Forward-looking and non-IFRS statements

Genworth Canada

Public communications, including oral or written communications such as this document, relating to Genworth MI Canada Inc. (the "Company", "Genworth Canada" or "MIC") often contain certain forward-looking statements. These forward-looking statements include, but are not limited to, statements with respect to the Company's future operating and financial results, expectations regarding premiums written, losses on claims and investment income, the Canadian housing market, and other statements that are not historical facts. These forward-looking statements may be identified by their use of words such as "may", "would", "could", "will," "intend", "plan", "anticipate", "believe", "seek", "propose", "estimate", "expect", and similar expressions. These statements are based on the Company's current assumptions, including assumptions regarding economic, global, political, business, competitive, market and regulatory matters. These forward-looking statements are inherently subject to significant risks, uncertainties and changes in circumstances, many of which are beyond the control of the Company. The Company's actual results may differ materially from those expressed or implied by such forward-looking statements, including as a result of changes in the facts underlying the Company's assumptions, and the other risks described in the Company's Annual Information Form dated March 23, 2015, its Short Form Base Shelf Prospectus dated June 18, 2014, the Prospectus Supplements thereto, its most recently issued Management's Discussion and Analysis and all documents incorporated by reference in such documents. Management's current views regarding the Company's financial outlook are stated as of the date hereof and may not be appropriate for other purposes. Other than as required by applicable laws, the Company undertakes no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future developments or otherwise.

To supplement its financial statements, the Company uses select non-IFRS financial measures. Non-IFRS financial measures include net operating income, interest and dividend income (net of investment expenses), operating earnings per common share (basic), operating earnings per common share (diluted), shareholders' equity excluding accumulated other comprehensive income ("AOCI"), operating return on equity and underwriting ratios such as loss ratio, expense ratio and combined ratio. The Company believes that these non-IFRS financial measures provide meaningful supplemental information regarding its performance and may be useful to investors because they allow for greater transparency with respect to key metrics used by management in its financial and operational decision making. Non-IFRS measures do not have standardized meanings and are unlikely to be comparable to any similar measures presented by other companies. These measures are defined in the Company's glossary, which is posted on the Company's website at http://investor.genworthmicanada.ca. A reconciliation from non-IFRS financial measures to the most readily comparable measures calculated in accordance with IFRS, where applicable can be found in the Company's most recent management's discussion and analysis, which is posted on the Company's website and is also available at www.sedar.com.

Key themes facing the business today

Genworth Canada

Market dynamics

- Flat mortgage originations
- Pipeline of qualified first-time homebuyers
- Focus on quality within the lending industry

Economic environment

- Housing market and economic growth
- Consumer indebtedness and affordability pressures
- Low interest rates

Competitive environment

- Private sector share increasing
- Competing primarily on service differentiation
- Adding value beyond the mortgage insurance transaction

Regulatory changes

- Spotlight on mortgage industry
- Potential mortgage rule changes
- MIC is uniquely positioned to consult with key stakeholders

Our top strategic priorities

Genworth Canada

1

Prudent **market share expansion**

2

Navigating 2016 with a keen **focus on risk management**

3

Proactive **loss mitigation programs**

(e.g. Homeowner Assistance Program)

4

Strategic expansion; evaluating ancillary opportunities to enhance core mortgage insurance business

BUILDING ON SOLID BUSINESS FUNDAMENTALS

Genworth Canada

Craig Sweeney
Chief Risk Officer

Prudent Risk Management

Strong enterprise risk management

Genworth Canada

EMERGING RISKS ARE IDENTIFIED, MANAGED & INCORPORATED INTO THE RISK MANAGEMENT PROCESS

Insurance risk framework

Genworth Canada

RISK PILLARS

Identify & assess key performance risks

- Macro-economic environment
- Housing market trends
- Regional risk factors

Manage the quality of new business

- Underwriting fundamentals
- Risk limits and triggers
- Robust quality assurance

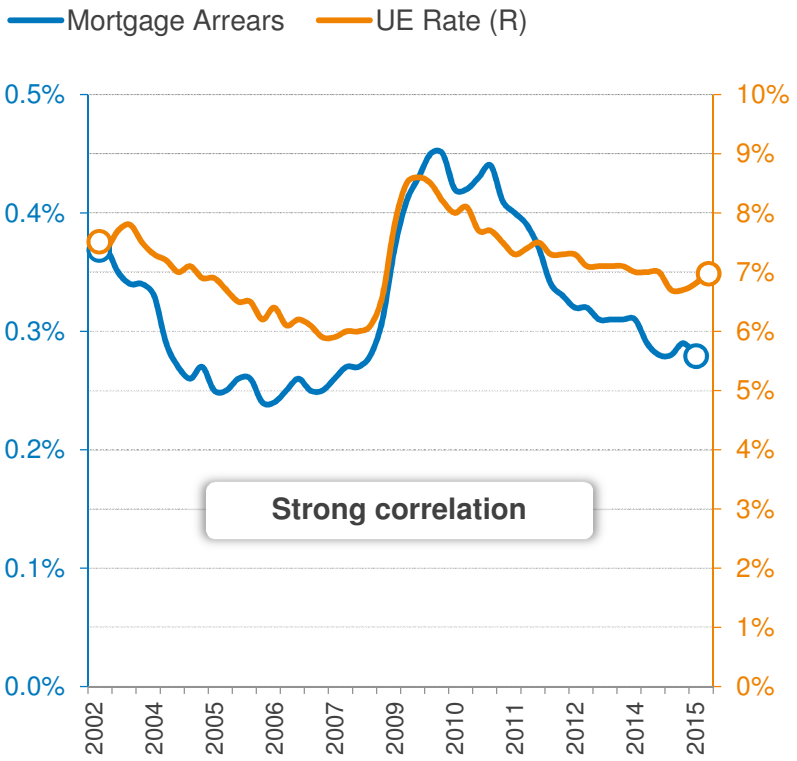

Portfolio Risk management

- Portfolio analytics
- Identification of emerging loss trends
- Dynamic underwriting policies

