

**AEGLEA BIOTHERAPEUTICS, INC.**  
**CHARTER OF THE COMPENSATION COMMITTEE**  
**OF THE BOARD OF DIRECTORS**

**As adopted June 15, 2015**  
**(as amended, April 23, 2018 and May 6, 2019)**

**I. PURPOSE**

The purpose of the Compensation Committee (the “*Committee*”) of the Board of Directors (the “*Board*”) of Aeglea BioTherapeutics, Inc. (the “*Company*”) is to assist the Board by taking principal responsibility with respect to compensation matters, including evaluating, recommending, approving and reviewing executive officer and director compensation arrangements, plans, policies and programs maintained by the Company, and administering the Company’s cash-based and equity-based compensation plans. The Committee may also make recommendations to the Board regarding any other Board responsibilities relating to executive compensation.

This charter (the “*Charter*”) sets forth the authority and responsibility of the Committee in fulfilling its purpose.

**II. MEMBERSHIP**

The Committee will consist of two or more members of the Board, with the exact number determined from time to time by the Board. Each member of the Committee will:

- be an “independent director” as defined under the applicable rules, regulations and listing requirements of The Nasdaq Stock Market, as amended from time to time (the “*Exchange Rules*”), except as may otherwise be permitted by such Exchange Rules;
- be “independent” as defined in any other rules and regulations (the “*Commission Rules*”) promulgated by the Securities and Exchange Commission (the “*Commission*”) under Section 10C of the Securities Exchange Act of 1934, as amended (the “*Exchange Act*”), except as may otherwise be permitted by the Commission Rules;
- be a “non-employee director,” as defined in Rule 16b-3 under Section 16 of the Exchange Act;
- be free from any relationship that, in the opinion of the Board, would interfere with the exercise of independent judgment as a Committee member; and
- meet any other requirements imposed by applicable law, regulations or rules, subject to any applicable exemptions and transition provisions.

No member of the Committee may accept directly or indirectly any consulting, advisory or other compensatory fee from the Company or any subsidiary thereof; provided that such prohibition shall not include: (i) fees received as a member of the Committee, the Board or any other Board committee; or (ii) the receipt of fixed amounts of compensation under a retirement plan (including deferred compensation) for prior service with the Company (provided that such

compensation is not contingent in any way on continued service).

In connection with appointing or continuing the membership of each director serving on the Committee, when affirmatively determining the independence of such member, the Board will consider all factors specifically relevant to determining whether such director has a relationship to the Company which is material to that director's ability to be independent from management in connection with the duties of a member of the Committee, including, at a minimum:

- the source of compensation of such director, including any consulting, advisory or other compensatory fee paid by the Company to such director, including whether the director receives compensation from any person or entity that would impair his ability to make independent judgments about the Company's executive compensation; and
- whether such director is affiliated with the Company, a subsidiary of the Company or an affiliate of a subsidiary of the Company, including whether the affiliate relationship places the director under the direct or indirect control of the Company or its senior management, or creates a direct relationship between the director and members of senior management, in each case of a nature that would impair his ability to make independent judgments about the Company's executive compensation.

All members of the Committee will be appointed by, and will serve at the discretion of, the Board. The Board may appoint a member of the Committee to serve as the chairperson of the Committee (the "**Chair**"). If the Board does not appoint a Chair, the Committee members may designate a Chair by their majority vote. The Chair will set the agenda for Committee meetings and conduct the proceedings of those meetings. Any action duly taken by the Committee shall be valid and effective, whether or not the members of the Committee at the time of such action are later determined not to have satisfied the requirements for membership provided herein.

### III. RESPONSIBILITIES AND DUTIES

The principal responsibilities and duties of the Committee in serving the purposes outlined in Section I of this Charter are set forth below. These duties are set forth as a guide, with the understanding that the Committee will carry them out in a manner that is appropriate given the Company's needs and circumstances. The Committee may engage in such other activities, and establish such policies and procedures, from time to time as it deems necessary or advisable in implementing this Charter and fulfilling its responsibilities.

