee members, present in person or by phone, shall constitute a quorum. A majority of the members present shall decide any questions brought before the Committee, except to the extent otherwise required by the Company's articles of association, Rules of Procedure or applicable law (each as in effect from time to time). Meetings of the Committee may be held by conference call. Unless otherwise restricted by the Company's articles of association, Rules of Procedure or applicable law, any action required or permitted to be taken at any meeting of the Committee may be taken without a meeting if all members of the Committee consent thereto in writing (including by electronic transmission), and such writing (including any electronic transmission) is filed with the minutes of the Committee. The Committee shall meet separately, periodically, with management, with the internal auditor and with the independent auditor.

All members of the Board who are not members of the Committee may attend and observe meetings of the Committee, but shall not participate in any discussion or deliberation unless invited to do so by the Committee, and in any event shall not be entitled to vote.

To the extent permitted by applicable law, the Committee shall have the appropriate resources and authority to request, at its discretion, in its meetings the attendance of members of the Company's management, representatives of the independent auditor, the internal auditor, if any, any other financial personnel employed or retained by the Company or any other persons whose presence the Committee believes to be necessary or appropriate. Notwithstanding the foregoing, the Committee may also exclude from its meetings any persons it deems appropriate, including, but not limited to, any member of the Board who is not a member of the Committee.

To the extent permitted by applicable law, the Committee shall have the appropriate resources and authority to retain legal counsel, experts or advisors (accounting, financial or otherwise) that the Committee believes to be necessary or appropriate. To the extent permitted by applicable law, the Committee may also utilize the services of the Company's regular legal counsel or other advisors to the Company. The Company shall provide for appropriate funding, as proposed by the Committee and approved by the Board, for payment of compensation to the independent auditor for the purpose of rendering or issuing an audit report or performing other audit, review or attest services, for payment of compensation to any advisors, including legal counsel retained by the Committee and for ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

To the extent permitted by applicable law, the Committee shall have the appropriate resources and authority to conduct or authorize investigations into any matters within the scope of the powers and responsibilities delegated to the Committee. The Committee shall have full access to all books, records, facilities and personnel of the Company to conduct such investigations.

The Committee shall keep regular minutes of any meetings where actions are taken (unless such actions are taken and reported to the Committee's satisfaction in the minutes of

the Board meetings). Any such minutes kept by the Committee shall be distributed to each member of the Committee and other members of the Board. The Secretary of the Company shall maintain the original signed minutes for filing with the corporate records of the Company. The Chair shall report to the Board regarding the activities of the Committee at appropriate times and as otherwise requested by the Chairperson of the Board.