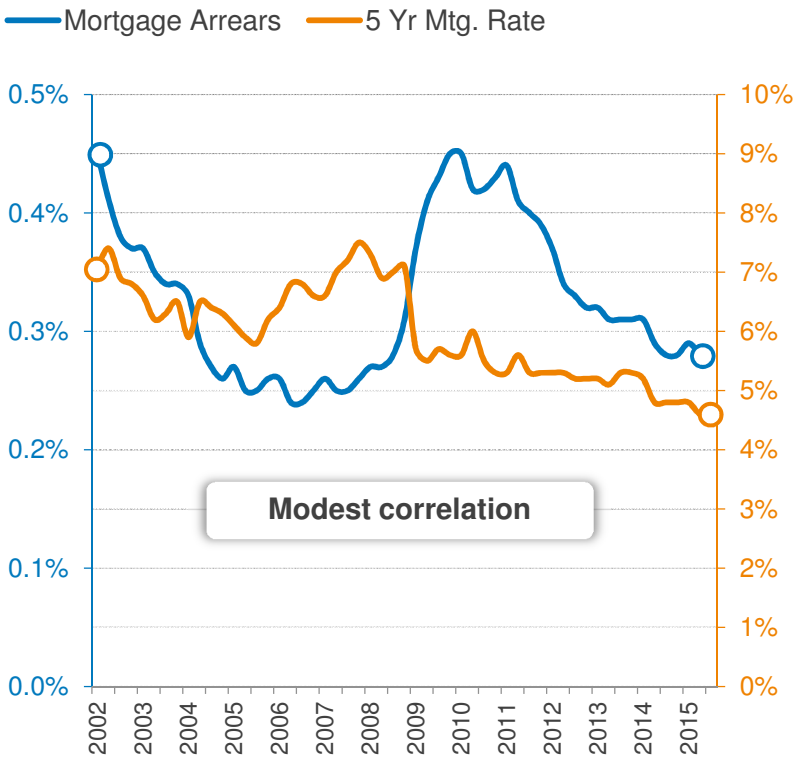

Key delinquency drivers

Mortgage arrears and unemployment rate

Mortgage arrears and mortgage rate

STRONG CORRELATION BETWEEN UE RATE AND MORTGAGE ARREARS RATE

GVA portfolio quality

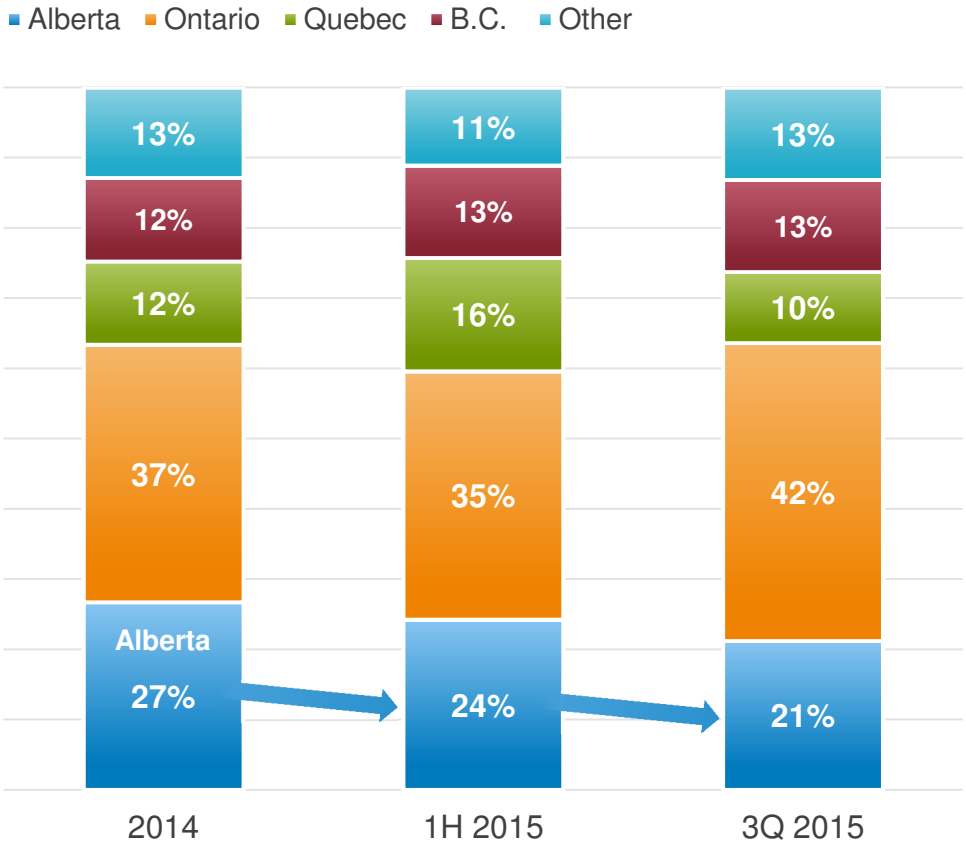

STEADY CREDIT SCORE IMPROVEMENT &
DECLINING EXPOSURE TO HIGHER RISK LOANS SINCE 2007

Note: Company sources for transactional new insurance written.
Note: GTA represents the Greater Toronto Area and GVA represents the Greater Vancouver Area.

Alberta: proactive risk management

Genworth Canada

Regional NIW[1] dispersion (Transactional)[2]

Highlights

Underwriting actions resulting in smaller but better quality Alberta portfolio in 2015

Reduced exposure to areas in Alberta that are more dependent on oil and gas sector

Slower housing markets in Calgary and Edmonton however prices remain flat year-to-date

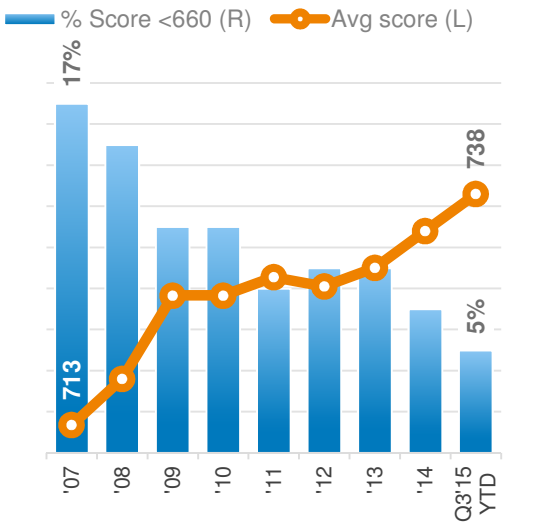

GEOGRAPHICALLY DIVERSIFIED … ALBERTA EXPOSURE REDUCED TO 21%

Note: Company sources.
1. NIW represents new insurance written.
2. BC includes the Territories.

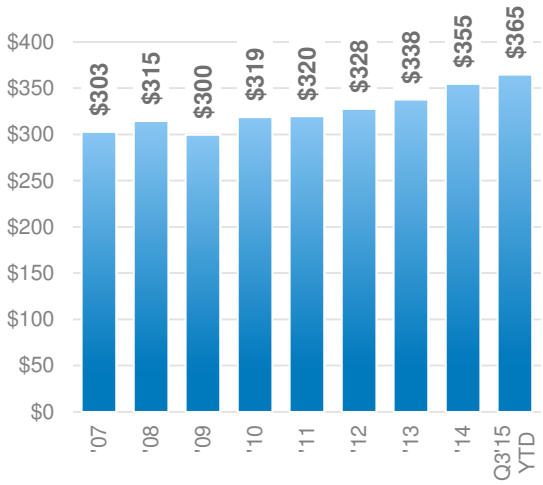

Alberta: improving portfolio quality

Genworth Canada

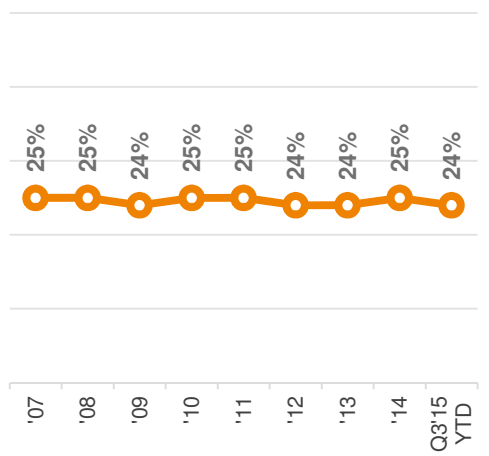

Credit score

Median home price (In '$000s)

