

FIVE PERKS

OF WORKING WITH A **MORTGAGE BROKER**

ONE

MORTGAGE SPECIALIST

While big banks sell car loans, checking accounts, and more, brokers specialize in one thing: mortgages.

TWO

PERSONAL LOAN SHOPPER

Brokers can find the best loans for borrowers and negotiate terms on their behalf.

THREE

ONE-ON-ONE ATTENTION

Brokers have flexibility and time to focus on their borrowers when they need them. No strict bank hours here.

FOUR

LICENSED EXPERT

Brokers are consistently undergoing training and have to renew their license every year.

FIVE

TIME SAVE

Avoid the daunting details and hours of going back and forth. A mortgage broker can do that for the borrower.