The Committee will:

1. Annually review the Company's overall compensation strategy, including base salary, incentive compensation and equity-based grants, to assure that it promotes stockholder interests and supports the Company's strategic and tactical objectives, and that it provides for appropriate rewards and incentives for the Company's management and employees.
2. Annually review and approve the goals and objectives to be considered in determining the compensation of the Company's Chief Executive Officer (the "**CEO**") and other "executive officers" as defined under Rule 3b-7 and "officers" as defined under Rule 16a-1(f) promulgated

under the Exchange Act (collectively with the CEO, the “*Executive Officers*”), and evaluate their performance in light of these goals and objectives.

Based on this evaluation, including an evaluation of the Company’s performance, the Committee will have the sole authority, subject to any approval by the Board which the Committee or legal counsel determines to be desirable or is required by applicable law or the Exchange Rules, to approve or recommend to the Board for approval (i) the salary paid to the Executive Officers, (ii) the grant of all cash-based incentive compensation and equity-based compensation to the Executive Officers, (iii) the entering into or amendment or extension of any offer letter, employment contract or similar arrangement with the Executive Officers, (iv) the entering into or amendment or extension of any Executive Officer severance or change in control arrangements, and (v) any other Executive Officer compensation matters; provided that the Committee may take account of the recommendations of the Board (or any Board member) with respect to Executive Officer compensation.

When applicable, in connection with its evaluation of Executive Officer compensation, the Committee will consider the results of the most recent stockholder vote on executive compensation (a “say on pay” vote), communicate with stockholders or their representatives where appropriate, and make such adjustments to Company compensation practices for Executive Officers as it deems appropriate in response thereto, if any. The Committee also may take account of the recommendations of the CEO with respect to other Executive Officers for each of the foregoing items. The CEO may not be present during voting or deliberations regarding the CEO’s compensation.

3. Annually review and approve or make recommendations to the Board with respect to adoption and approval of, or amendments to, all cash-based and equity-based incentive compensation plans and arrangements, and the cash amounts and aggregate numbers of shares reserved for issuance thereunder, after taking into consideration the Company’s strategies with respect to cash-based and equity-based compensation.

4. Review and approve policies and procedures relating to perquisites and expense accounts of Executive Officers.

5. Administer and interpret the Company’s cash-based and equity-based compensation plans and agreements thereunder.

In addition to the authority to delegate to a subcommittee as set forth herein, the Committee may adopt an equity grant policy and delegate to the CEO (acting alone or acting together with one or more other officers of the Company), provided that the CEO is serving as a member of the Board at all times during such delegation, including in conjunction with one or more officers, within the limits imposed by such policy and applicable law and the Exchange Rules, the authority to approve cash awards or make equity grants to employees of the Company or of any subsidiary of the Company who are not Executive Officers or directors of the Company, provided that in the case of grants of options or stock appreciation rights, the price per share of any grant by the CEO is no less than the fair market value of the Company’s common stock on the date of grant; provided further that, while such delegation may include the authority to grant options, performance shares, stock appreciation rights, phantom stock, restricted stock units and other types of equity awards that may be permitted under the Company’s equity

incentive plan(s), such delegation will not include authority to grant restricted stock awards or stock bonus awards. The CEO shall promptly inform the Committee members in writing (which includes email) of any equity grants made pursuant to this provision, which notice shall include each grantee's name, grant date, exercise price and number of shares. The equity grant policy shall state the maximum number of shares that may be granted pursuant to this delegation in any calendar year to any one individual and shall require the maintenance of a written record of equity awards granted pursuant to this delegation and the material terms of those awards, including the grantee's name, exercise price (if applicable), number of shares subject to those grants, and the vesting provision.

6. Meet with the CEO periodically to discuss the incentive compensation programs to be in effect for the other Executive Officers and for other employees of the Company or any Company subsidiary for such fiscal year, and the corporate goals and objectives relevant to those programs and performance targets applicable to the Executive Officers and, where appropriate, other employees of the Company or any subsidiary.

7. Approve, or recommend to the Board for approval, adoption, amendment and termination of the Company's 401(k) plan and any deferred compensation plans and similar programs (collectively, the "*Designated Plans*"). Oversee the administration of the Designated Plans and, if desired, delegate the routine administration of the Designated Plans to an administrative committee consisting of employees of the Company named by the Committee.