Average gross debt service ratio (%)

Highlights

Steady credit score improvement year-over-year

Modest home price increases

Stable debt servicing ratios

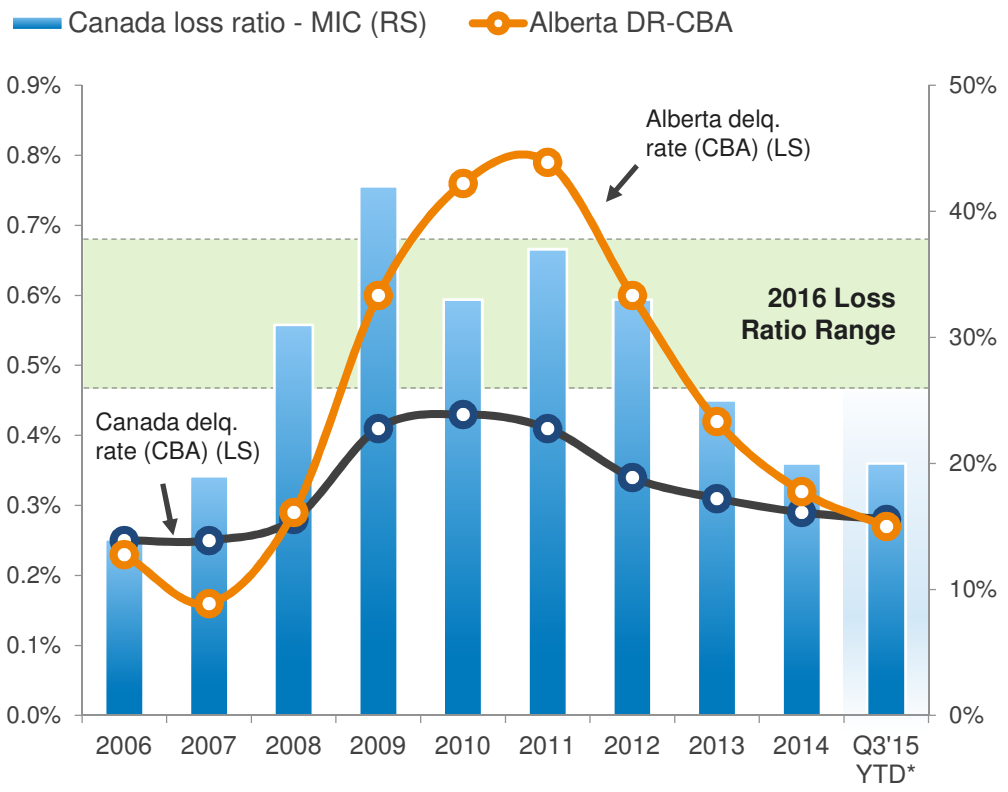

ALBERTA PORTFOLIO QUALITY SIGNIFICANTLY IMPROVED COMPARED TO '07/08

Note: Company sources for transactional new insurance written.

2016 annual loss ratio expectations

Genworth Canada

MIC loss ratio & CBA[1] delinquency rates[2]

- Canada delinquency rate should benefit from stronger economy in '16
- Higher quality MIC portfolio since 2009
- Impact of lower oil prices should be less severe on MIC's loss ratio this cycle

PRELIMINARY 2016 ANNUAL LOSS RATIO RANGE: MID-20% TO MID-TO-HIGH 30%

1 Source: Canadian Bankers Association (CBA) and Company sources.
2 2009 excludes the impact of the change to the premium recognition curve in 1Q'09
* CBA delinquency rates as of Q2 2015.

Key takeaways

Genworth Canada

- Underwriting actions reducing risk
- Well positioned to address regional economic pressures
- Strong portfolio quality
- 2016 annual loss ratio range: mid-20% to mid-to-high 30%

Prudent risk management

Genworth Canada

Debbie McPherson
SVP, Sales & Marketing

Scott Gorman
SVP, Operations

Delivering a Superior Customer Experience

Customer centric culture

FOCUSED ON DRIVING VALUE THROUGH A SUPERIOR CUSTOMER EXPERIENCE

Key takeaways

Genworth Canada

- Risk appetite integrated into our sales and underwriting strategies
- Delivering added value through an integrated and cross-functional approach to customer service
- Market share gains achieved through relationships, collaboration and transparency
- Proactive loss mitigation programs provide benefit to lenders, homeowners and MIC

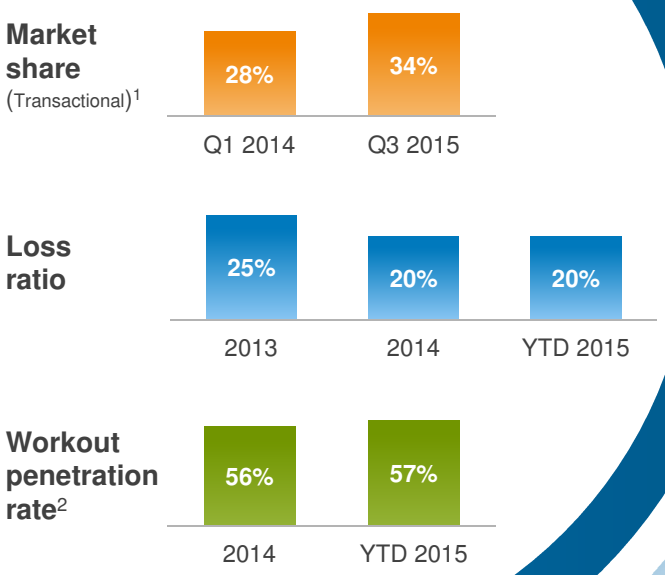

Competitive differentiation driven by innovative **customer experience** strategy

Genworth
Canada
Philip Mayers
SVP and Chief Financial Officer
Financial Management and Results

Proven business model…

Genworth Canada

Demonstrated results

Superior customer experience and **value added relationships** have produced market share gains

Prudent risk management driving improved portfolio quality and strong loss performance

