

Domo Wins Gold as Enterprise Product of the Year, Software Category, in Best in Biz Awards 2018

December 4, 2018

Honor Builds on Growing List of Customer-based Accolades for Helping Transform the Way Business is Managed with Real-Time Data

SILICON SLOPES, Utah, Dec. 04, 2018 (GLOBE NEWSWIRE) -- [Domo®](#) (Nasdaq: DOMO), provider of the leading cloud-based operating system for business, has been named a Gold winner as the Enterprise Product of the Year in the software category by the Best in Biz Awards. Domo is designed to help business decision makers across organizations – from the CEO to the frontline worker – transform the way they manage their business. Domo connects all a company's data, people and systems to create a digitally connected organization, empowering anyone across the business to run their business from their phone.

As in previous years, the 8th annual Best in Biz Awards featured a diverse and distinguished judging panel who evaluated and scored close to 700 entries from an array of public and private companies of all sizes and from a variety of geographic regions and industries in the U.S. and Canada. The Best of Biz Awards is the only independent business awards program judged each year by prominent editors and reporters from top-tier publications in North America. The 2018 judging panel included, among others, writers from Associated Press, Barron's, eWeek, Forbes, Inc., MediaPost, New York Post, New York Times and Wired.

This product award follows a year of recognition of the Domo platform, with customer-driven honors that include a 2018 [Gartner Peer Insights Customers' Choice for Analytics and Business Intelligence Platforms](#), and multiple distinctions from Dresner Advisory Services' market research, including being named an Overall Leader in the [Dresner 2018 Wisdom of Crowds® Industry Excellence Awards](#), being ranked #1 in the [Dresner 2018 Collective Insights Market Study](#), being ranked #1 in the [Dresner 2018 Cloud Computing and Business Intelligence \(BI\) Market Study](#), being ranked an Overall Leader and receiving a Perfect Recommendation score from surveyed customers in the [Dresner 2018 Business Intelligence \(BI\) Market Study](#) and being ranked an Overall Leader and Credibility Leader in the [Dresner 2018 Small and Mid-Sized Enterprise \(SME\) Business Intelligence \(BI\) Market Study](#).
