

Orthofix International Makes Additional Partial Debt Repayment Ahead of Maturity

BOSTON, Mar 24, 2009 (BUSINESS WIRE) -- Orthofix International N.V. (NASDAQ: OFIX) (the Company) announced today it made a \$5 million debt prepayment in advance of the scheduled maturity, permanently reducing its current credit facility by that amount.

Orthofix Executive Vice President and Chief Financial Officer Bob Vaters stated, "Consistent with our focus on deleveraging the balance sheet this was the third debt repayment we have made ahead of scheduled maturities within the last four months. It demonstrates not only our desire to continue reducing our outstanding debt, but our improved cash generation over the last few months. With the expected continuation of cash flow improvements we will look for additional opportunities to pay down debt early, increasing the Company's flexibility to execute its operating plan."

About Orthofix

Orthofix International, N.V., a global medical device company, offers a broad line of minimally invasive surgical, and non-surgical, products for the spine, orthopedic, and sports medicine market sectors that address the lifelong bone-and-joint health needs of patients of all ages-helping them achieve a more active and mobile lifestyle. Orthofix's products are widely distributed around the world to orthopedic surgeons and patients via Orthofix's sales representatives and its subsidiaries, including BREG, Inc. and Blackstone Medical, Inc., and via partnerships with other leading orthopedic product companies. In addition, Orthofix is collaborating in R&D partnerships with leading medical institutions such as the Orthopedic Research and Education Foundation, Rutgers University, Texas Scottish Rite Hospital for Children and National Osteoporosis Institute.