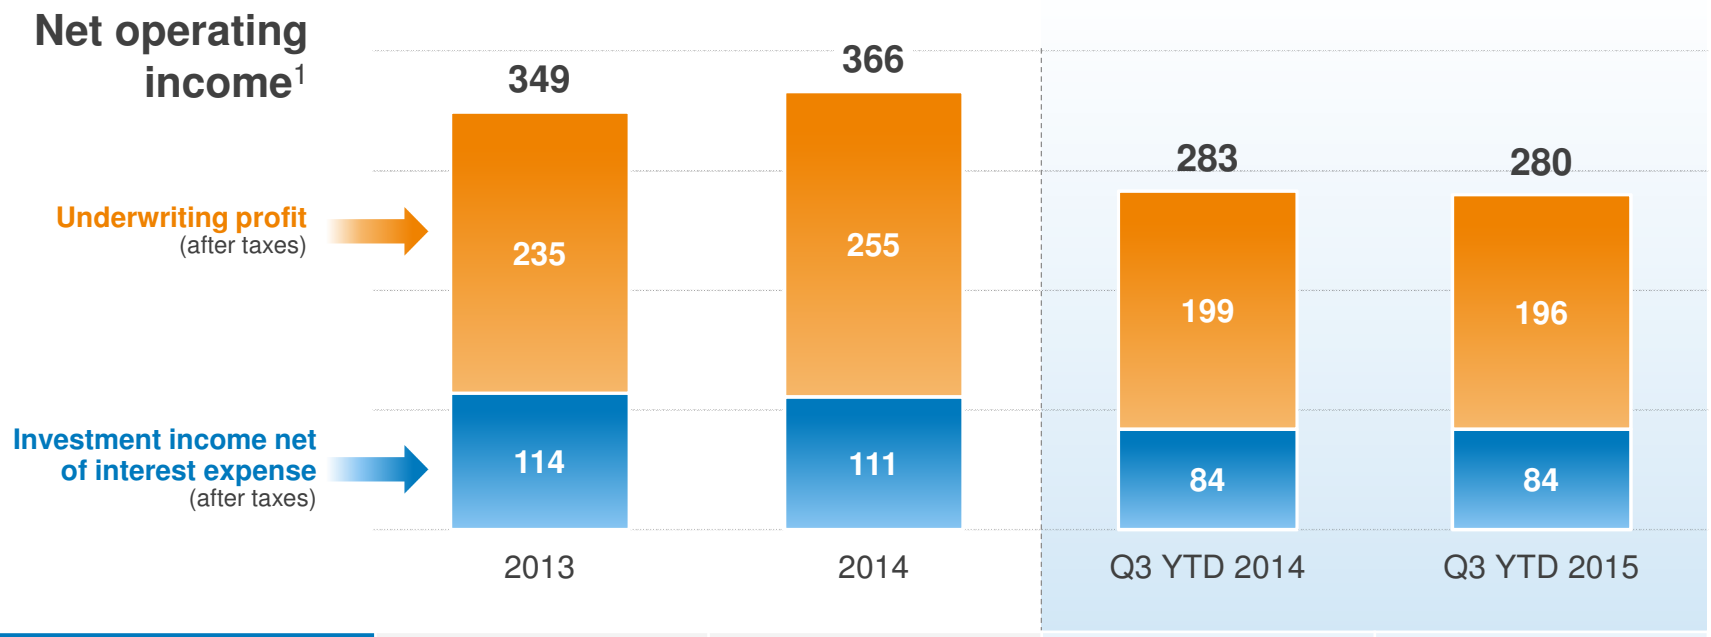

Proactive loss mitigation keeps borrowers in their homes and reduces our loss exposure

Note: Company sources.

1. Market share based on management estimates.
2. Workout penetration means the ratio (expressed as a percentage) of the number of total workouts approved, including shortfall sales, divided by the number of new delinquencies and re-delinquencies over the same period. Workout penetration ratio measures the number of workouts performed relative to the number of existing workout opportunities and is used to assess the success of the loss mitigation homeowner's assistance program.

Strong earnings profile

Genworth Canada

	2013	2014	Q3 YTD 2014	Q3 YTD 2015
Operating EPS (diluted)[1]	$ 3.60	$ 3.86	$ 2.96	$ 3.02
BVPS (diluted, incl. AOCI)	$ 32.53	$ 35.02	$ 34.57	$ 36.14
Operating ROE[1]	12%	12%	12%	12%
MCT Ratio	223%	228%[2]	224%	228%
Long-term debt: Total capital	12%	12%	12%	11%

SOLID PROFITABILITY AND FINANCIAL PROFILE

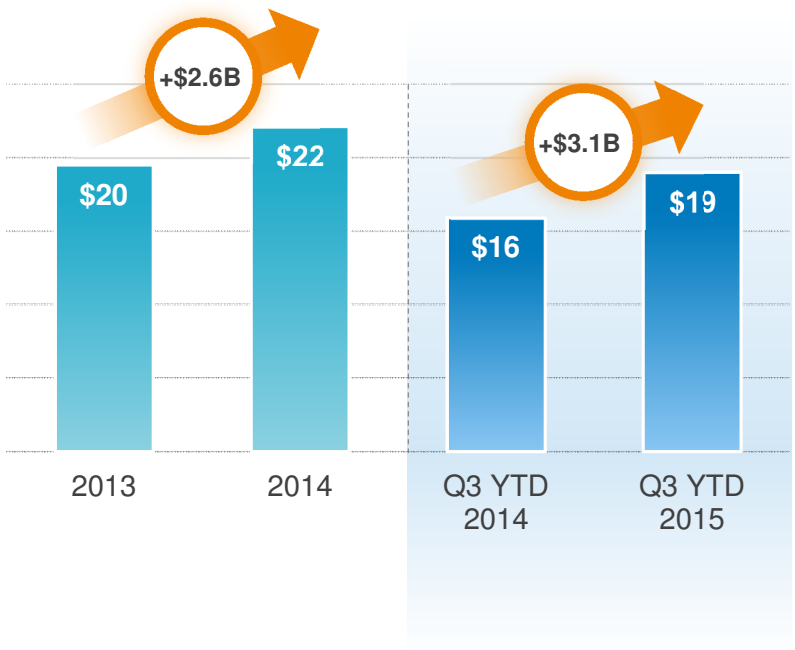

Note: Company sources.

1. Net Operating Income, Operating EPS (diluted) and Operating ROE are non-IFRS measures. See "Forward looking and non-IFRS statements" at the beginning of the presentation.
2. Pro-forma for 2015 MCT Guideline.

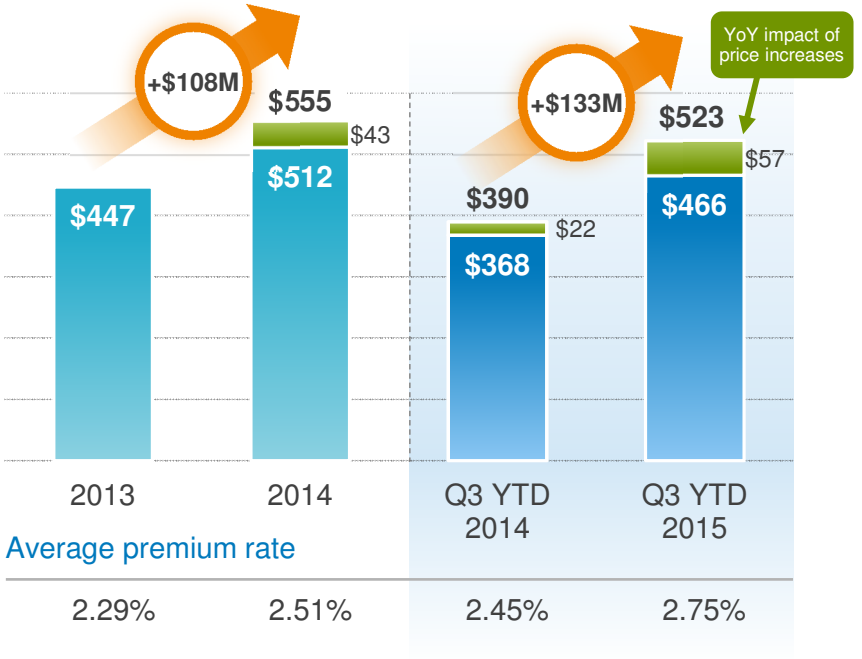

Transactional insurance

Genworth Canada

New insurance written ($ billions)

