CHARTER OF THE AUDIT COMMITTEE
OF THE BOARD OF DIRECTORS

As adopted June 15, 2015
(Effective as of April 6, 2016)
Updated November 5, 2020

The purpose of the Audit Committee (the “*Committee*”) of the Board of Directors (the “*Board*”) of Aeglea BioTherapeutics, Inc. (the “*Company*”) is to assist the Board in fulfilling its oversight responsibilities relating to the Company’s financial accounting, reporting, compliance and internal controls. The Committee’s principal functions are to:

- assist the Board in its oversight of the Company’s accounting and financial reporting processes, including its audits and the integrity of the Company’s financial statements;
- assist the Board in its oversight of compliance by the Company with legal and regulatory requirements;
- assist the Board in its determination of the qualifications, independence and performance of the Company’s independent registered public accounting firm (the “*Independent Auditors*”); and
- prepare and execute the committee report as required by the rules of the Securities and Exchange Commission (the “*Commission*”) to be included in the Company’s annual proxy statement.

This charter (the “*Charter*”) sets forth the authority and responsibility of the Committee in fulfilling its purpose. While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company’s financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of the Company’s management and the Independent Auditors. In addition, the Company’s management is responsible for managing its risk function and for reporting on its processes and assessments with respect to the Company’s management of risk.

Each member of the Committee can rely on (a) the integrity of those persons and organizations within and outside of the Company from which it receives information, (b) the accuracy of the financial and other information provided to the Committee by such persons or organizations absent actual knowledge to the contrary (which shall be promptly reported to the Board) and (c) representations made by management as to any audit and non-audit services provided by the Independent Auditors or other registered public accounting firms.

While this Charter should be interpreted in the context of all applicable laws, regulations and listing requirements, as well as in the context of the Company’s Certificate of Incorporation and Bylaws, it is not intended to establish by its own force any legally binding obligations.

II. MEMBERSHIP

The Committee will consist of three or more members of the Board (provided that the

Committee may consist of a lesser number of members as permitted by the Exchange Act or the Exchange Rules, each as defined below), with the exact number determined by the Board. Each member of the Committee will:

- be an “independent director” as defined under the applicable rules, regulations and listing requirements of The Nasdaq Stock Market, as amended from time to time (the “*Exchange Rules*”), except as may otherwise be permitted by the Exchange Rules;
- be “independent” as defined in Section 10A(m) of the Securities Exchange Act of 1934, as amended (the “*Exchange Act*”) and Rule 10A-3 and any other rules and regulations promulgated by the Commission under the Exchange Act (the “*Commission Rules*”), except as may otherwise be permitted by the Commission Rules;
- not have participated in the preparation of the financial statements of the Company or any current subsidiary of the Company at any time during the past three years;
- have the ability to read and understand fundamental financial statements and meet the financial sophistication and experience requirements of the Exchange Act, the Commission Rules and the Exchange Rules;
- be free from any relationship that, in the opinion of the Board, would interfere with the exercise of independent judgment as a Committee member; and
- meet any other requirements imposed by applicable law, regulations or rules, subject to any applicable exemptions and transition provisions.

In addition, at least one member of the Committee will have prior experience in accounting, financial management or financial oversight, as required by the Exchange Rules, and be an “audit committee financial expert” as defined in Item 407 of Regulation S-K promulgated by the Commission. A person who satisfies this definition of “audit committee financial expert” will also be presumed to have accounting, financial management or financial oversight expertise.

All members of the Committee will be appointed by, and will serve at the discretion of, the Board. The Board may appoint a member of the Committee to serve as the chairperson of the Committee (the “*Chair*”). If the Board does not appoint a Chair, the Committee members may designate a Chair by their majority vote. The Chair will set the agenda for Committee meetings and conduct the proceedings of those meetings. Any action duly taken by the Committee shall be valid and effective, whether or not the members of the Committee at the time of such action are later determined not to have satisfied the requirements for membership provided herein.
