About Enforcer Gold Corp

Enforcer Gold Corp is earning a 100% interest in the 7,300-hectare Montalembert Gold Project located west of Chibougamau in Quebec’s prolific Abitibi greenstone belt. The property lies five kilometers from a paved highway and hydro-electric power and has easy access to skilled labour, fuel, accommodation and other industry-related services, allowing for relatively low exploration costs. The Company recently commenced a comprehensive field exploration program that will include the first ever large-diameter core drilling on the high-grade Galena and No. 2 veins. The exploration program is expected to run uninterrupted through the late fall of 2017. Enforcer Gold has committed over \$2.2M to fund its 2017 exploration program.