Net premiums written ($ millions)

~**5-points** of market share gains over the past 18 months

Modestly **larger** origination market

Two rounds of price increases totaling **25%**

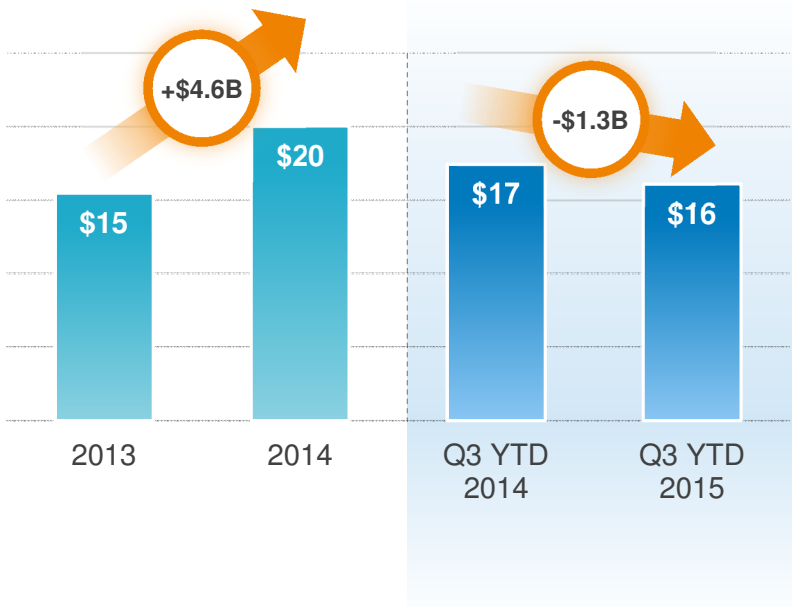

STRONG YoY GROWTH REFLECTS SOLID BUSINESS FUNDAMENTALS

Note: Company sources.

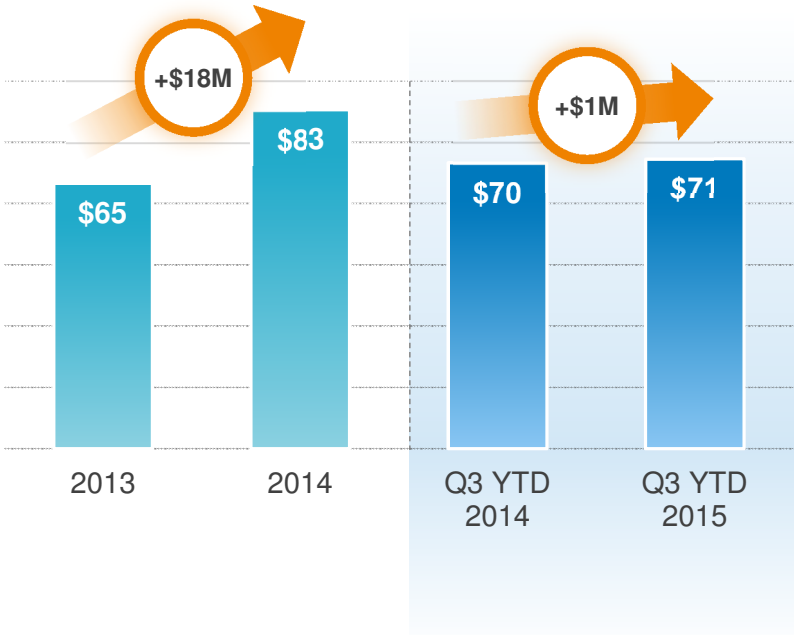

Portfolio insurance

Genworth Canada

New insurance written ($ billions)

Net premiums written ($ millions)

Strong portfolio insurance volumes in recent years have enhanced lender relationships

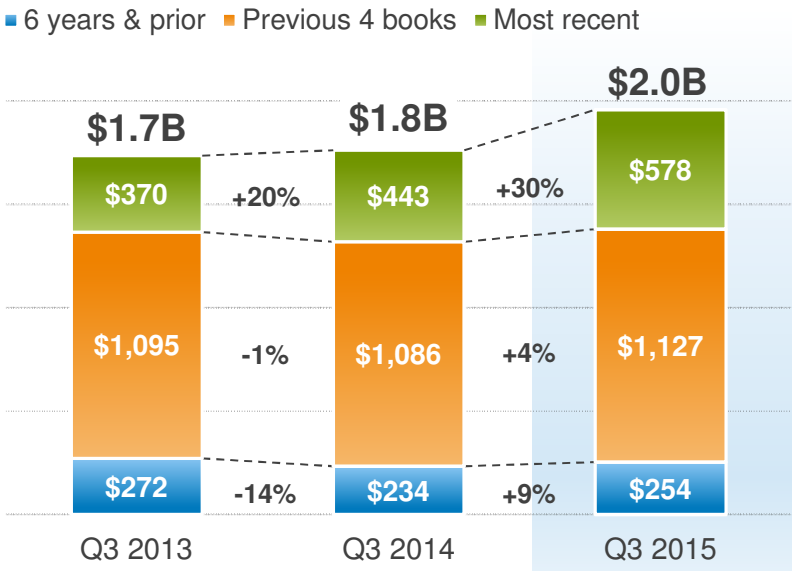

PROPOSED REGULATORY CHANGE IN 2016 MAY LIMIT VOLUMES…
PORTFOLIO INSURED MORTGAGES WOULD BE REQUIRED TO BE SECURITIZED IN GOV'T MBS PROGRAMS

Note: Company sources.

