

NEWS RELEASE

Fisker Announces Timing of Third Quarter 2021 Results and Webcast

10/19/2021

LOS ANGELES--(BUSINESS WIRE)-- **Fisker Inc.** (NYSE: FSR, or "Fisker") – passionate creator of the world's most sustainable electric vehicles and advanced mobility solutions – announced that it will report its third quarter 2021 financial results after market close on Wednesday, Nov. 3, 2021. This will be followed by a conference call at 2 p.m. PT (5 p.m. ET) where management will provide its quarterly business update and elaborate on recently-identified cost synergies between Fisker's Ocean and PEAR programs. Speakers on the call will include Henrik Fisker, chairman and chief executive officer; Dr. Geeta Gupta-Fisker, chief operating officer and chief financial officer; and Dr. Burkhard Huhnke, chief technology officer of Fisker.

The conference call can be accessed via live webcast on the Events and Presentations page of Fisker's Investor Relations website: <https://investors.fiskerinc.com/>. An archive of the webcast will be available shortly after the call and will remain on the website for 12 months thereafter.

In addition, Fisker will again provide shareholders the ability to submit and upvote questions to management through a shareholder Q&A platform. To submit questions ahead of earnings, please visit the Events and Presentations section of Fisker's IR website or the Say platform **here**. Shareholders and brokers with Say can participate directly in their investing app or broker website. The Q&A platform will remain open from seven days prior to and up to 24 hours before the earnings call. Management intends to respond to a selection of questions during the Q&A portion of the call.

Fisker remains on target to start production and deliveries of the all-electric Fisker Ocean in November 2022 – and to unveil the production-intent version, including specifications and features, on Nov. 17, 2021 at the L.A. Auto Show.

Forward-Looking Statements

This press release includes forward-looking statements, which are subject to the "safe harbor" provisions of the US Private Securities Litigation Reform Act of 1995. These statements may be identified by words such as "feel," "believes," "expects," "estimates," "projects," "intends," "should," "is to be," or the negative of such terms, or other comparable terminology and include, among other things, statements regarding the timing of the Ocean start of production and unveiling of the production-intent version of the Ocean, the Company's strategy and other future events that involve risks and uncertainties. Such forward-looking statements are not guarantees of future performance and are subject to risks and uncertainties, which could cause actual results to differ materially from the forward-looking statements contained herein due to many factors, including, but not limited to: Fisker's limited operating history; Fisker's ability to enter into additional manufacturing and other contracts with Magna, or other OEMs or tier-one suppliers in order to execute on its business plan; the risk that OEM and supply partners do not meet agreed upon timelines or experience capacity constraints; Fisker may experience significant delays in the design, manufacture, regulatory approval, launch and financing of its vehicles; Fisker's ability to execute its business model, including market acceptance of its planned products and services; Fisker's inability to retain key personnel and to hire additional personnel; competition in the electric vehicle market; Fisker's inability to develop a sales distribution network; and the ability to protect its intellectual property rights; and those factors discussed in Fisker's Annual Report on Form 10-K, as amended, under the heading "Risk Factors," filed with the Securities and Exchange Commission (the "SEC"), as supplemented by Quarterly Reports on Form 10-Q, and other reports and documents Fisker files from time to time with the SEC. Any forward-looking statements speak only as of the date on which they are made, and Fisker undertakes no obligation to update any forward-looking statement to reflect events or circumstances after the date of this press release.
