

Orthofix Medical Inc. Audit and Finance Committee Charter

This charter governs the operations of the Audit and Finance Committee (“Committee”) of the Board of Directors (“Board”) of Orthofix Medical Inc. (“Company”). The charter is intended to assist the Committee and the Company in complying with the Company’s certificate of incorporation and bylaws, and all applicable laws, rules, and regulations as prescribed by the U.S. Securities and Exchange Commission (“SEC”), Nasdaq listing standards and any other regulatory body related to audit and finance matters (collectively, “Requirements”). Any new Requirements enacted from time to time are deemed to be incorporated herein upon their effective date. The Committee shall review and assess the adequacy of this charter at least annually and recommend any proposed changes to the full Board.

1. Purpose

The Committee shall act on behalf of, and provide assistance to, the Board in fulfilling its oversight responsibility to the shareholders and others relating to: the integrity of the Company’s financial statements; the financial reporting process; internal accounting and financial controls; the performance of the Company’s independent registered public accounting firm engaged by the Company for the purpose of preparing or issuing an audit report or related work or performing other audit, review or attest services for the Company (“Auditors”); the Auditors’ qualifications and independence; the performance of the Company’s internal audit function; and other duties established by applicable Requirements. In so doing, it is the responsibility of the Committee to maintain unrestricted and open communication among the Committee, the Auditors, the Company’s internal audit function, and management of the Company. The Committee shall have full power and authority to discharge all of its duties and responsibilities.

The Committee shall also assist the Board with oversight of Company finance matters as further described herein.

2. Membership

The Committee shall be comprised of at least three directors of the Company who are appointed to the Committee by the Board. Members of the Committee shall serve until a successor is duly appointed by the Board or until the member resigns or is removed. The Board may remove any member from the Committee at any time, with or without cause. All members of the Committee (i) must have been determined by the Board to be independent, as defined in and to the extent required by the Requirements (including pursuant to Nasdaq Marketplace Rule 5605(a)(2) and Rule 10A-3(b)(1) of the Securities Exchange Act of 1934, as amended), and (ii) must not have participated in the preparation of the financial statements of the Company or any current subsidiary of the Company at any time during the past three years. In addition to the limitations set forth in the Company Corporate Governance Guidelines, no member of the Committee may serve on the audit committees of more than three public companies (including the Company’s) unless the Board specifically determines that such simultaneous service will not impair the ability of such Committee member to serve on the Committee. To the fullest extent permitted by applicable law, any actions taken by the Committee during any period in which any member (or members) fails for any reason to meet the membership requirements set forth above shall nevertheless be duly authorized actions of the Committee for all corporate purposes.

3. Committee Structure and Operations

The Board shall designate one member of the Committee as its chairperson. The Committee shall meet in person or telephonically at least four times a year and at such other times as deemed necessary or desirable by the Committee or its chairperson. The Committee may also take action by unanimous written consent. The Committee may establish its own procedures in a manner not inconsistent with this charter, the Company's certificate of incorporation, bylaws and other corporate governance documents, applicable laws, regulations, or listing standards (collectively, "Governance Requirements").

In discharging its role, the Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities, and personnel of the Company. The Committee has the authority to engage independent counsel and other advisers, at the Company's expense, as the Committee may determine necessary to carry out its duties. The Company will provide for appropriate funding, as determined by the Committee, for payment of (i) compensation to the Auditors for their audit and audit-related review and attest services; (ii) compensation to any advisers engaged by the Committee; and (iii) ordinary and administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.