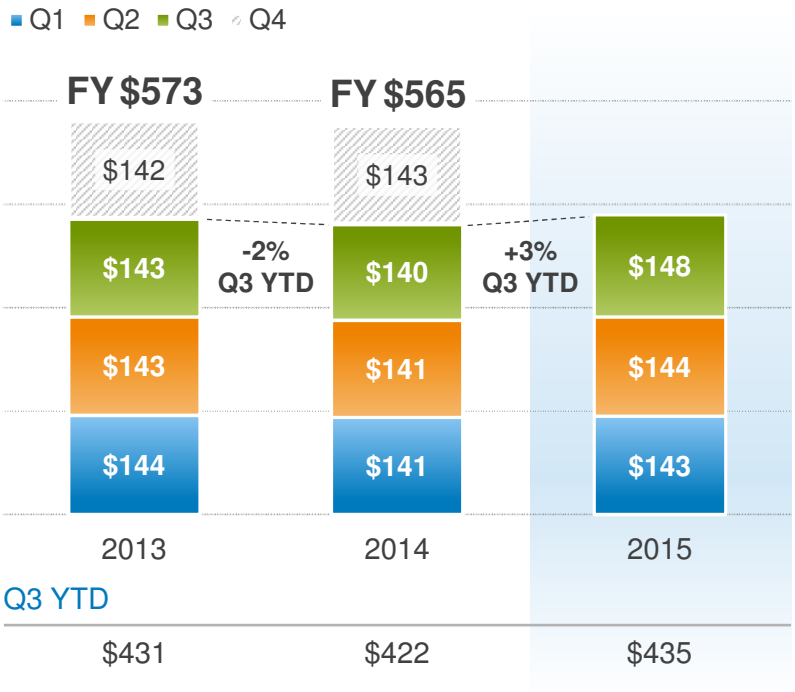

Premiums earned growth

LARGER RECENT BOOKS PROVIDE TAILWIND FOR PREMIUMS EARNED

Unearned premiums reserve ($ millions)

Premiums earned ($ millions)

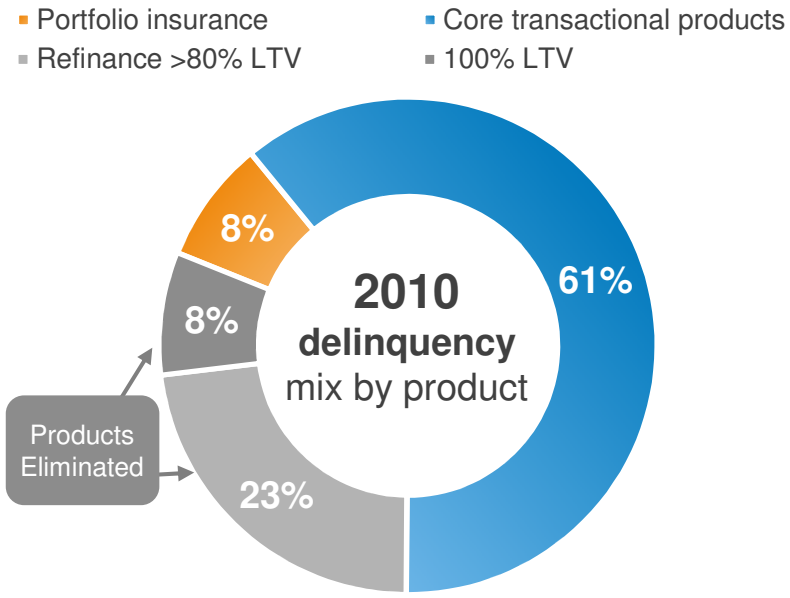

COMBINATION OF HIGHER INSURED VOLUMES AND PRICE INCREASES EXPECTED TO DRIVE 5%+ GROWTH IN PREMIUMS EARNED IN 2016 AND BEYOND

Note: Company sources.