8. Recommend to the Board, for determination by the Board, the form and amount of cash-based and equity-based compensation to be paid or awarded to the Company's non-employee directors, including compensation for service on the Board or on committees of the Board.

9. Review with management the Company's major compensation-related risk exposures and the steps management has taken to monitor or mitigate such exposures.

10. When applicable, consider and make recommendations to the Board regarding the frequency with which stockholder "say on pay" votes should occur, including whether to make any such recommendation at all regarding the frequency of such votes. Following any such "say on pay" frequency vote, make recommendations to the Board regarding the frequency with which "say on pay" votes shall be included in the Company's proxy statements pending the next such "say on pay" frequency vote.

11. For so long as the Company is subject to the periodic reporting requirements of the Exchange Act: (i) review and discuss, with management as appropriate, the Company's "Compensation Discussion and Analysis" disclosure and any narrative disclosure regarding the Company's compensation policies and practices as they relate to its risk management prepared in response to the requirement of Item 402(b) and (s) of Regulation S-K, the narrative disclosure related to compensation consultants in determining or recommending the amount or form of executive and director compensation and the disclosure regarding any such consultant whose work has raised any conflict of interest in response to the requirements of Items 407(e)(3)(iii) and (iv) of Regulation S-K (or any successor disclosure items), and any other "say on pay" voting material to be included in the proxy statement, as applicable, as well as any

methodologies and any narrative disclosure related to the Company's CEO "pay ratio" in accordance with Item 402(u) of Regulation S-K; (ii) based on such review and discussion recommend to the Board whether such disclosure should be included in the Company's annual report on Form 10-K, proxy statement, information statement or similar document; and (iii) prepare a report of the Committee for inclusion in the annual report or the proxy statement for the Company's annual meeting in accordance with Item 407(e)(5) of Regulation S-K.

12. Oversee the Company's compliance with regulatory requirements associated with compensation of its directors, officers and employees, and review and make recommendations regarding the Company's compliance program relating to restrictions on and reporting of securities transactions by the Company and its Executive Officers, other officers, employees and directors.

13. Consider and, if determined to be appropriate, make recommendations to the Board regarding adoption of a Company policy regarding recovery of incentive-based compensation that is based on financial information required to be reported under the Exchange Act (or other federal securities laws) following restatement of such financial information.

14. Periodically review the Company's procedures with respect to employee loans. The Committee will not approve any arrangement in which the Company, directly or indirectly, extends or maintains credit, arranges for the extension of credit or renews an extension of credit, in the form of a personal loan to or for any director or Executive Officer (or equivalent thereof) of the Company. The Committee will assist the Board and management of the Company in complying with this prohibition.

15. Periodically review the composition of the Company's workforce in terms of diversity and inclusion, and trends on gender and racial/ethnic compensation equity.

16. Review and approve the selection of the Company's peer companies for compensation assessment purposes.

17. Perform any other activities required by applicable law, rules or regulations, including the Exchange Rules and the Commission Rules, and take such other actions and perform and carry out any other responsibilities and duties delegated to it by the Board or as the Committee deems necessary or appropriate consistent with its purpose.

#### **IV. STUDIES AND ADVISERS**

The Committee may conduct or authorize studies of, or investigations into, matters within the Committee's scope of responsibility, with full access to all books, records, facilities and personnel of the Company. The Committee has the sole authority, discretion and right, at the Company's expense, to retain or obtain the advice of compensation and other consultants, legal counsel, accountants, experts and advisers of its choice to assist the Committee in connection with its functions, including any studies or investigations, and shall have direct oversight of the work performed by such advisers. In connection with the retention of such advisers (other than in-house legal counsel), the Committee shall consider the factors related to the independence of such advisers, including with respect to each such adviser (or the adviser's employer): (a) the provision of other services to the Company by such adviser (or their employer); (b) the amount

of fees received from the Company, as a percentage of the total revenue of such adviser (or their employer); (c) the policies and procedures of such adviser (or their employer) that are designed to prevent conflicts of interest; (d) any business or personal relationship of such adviser (or their employer) with a member of the Committee or an Executive Officer; (e) any shares of Company capital stock or other Company securities owned by such adviser (or their employer); and (f) such other factors as the Committee deems relevant or may be required from time to time by the Commission Rules or Exchange Rules; provided that nothing herein requires that compensation advisers must be independent – rather that the enumerated independence factors be considered before selecting or otherwise receiving advice from such an adviser. The Committee shall also evaluate whether any compensation consultant retained or to be retained by it has any conflict of interest in accordance with Item 407(e)(3)(iv) of Regulation S-K.