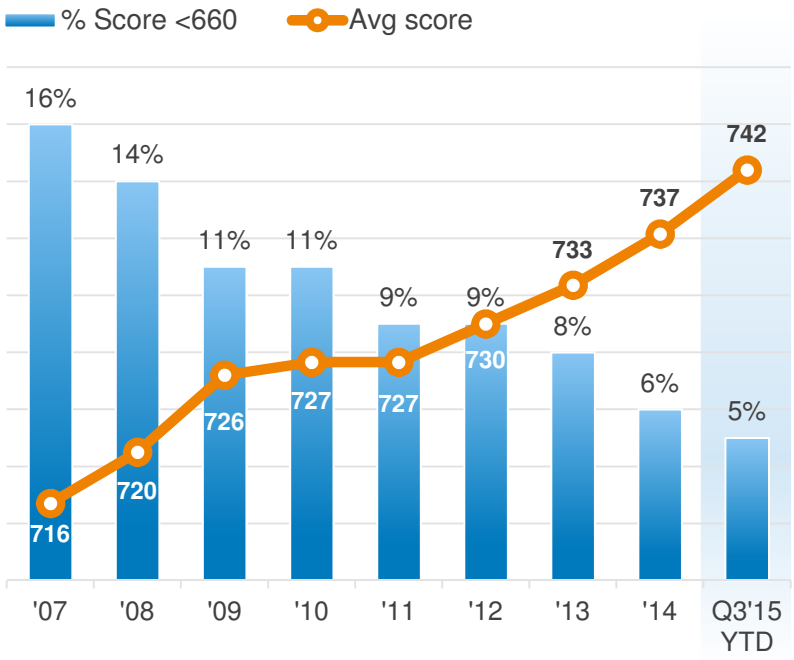

Loss ratio drivers

PRODUCT SANDBOX CHANGES & UNDERWRITING CHANGES HAVE IMPROVED PORTFOLIO QUALITY

Elimination of higher risk products

Improving portfolio quality

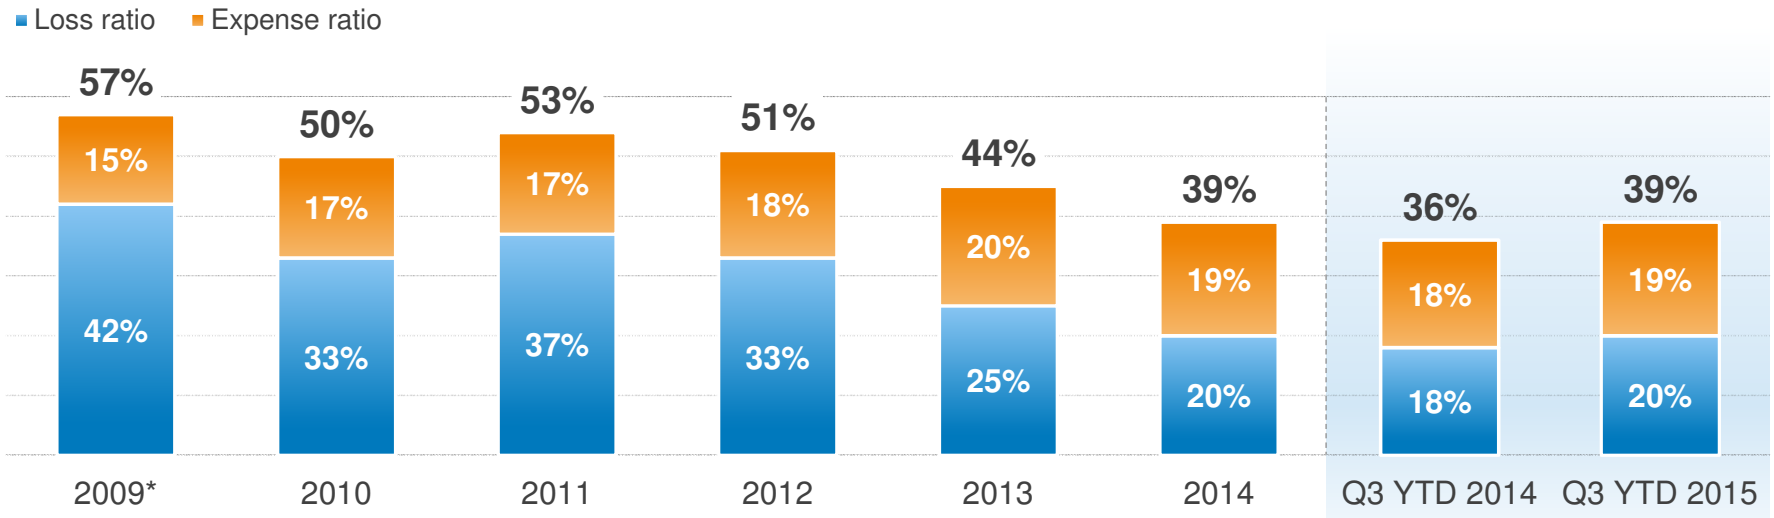

ELIMINATION OF HIGHER RISK PRODUCTS & IMPROVED PORTFOLIO QUALITY POSITIVE FOR STRONG LOSS PERFORMANCE GOING FORWARD

Note: Company sources.

Underwriting profitability

Genworth Canada

Combined ratio

Potential impact on loss ratio

Decreasing loss ratio | Increasing loss ratio

- Trending towards lower end of 2015 loss ratio target range of **20% to 30%**
- Targeting a **mid 20% to mid-to-high 30%** loss ratio range for full year 2016

STRONG UNDERWRITING PERFORMANCE DRIVING IMPROVED PROFITABILITY

Note: Company sources.
* Excludes the impact of change to the premium recognition curve in the first quarter of 2009.

Loss performance & economic scenarios

Genworth Canada

Illustration:	Expected over economic cycle	Stress scenario
Unemployment rate change over 5 years	1% to 2% increase	2% to 4% increase
Cumulative HPA / HPD over 5 years	5% to 7%	-15% to -20%

EXPECTED EMBEDDED FUTURE PROFITS ENHANCES SHAREHOLDER VALUE

Note: Company sources.
1. Theoretical example - future losses on claims and expenses calculated using 55% combined ratio. *Pro-forma.

Well diversified investment portfolio

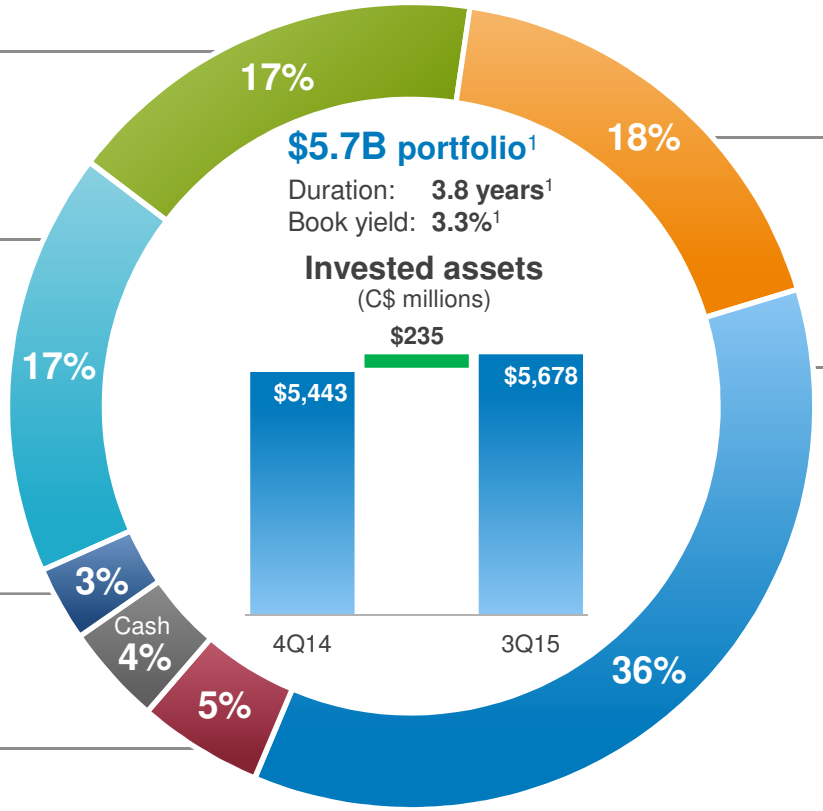

Genworth Canada

17% Fed. Agency / NHA MBS
Federal Agency and NHA MBS provide incremental yield

17% Federal Bonds
Government of Canada bond yields remain unattractive at low levels

3% Preferred Shares
Preferred shares yields are attractive

5% Emerging Markets Debt (Inv. Grade)
Selective geographic participation focused on non-resource sectors

Represents current relative attractiveness

18% Provincials
Diversified average credit rating of AA

36% Investment Grade Corporates
Spreads have widened significantly

0% High Dividend Common Shares
Higher level of regulatory capital and ongoing volatility

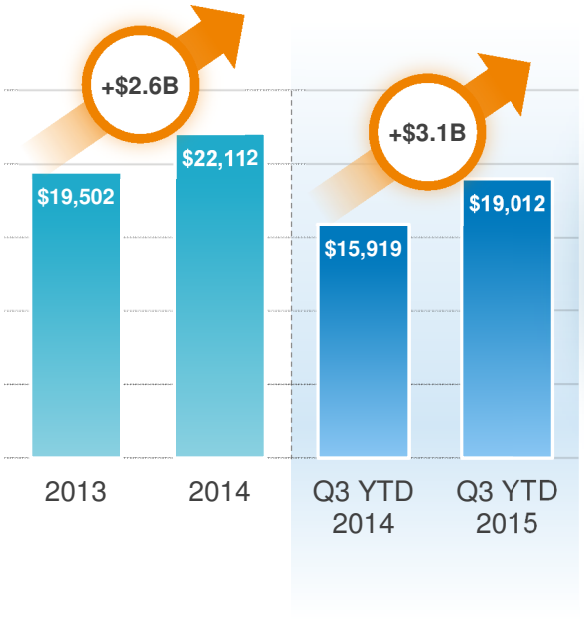

HIGH QUALITY PORTFOLIO CONTRIBUTES ~35% OF NET OPERATING INCOME
…PORTFOLIO GROWTH SHOULD PARTIALLY OFFSET YIELD PRESSURE

Note: Company sources.
1. Note: as of September 30, 2015.