The Committee will have the sole authority to approve the fees and other retention terms of such advisers. The Company will provide for appropriate funding, as determined by the Committee, for:

- payment of compensation to any legal counsel and compensation to other consultants, accountants, experts and advisers retained by the Committee;
- ordinary administrative expenses of the Committee that are necessary and appropriate in carrying out its functions; and
- the commission of any necessary studies or surveys concerning the levels of executive compensation payable in the industry in which the Company is engaged and in other related industries or obtaining recommendations from outside/independent consultants concerning comparable compensation programs.

Irrespective of the retention of compensation and other consultants, legal counsel, accountants, experts and advisers to assist the Committee, the Committee shall exercise its own judgment in fulfillment of its functions.

The Committee is not required to assess the independence of any consultant or other advisor that acts in a role limited to consulting on any broad-based plan that does not discriminate in scope, terms or operation in favor of executive officers or directors and that is generally available to all salaried employees or providing information that is not customized for a particular company or that is customized based on parameters that are not developed by the consultant or advisor, and about which the consultant or advisor does not provide advice, unless otherwise required by law or applicable regulations.

## **V. MEETINGS, ACTIONS WITHOUT A MEETING AND STAFF**

Meetings of the Committee will be held from time to time, as determined appropriate by the Committee. The Chair, in consultation with the other member(s) of the Committee, will set the dates, times and places of such meetings. The Chair or any other member of the Committee may call meetings of the Committee by notice in accordance with the Company's Bylaws. A quorum of the Committee for the transaction of business will be a majority of its members. Meetings may be held via telephonic or video conference. The Committee also may act by unanimous written consent in lieu of a meeting in accordance with the Company's Bylaws.

Subject to the requirements of this Charter, applicable law, the Exchange Rules and the Commission Rules, the Committee and the Chair may invite any director, executive or employee of the Company, or such other person, as it deems appropriate in order to carry out its responsibilities, to attend and participate (in a non-voting capacity) in all or a portion of any Committee meeting. The Committee may exclude from all or a portion of its meetings any person it deems appropriate in order to carry out its responsibilities. The Chair will designate a secretary for each meeting, who need not be a member of the Committee. The Secretary of the Company will provide the Committee such staff support as it may require.

## **VI. MINUTES AND REPORTS**

The Committee will maintain written minutes of its meetings and copies of its actions by written consent, and will cause such minutes and copies of written consents to be filed with the minutes of the meetings of the Board. The Chair or any member designated by the Committee will report to the Board following meetings of the Committee and from time to time with respect to the activities of the Committee, including on significant matters related to the Committee's responsibilities and the Committee's deliberations and actions. The minutes of the Committee and actions by the unanimous written consent of the Committee members will be made available to the other members of the Board.

## **VII. DELEGATION OF AUTHORITY**

The Committee may from time to time, as it deems appropriate and to the extent permitted under applicable law, the Exchange Rules and the Commission Rules, and the Company's Certificate of Incorporation and Bylaws, form and delegate authority to subcommittees.

## **VIII. COMPENSATION**

Members of the Committee will receive such fees, if any, for their service as Committee members as may be determined by the Board, which may include additional compensation for the Chair. Such fees may include retainers or per meeting fees and will be paid in such form of consideration as is determined by the Board in accordance with applicable law, the Exchange Rules and the Commission Rules.

## **IX. REVIEW OF COMMITTEE COMPOSITION, PERFORMANCE AND CHARTER**

The Committee will evaluate the Committee's composition and performance on an annual basis and submit a report to the Board. The Committee will also review and reassess the adequacy of this Charter periodically (at least annually), and recommend to the Board any changes the Committee determines are appropriate.

## **X. PUBLICATION**

The Company will make this Charter freely available to stockholders on request and, provided that the Company is subject to the periodic reporting requirements of the Exchange Act, will publish it on the Company's website.