Capital management

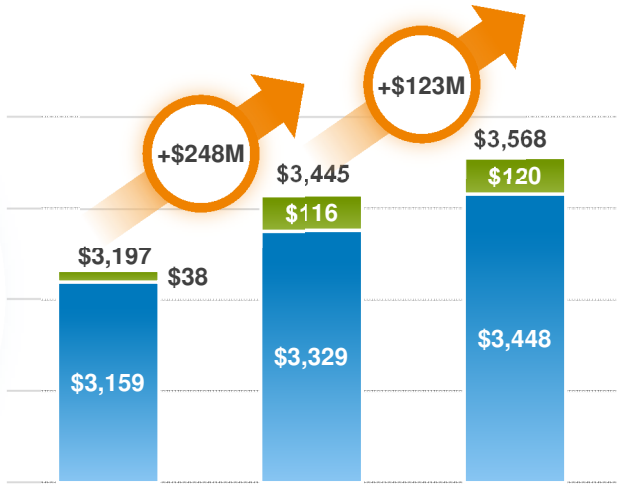

Genworth Canada

Transactional new insurance written ($ millions)

Capital required at 220% MCT ($ millions)[1]

	2013	Jan. 1/15	Q3 2015
Holdco cash[2]	$85M	$143M	$120M
MCT ratio	223%	228%	228%

Intend to operate moderately above the **220%** MCT holding target

Holding company cash and liquid securities of **$120 million** and leverage of **11%**[3]

FOCUSED ON DEPLOYING CAPITAL TO SUPPORT ORGANIC GROWTH OPPORTUNITIES

Note: Company sources.
1. MCT denotes ratio for operating insurance company.
2. Represents capital in addition to capital in operating insurance company.
3. As at Sept. 30, 2015.

New capital framework for 2017

Genworth Canada

1

New regulatory capital framework for mortgage insurers expected to be implemented **Jan. 1, 2017**

2

Capital framework is being designed to be **more risk sensitive** by using more loan level risk attributes

3

New capital framework is **not expected to change** the total dollar amount of capital required at holding target (which reflects stress testing results for tail events)

4

Company is **working with OSFI** closely and expects more granular details on the proposed framework in the **first half of 2016**

COMPANY DOES NOT EXPECT A MATERIAL IMPACT ON CAPITAL REQUIREMENTS

Key takeaways

Genworth Canada

- Price increases & market share gains providing tailwind for premiums written and premiums earned
- Improved insurance portfolio quality, positive for loss performance
- Strong balance sheet built on conservative investment portfolio and capital strength
- Track record of solid financial performance reflects proven business model

Proven business model has positioned MIC for **future financial performance**

Genworth Canada

Stuart Levings
President and CEO

Wrap Up

Key takeaways

Genworth Canada

- Customer service leader
- Deep risk expertise
- Sustainable business model
- Momentum and staying power

MIC is well-positioned for **future success**

Genworth Canada

Q&A

Senior management team

Stuart Levings, President & CEO

15+ years of mortgage insurance experience

Mr. Levings assumed his current role as President and Chief Executive Officer in January 2015. Prior to that Mr. Levings served in such senior leadership positions as Senior Vice President, Chief Operating Officer, Senior Vice President, Chief Operations Officer and Senior Vice President, Chief Risk Officer. Mr. Levings joined the Company in July 2000 as the Financial Controller, and has also held positions in finance and product development, including five years as Chief Financial Officer. Before that, Mr. Levings spent seven years with Deloitte & Touche. Mr. Levings holds a CPA, CA professional designation with over 15 years of professional experience in a variety of industry sectors. Mr. Levings holds a Bachelor of Accounting Science degree from the University of South Africa and is a member of both the South African and Canadian Institutes of Chartered Accountants.

Philip Mayers, Chief Financial Officer

25+ years of mortgage insurance experience

Mr. Mayers became Chief Financial Officer of the Company in 2009. He has over 25 years of finance and general management experience in financial services businesses. Since joining the Company in 1995, Mr. Mayers has held several senior positions, including Vice President, Finance, Vice President, Operations, and Senior Vice President, Business Development. Prior to joining the Company, he held finance positions with Mortgage Insurance Company of Canada (“MICC”), Esso Petroleum Canada and Deloitte & Touche. He holds CPA, CA and CMA professional designations and has a Master of Accounting degree from the University of Waterloo.

Senior management team

Craig Sweeney, Chief Risk Officer

15+ years of mortgage insurance experience

Mr. Sweeney has more than 18 years of professional experience in the mortgage and banking industry. Since joining the Company in 1998, Mr. Sweeney has held senior positions in Operations and Business Development, including Director of Risk Operations and Director of Product Development. Mr. Sweeney received an honours Bachelor of Arts degree in Economics from Carleton University in 1994.

Winsor Macdonell, SVP, General Counsel & Secretary

15+ years of mortgage insurance experience

Mr. Macdonell is responsible for all of the Company's legal and compliance matters, as well as government relations. Mr. Macdonell joined the Company in 1999. He was called to the Bar in Ontario in 1994. Prior to joining the Company, he spent three years in the life and property and casualty industry, and prior to that was in private practice. Mr. Macdonell received an honours Bachelor of Commerce degree from Queens University in 1988 and his LL.B. from Dalhousie University in 1992 and his ICD.D in 2014.

Senior management team

Debbie McPherson, SVP, Sales and Marketing

25+ years of mortgage insurance experience

Ms. McPherson has over 25 years of experience and success in sales and quality management with the Company. Prior to her current position, Ms. McPherson was the Company's Ontario Regional Sales Director. Ms. McPherson plays an active role in many industry organizations, including the Canadian Association of Accredited Mortgage Professionals, the Canadian Homebuilders Association and the Canadian Real Estate Association. Ms. McPherson graduated from the University of Toronto with a Bachelor of Arts degree.

Scott Gorman, SVP, Operations

15+ years of experience

Mr. Gorman has more than 19 years of International Industry and Consulting experience within the Financial Services Industry. Prior to joining Genworth Canada, Mr. Gorman worked for TD Financial Group as VP, Head of Card Operations & Initiatives, and Royal Sun Alliance (RSA) as the Regional Chief Operating Officer for their Asia and Middle East Region as well as VP of RSA's Canadian National Operations. Mr. Gorman has a Bachelor's of Commerce from Memorial University of Newfoundland and an MBA from Schulich School of Business, York University.

Senior management team

Rhonda Lawson, SVP, Human Resources and Facilities

20+ years experience

Ms. Lawson joined the Company early in 2013, and brings more than 20 years of leadership experience in senior human resource management roles with global public and private corporations, including Aviva, Intact (ING Canada), Allianz and Teva Pharmaceuticals. Ms. Lawson has held Director roles on a number of corporate and not-for-profit Boards since 1993, most recently as a Director and Chair of the HR Committee on the Boards of DST Engineering Group and Rouge Valley Health Systems (RVHS).

Brian Hurley, Executive Chairman

20+ years of mortgage insurance experience

Mr. Hurley led the establishment of Genworth into the Canadian marketplace in 1994 and later led it through its initial public offering in 2009. He stepped down as President and CEO of Genworth Canada and assumed the role of Executive Chairman in January 2015. Mr. Hurley has more than 20 years of senior management experience in the mortgage insurance industry worldwide, including leading Genworth's activities in key international markets from 2004 to 2009. Prior roles include Senior VP, International of General Electric's U.S. mortgage insurance business and Senior VP of Sales and Operations. Mr. Hurley graduated from Assumption College in Worcester, Massachusetts with a Bachelor of Science degree in Economics.
